

Question 1: What are your takeaways for the day? What will you bring back to your campus?

Major Themes: Takeaways

- Small steps towards changing campus culture around OER and Open
- Creating initiatives with reward structure/incentives
- OER as a pedagogical approach
 - Involving students in OER process

*Question 2: How do you envision applying what you have learned today at your institution?
What potential partnerships can you utilize on your campus?*

Major Themes: Adoption and Partnerships

- Vision for campus adoption
 - Targeting specific courses for OER adoption
 - Ways to involve students
 - Information Sharing
- On-Campus Partnerships
 - Center for Teaching and Learning, either or connect with or create
 - Library-Faculty Partnerships
 - Administrative: Financial Aid, Provost, Diversity, Inclusion and Equity Offices, IT
- Off-Campus Partnerships
 - Colleagues across the discipline
 - Funding orgs (like Davis Educational Foundation)
 - Other academic institutions

Question 3: Any questions that have not been addressed?

Major Themes: Questions and Concerns

- Logistical concerns: tech capabilities, integrating into an LMS, etc.
- Financial concerns: publishing, expenses, rewards system, etc.
- Balancing short-term and long-term goals
 - Creating just for your institution vs. completely open
 - Managing expectations and capabilities
