PRICE TEN CENTS

PRESIDENT GRAY MEETS WITH "Y" ADVISORY BOARD

Committee Reports Demonstrate Great Progress in Campus Work

President Gray attended a meeting last Friday evening of the Y. M. C. A. Cabinet and advisory board. The Reverend Mr. Finnie presided. Reports of the various "Y" activities were read and unanimously approved. Luncheon was served by Mrs. Purinton.

The report of the general Secretary recorded a month of progress in Campus activities and pointed to a most prosperous and successful year ahead. Mr. Wesley Gilpatrick gave a report on his membership campaign among the 1926 men. While the campaign had as yet not been closed the early days showed great enthusiasm among the first year men.

Mr. Herbert Carroll's report on the Voluntary Study hours showed a most decided improvement over last years work in this direction. Out of one hundred twenty five freshman a hundred and ten attended the first week's meeting which is a record breaking showing. While the upper classmen turned out in no where near the same manner the classes were on the whole well attended. Dr. Tubbs class of Juniors and Seniors is especially popular among the upper classmen. This group meets in the German room Hathorne Hall. Dr. Tubbs gives his best in the way of counsel and advice, and instead of eramming ideas down one's throat he endeavors to awaken the students' power of reasoning so he can get his own ideas founded on the bed-rock of spiritual truth. Mr. Carroll, as chairman of this committee in charge of Voluntary Study, has shown his capability in reorganizing work and the years success points to his efficiency in handling the affair.

The next report of the evening was made by Mr. Graves and had to do with the Employment Bureau. The committee in charge of this bureau has carried on an extensive advertising campaign and results have been most encouraging. During the first few weeks of college some fifty or more calls have been made to this bureau. Many of these have been for men to fill permanent positions while others have been odd jobs here and there. These latter have many times led to something better and at the present time twenty-five to thirty men have been permanently placed by the committee. Everything is being done to further the work of this bureau and co-operation on all sides has helped push the proposition to the limit.

Following these reports Mr. Nason, President of the Y. M. C. A. summed up the work of his organization and in a very telling manner outlined not only its past achievements but its future hopes and plans.

The presiding officer then called upon President Gray to say a few words. He expressed an appreciation of the work the "Y" was doing and offered to the full every ounce of his moral support. The meeting then adjourned.

VESPER SERVICE

The Vesper Service next Sunday at four o'clock in the chapel will be unusually interesting because of the personality and subject of the speaker. Miss Fjeril Hess, who will give the address, has been travelling and working in Czechoslovakia for several years and knows intimately the life of the students in that region. She is a brilliant speaker. Special music will be rendered by Cecelia Christensen Goss and other artists. The public is cordially invited.

LEONARDI WINS FROM GRAY IN TENNIS FINALS

Finally Pulls Through After Five Set Struggle—Varsity Looks Good This Year

ROBERTS AGAIN CAPTAINS TEAM

The tennis courts this fall have been unusually busy, and it is only fair at this time to survey the prospects.

"Eddie" Roberts captains the team, and for the past three years has been its most consistent performer. Besides having been re-elected to the Captaincy, "Eddie" holds the distinction of being Captain of two sports in a single year, having also been first choice to lead the ice hockey team. He is president of the Jordan Scientific Society, and generally popular.

"Dick" Stanley '24, has been "Eddie's" running mate both in tennis and hockey for the past two years. He was paired with "Eddie" last year in the doubles match of the N. E. Championship as Longwood. "Carl" Purinton is another member who has been representing Bates for the past few years in this sport.

Fairbanks and Pollister are members of last year's squad who will strengthen the outlook considerably.

Since three weeks ago a tournament for freshmen has been going on, but as

DEBATING TRIALS UNDER WAY AGAIN

Coach Baird Looks for New Material in Class of '26

On Thursday, October 19th, the Freshmen Debating trials were held in Hathorn Hall. Although these trials are nominally for Freshmen, any student is eligible to enter. The subjects for discussion were "Federal Ownership of the Coal Mines," "Cancellation of Allied War Debts by the United States," and "Compulsory Arbitration in Labor Disputes." The trials began at four sharp, and continued until six. Each student was allowed five minutes. The men who entered the finals in the debating trials last fall did not have to participate in the first try-out.

Last year sixteen men from the entering class entered the trials. It is hoped that the class of '26 will show as great an interest in debating as last year's men showed.

FRESHMAN SQUEAKS

"Do they allow you to wear your hat in class?—I didn't curl my bob last night."
"What are they going to do with the million?"
"Why do they call him the Bursar?"
"How do they know whether you go to chapel or not?"
"What do they do in Conference?"
"Why can't I go to the Library tonight?"
"Do we need adjusting?"

CONFIDENCE
in the store with whom you are dealing is an important consideration. We are always looking for new business—why not trade with us—our line is equal to the best.
DREW'S RELIABLE JEWELRY STORE

BATES TRACK TEAM STRONG IN RUNNING EVENTS THIS YEAR

But Needs More Weight Men—Here's Your Chance, Freshmen

The outlook for a good track team next spring is just as promising as the outlook for a championship cross-country team. It's a long way to the M. I. C. A. A. meet at Orono, next spring, but it is none to early to start building hopes for a winner. No better man than Coach Jenkins could be had to train the team thru the fall and winter and to have them in winning condition for the spring.

"Cyke" McGinley who broke into the game a year ago is the popular captain of the team. "Cyk's" record breaking race in the M. I. C. A. A. last spring makes him the logical man to fill "Ray" Baker's shoes. It was an unusual but well deserved honor that he should receive the Captaincy of a major sport on a single year's experience. He is president of his class and a member of the Student Council.

"Ray" Baker is the only member missing from the relay squad of five men who represented the Garnet with a victory in the Penn. Relay Carnival last spring. The remaining members are Archibald, Corey, Batten, and Sanella. These men may be relied on to make a bid for this year's squad, and it will be a merry fight to see who makes the alternate's position.

"Jake" Landers has returned, and it is hoped that his old injury has sufficiently healed to enable him to run. When in form, "Jake" should show his heels to the best in the state over the century and furlong. "Bill" Burns, Coney, and Dalton should also figure in the spirits. "Arehie" still looks like a sure bet in the quarter. Corey is able to run a good 440, and "Jim" Simpson promises to be among the leaders in that event. Sanella looks like an "ace" over the half-mile from the showing he has been making in cross-country this fall. "Ray" is still reliable as well as S. E. Wilson.

"Ben" Sargent's fall work as a barrier gives promise of Bates producing a strong miler. "Ben's" second place in the N. E. meet last year, and splendid showing in the Nationals the following week are not easily forgotten. Holt is a plugger who should press "Ben" hard. Ward, a freshman, has a splendid record, and is showing good form in his Cross-Country work.

"Cyk" will be the Garnet leader over the double-mile and will probably be assisted by Sargent, and Holt, unless some new men can fill in as runner-up to the Bates Captain.

There are plenty of new men, mostly from the entering class who give promise, but too little is known of them to state anything definite. Our calibre in the field events was low last year, and unless new material provides some good performers in this branch of the game, the outlook is not too good. Leroy Luce has been lost in the discus. Dana Keney is the only one of last year's performers in this event who is back. Batten, Coney, "Dick" Burrill, and Daker improve the outlook in the broad jump. Dinsmore is the only high jumper returned. Descoteau and Kennedy are probable pole-vaulters. Peterson, Blake, and Diehl are likely weight men. "Pete" Burrill will more than hold his own in the hurdles. His first in the low timbers was one of the surprises of the meet, last spring. This year, he will be ably seconded by Roe '24, who has returned to college. However bright the outlook, Coach Jenkins will be glad to see anyone with physical ability join the squad. He is particularly keen to meet any promising candidates in the field events, so if you think you have the ability, regardless of former experience, report at once to the track squad.

COLBY AND BATES FIGHT TO 7-7 TIE IN SERIES OPENER

GARNET SCORES ON FORWARD PASS WITH LESS THAN THREE MINUTES TO GO—OUTPLAYS COLBY IN EVERY PERIOD BUT FIRST

Woodman Individual Star of Game

ALL ABOARD FOR THE MAINE GAME

If You Haven't the Price Of a Ticket, "Hop" a Side-door Pullman

A year ago, the University of Maine football team journeyed to Lewiston. Seven-hundred royal rooters and the U. of M. band accompanied the team. Those seven-hundred rooters were here to show the Maine team that they were backing them up to their utmost. They did. The game ended in a scoreless tie. In a game as close as that, the absence of the Maine cheering section may have meant a victory for Bates.

To-morrow "Bill" Guiney will lead his gridiron warriors on Alumni Field with one purpose in view,—to snatch a victory from the gridiron; and they're going to do it. It was thought unwise to risk hiring a special train to convey the Bates rooters to Orono. But there will be some there. Not so many as if a special were hired, but enough to help the boys win. Some are going by auto; some are going on the road with the hopes of being picked up by autos; some are going side door pullman; and there are some who'll go even if they'll have to swim. Don't be afraid to take a chance! It'll be worth it! Your cuts will be excused! Go! at any cost of work or time; but if you can't go, at least be there in spirit. Don't have to be told why that chapel bell is ringing to-morrow night. On to Orono! Good luck to Captain Guiney and the Bates football team.

COME AND HEAR SAM E. CONNER

At Open Meeting of Press Club Next Monday

Sam E. Conner, one of the most talented of the newspaper reporters and special writers in New England, has accepted an invitation to address an open meeting of the Press Club, Monday evening, October 23 at 8.00 o'clock, in Libbey Forum. This is the first open meeting of the year and it is hoped that many students and members of the faculty will be on hand.

Mr. Conner, or "Sam" as he is known to all his friends, is a live wire. He has a most pleasing personality and possesses the knack of "putting over" what he has in mind. The life of a newspaper man is a strenuous one indeed and the picture is not always pleasant. For his theme he will among other things dwell on the moving picture industry as seen through a newspaperman's eyes. For days at a time Mr. Conner has been with the movie people now working in Maine and what he has to say on this line will be very interesting and well worth hearing.

The members of the Press Club extend to all students and members of the faculty a most cordial invitation to be present next Monday evening and hear what Mr. Conner has to offer.

The state series was officially opened on Garecion field last Saturday afternoon, when Bates and Colby engaged in one of the most torrid and exciting battles ever seen on a Maine gridiron. Although Colby outplayed Bates in the first quarter, the fighting Bates team came back as the game progressed and by a brilliant exhibition of grit and fight

WOODMAN STARRED IN COLBY GAME

succeeded in clearly outplaying its opponents and scoring with only two minutes to play.

Peterson opened the game by kicking off to Colby. Moynahan took the kick-off back to his 40 yard line. Colby made 4 yards, on line plunges, then Bergman threw Millett for a 7 yard loss. Millett punted to Moulton. Fellows and Kenney made 8 yards, then Davis punted to McBay on Colby's 45 yard line. An exchange of punts followed on which Bates lost ground as Davis was punting against a strong wind. It was Colby's ball at midfield. Millett made 10 yards, then 5 through the line. Tarry threw a pass to Werne for a 12 yard gain. Tarry made 6 yards on two plunges, then Millett tried a drop kick which failed—"Doc" Moulton grabbed the ball and was thrown on Bates 10 yard line. Davis punted to the 40 yard line, then Bergman threw McBay for a 12 yard loss on a bad pass from the center. Fellows intercepted a forward pass and made five yards, a bad pass from "Hap" Price to Kenney which Kenney fumbled. Let Colby recover, then the first period ended with the ball in Colby's possession on Bates 30 yard line.

Colby started a drive which finally ended in a touchdown when Millett went across from the 1 yard marker. Soule dropkicked for the additional point. The first half ended Colby 7, Bates 0.

Stern lectures from Coaches Cutts and Wiggin put so much fight into the boys, that when they came back for the second half, they clearly outplayed their opponents using the forward pass so that it seemed impossible for the team to be stopped; but right at the crucial moment a fumble would mar the way to a touchdown. Bates had been unable to gain through the line, then came "Er" Woodman. "Woodie" was all set to go and the way he twisted and squirmed through the Colby line was a revelation. Time after time he took the ball, and every time he took it meant a gain of 5 to 10 yards for Bates. With this inspiration, the team fought all the harder.

THE RIGHT KIND OF SPIRIT

The old Bates spirit is right on the job!

Never did Bates give more loyal support to a team than when our rooters went onto Garcelon field last Saturday. Never did a Bates cheering section stay by its team through thick and thin more consistently than in the thrills and worries of the contest with Colby.

Let's keep it up! Every one behind that team which goes to Orono tomorrow. Every Garnet supporter out for a victory over Bowdoin!

SAYS THE OLD BELL,—

I've done a sight of ringing up here in this cold, old tower of Hathorn. At one time or another, I've had to say about everything under the sun.

When I was bought, they had to promise a stingy, old farmer that everytime I rang I would say his name. So for the rest of his life, I had to say: "Jack Robinson, Jack Robinson."

When he passed on, I quit ringing his name. But I've been busy just the same. I've rung for breakfast and I've rung for supper. I've called you to your classes and I've let you out of class. I've rung for different kinds of things. I've tolled slow and sad for funerals, though not many, I'm glad. I've almost turned myself upside down to shout out a victory in baseball, track, debating, and all the rest.

But there's just one thing I haven't had a fair show at.

I WANT A CHANCE TO RING OUT A FOOTBALL CHAMPIONSHIP!

What do you say?

A COMPARISON

We admire the man who makes his way through college against overwhelming odds of poverty and hardship. We have men at Bates who are doing that very thing this year. There are students in other colleges and other lands who are making the same fight. We submit the following comparison:

- | | |
|---|--|
| 1. Bursar Rowe furnishes a cot, narrow though it may be, for every Bates student. | 1. Russian students have been found sleeping in cemeteries. |
| 2. We take for granted three meals a day at the college dining hall, not forgetting to complain once in a while. | 2. In the famine districts Russian students have been found feeding on leaves, clay, and bark. |
| 3. We generally think it is time to get a new suit, when we have to have a patch on the seat of our trousers. Most of us have at least one good suit, and a couple second best, besides sweaters, overcoats, etc. | 3. One refugee student came to the Relief Office in Prague wearing a suit of pajamas, all the clothing he owned. In other cases, two or three students are taking turns with a single set of clothing. |
| 4. We have to get up in time for our seven forty classes. We detest classes as late as three thirty in the afternoon. | 4. In some Russian universities, classes are being held at night so that students can work during the day. |
| 5. Sometimes two or three "chip in" together on a single text book. | 5. In a certain economics class at Petrograd 250 students possessed only one textbook. |

Some people will read this comparison and say "I'm glad I'm not a Russian." Others may think "I'd like to do something to help."

THE GRAND OLD MAN OF BATES

TO JONATHAN Y. STANTON

Truly to thee did lavish Nature give
A royal heritage! Each tremulous note
Poured from melodious wild-bird's tiny throat
Findeth thine ear attuned and sensitive.
Marvellous indeed to thee all forms that live,—
The fragile flower; the butterfly afloat
On gorgeous wings, the saffron, velvet coat
Of honey-bee, restless, inquisitive.
Master revered, upon whose locks have lain
For years the snows of Time, but in whose heart
There wells the fountain of eternal youth,
Thine influence serene is not in vain,
For we have learned thro' thee (O happy art!)
To see in all things goodness, beauty, truth.

Jennie Lawrence Pratt
Class of 1890, Bates.

This brief sketch of "Uncle Johnny" is an effort to make real to present day Bates men and women the man whose individuality pre-eminently impressed itself upon the life of the college. His portrait hangs in the Art Room in Coram Library. He looks out at you from the canvas just as he was in life, the snowy hair and beard framing a forehead smooth and unlined and eyes whose gaze is piercing but benignant and serene.

When Jonathan Y. Stanton first came to Bates, he was a young man. He at first had charge of the Mathematics, while his brother Levi taught the Classics. Presently Levi retired from teachings and Jonathan was transferred to the Classical Department. He taught Greek and Latin until 1898 and Greek until 1906. During most of these years every student at Bates recited to him while a Freshman, for both Greek and Latin were then required subjects. He had many pupils who entered poorly prepared, but he was wonderfully patient and forbearing with them, while holding them rigorously to the study of the principles of grammar and syntax and the faithful rendering of the passages assigned.

His classroom interests, however, ranged far afield from Greece and Rome. He realized that the Freshman boys, many of them from small country towns, needed to have their horizon widened and their mental store enriched. So he would talk to them of books and literature and of phases of history and biography, would give them practical advice about life problems, and expound to them his views regarding philosophy and religion. The students not only received stimulation of their intellectual life, but they also felt it an honor and a privilege to be taken into the confidence of their teacher.

Professor Stanton balanced his attention to the Classics by a whole-souled devotion to the life of woods and fields. Every Sunday, and often on week days, he went for long walks. His general interest in nature soon concentrated itself in a special study of birds. He became not only a famous collector but a loving student of birds in their native haunts, observing their habits and learning to know their songs. Always eager to share, he began to lecture upon Ornithology to his students and to take them with him upon daily excursions to the woods. To these early morning walks with "Uncle Johnny" many a Bates alumnus owes a lifelong delight in birds and the outdoor world.

He was the first librarian of the college, and an ardent lover and collector of books. He inaugurated many worthy customs, such as the annual Freshman ride early in the fall. He loved Bates devotedly, and refused offers to go elsewhere at greatly increased salary. But his deepest impression upon the students resulted from his personal relations with them. He was their friend and they knew it. His sympathy, his counsel, his pocketbook were always at their service. They were welcome at his home, where he conversed with them as equal with equals. The first thing that an alumnus did on returning after years of absence was to seek out the modest home on Main Street, and have a good long chat with this best loved teacher.

It added to the strength of his influence that he was full of those idiosyncrasies of character and oddities of manner that add piquancy to personality. He was vehement in all his feelings, liable to sudden outbursts of enthusiasm or indignation and outpourings of lavish generosity. In manner he was nervous and excitable, in speech abrupt and direct. He "spoke right out" what he felt, and abounded in picturesque turns of expression. He was intuitive in his judgments of men and things, quaint and naive in some of his theories, beautifully childlike in his simplicity, sincerity, and innocence. People might smile at some of his words and ways, but they loved "Uncle Johnny" and respected him profoundly. All honor to the true-hearted Christian gentleman who did so much toward making our Bates what she is!

(Written for Student by Professor George M. Chase)

SOCIETIES

SENIORITY

Seniority met in Rand Reception Room, Thursday evening, October twelfth, to discuss and vote upon the articles and by-laws of the new constitution. The constitution as presented by the committee elected at the last meeting was approved practically unchanged by the members.

The results of the election of new members at the special business meeting on Monday were announced as follows: Mildred Baker, Amy Blaisdell, Alice Coute, Alice Crossland, Elizabeth Files, Helen Hoyt, Allison Laing, Ruth Leader, Valerie McAllister, Mabel Simmons, Leona Sloan and Norine Whiting.

This makes a total membership of thirty from the senior class for the year. Five members from the class of 1924 will be elected this fall.

JORDAN SCIENTIFIC

The Jordan Scientific Club held its regular meeting on Wednesday evening in the Carnegie Science Building. After the reading of the secretary's report it was announced that on November 8th at Chase Hall an interesting moving picture would be shown entitled "The Humidifier in a Cotton Mill." This is a film of scientific interest and has been obtained thru the society from Parks Cramer and Company. The Club is indeed fortunate in securing this film. It was voted to extend an invitation to various mill employees to enjoy the showing of this film.

Paul Robinson, '23 was the lecturer of the evening taking as his subject, "Edible Fats and Oils." He gave an interesting account of the part played in our diet by various fats and oils, particularly cotton seed oil which enters into many kinds of cream cheeses, evaporated milk, butter substitutes etc.

Y. M. C. A.

At the Wednesday night meeting of the Y. M. C. A. President Clifton D. Gray gave a talk on why the college man should be especially anxious to make good. He now has so much at stake to lose; he has gone thru so many dangers and saved himself. It would now be a most serious tragedy to fall morally or otherwise.

Special music was furnished by Drew Gilman '25, Lester Diehl, '23 and Maxwell Merklejohn, '26.

STUDENT VOLUNTEERS

The Student Volunteers held an open meeting in Chase Hall last Thursday evening. The members wished to give students interested in foreign missionary service an opportunity to visit the band and to learn what the student missionary organization here means. Frank Dorr, Harris Leavitt and Helen Burton spoke telling what Student Volunteers has meant to them. Dr. G. H. Hamlin of India, a charter member of the first Student Volunteer Band at Bates was present. The meeting closed by singing the Volunteer Song.

MACFARLANE

Macfarlane Club welcomed its new members last Monday night in Libbey Forum during the second meeting of the year. The president Mr. Henry Rich, briefly outlined the years program and caused action on the new constitution. One thing unanimously agreed on by the members of the club was that a greater effort should be made on the campus to give Bates some new songs. After the business meeting a musical program was furnished in the sing around the piano in which all joined.

Y. W. C. A.

At the last Y. W. C. A. meeting Miss Elizabeth Powers was the speaker. She explained the Y. W. pledge and told why every college girl should become a member of this organization.

Miss Mary Worthley sang several selections.

THE CAMPUS

The leaves are falling
Soon the trees will naked be,
And soon their dark, bleak branches
On the snow will cast stiff, awkward shadows.
But you and I are glad!
We love the vast unbroken stretch
Of gleaming snow—
We love the brilliant glare
Of morning sun across it.
We love the trees,
Ensheathed in crystal casings!
Oh! We are glad!

CAMPUS NOTES

The Freshman were granted a day of grace last Saturday in regard to the wearing of their caps. Our Colby friends looked in vain for the freshmen "lids" and had to return to Waterville empty handed.

Speaking of freshmen caps do you remember the beauties some of our men picked up at Colby last year,—those bright red and green ones?

Nagakura and Al Dimlich spent the Chapel period last Saturday endeavoring to straighten out the Hathorn bell which got sadly out of sorts during its strenuous work calling the campus to the Friday night rally.

That was a good rally, too. One of the biggest crowds in the history of the college was on hand and put some real pep into the proceedings. "Red" is right there when it comes to instilling the Bates spirit. He can shake up a Bates crowd with the same zest that he shakes milk down at Fred's. Coach Cutts' words were received with much enthusiasm and as ever Dr. Finney brought a laugh with him.

Everyone was glad to hear from "Bill" Garcelon last Monday in Chapel. He referred to the article in the Student last week in which it was asked why the demand of the undergraduates to dance until 10.30 after the movies was unreasonable. Mr. Garcelon stated that rather than do this he would suggest the movies be cut half an hour. Not a bad suggestion at all and it is one that finds much favor on the campus.

We read in a recent copy of the Lewiston Journal that "the Bates college geology class under Dr. F. D. Tubbs, in their regular field trip Thursday afternoon near Riverside cemetery, discovered a striped snake that measured probably 15 inches. One of the young men attempted to catch its tail but it twisted the wrong way, he said, and eluded him.

Heard in "Monies" English class:
 Monie: When did Caesar come to England?
 Class: 55 B. C.
 Monie: Very well, and now Miss Powers when did he come again?
 Miss Powers: A hundred years later!
 Monie: My—quite a smart old gentleman, wasn't he, Miss Powers?

Dagnino—ex '25, a Bates letter man last year in football, and hockey, was on the campus over the week end.

Professor Carroll firmly believes in College athletics. He told one class last week that they were the ideal way of working off any surplus energy acquired during a week of class room activities. Before college athletics came into being students would every now and again break loose and mop up the town. The professor spoke especially of the wild times Brown University use to furnish the city of Providence in this direction. When the students came rushing into the city from the college campus the good citizens of Roger Williams' home town were forced to seek shelter and much damage was done. "College students have tamed down considerably since then," added the Professor.

The Rand Hall dance last Saturday evening was very popular although it was too bad that more of the fellows didn't turn out. Now that we have dancing on the Campus it should be supported by the undergraduates to the limit. All those who attended the dance had a most enjoyable evening and will surely be on the lookout for the next Rand Hall dance.

LEONARDI WINS TENNIS FINALS

(Continued from Page One)

yet has not been completed owing to injuries and inclement weather. The men who have reached the finals are Paul Gray, of Lewiston, and Arthur Leonardi, of Brookline, Mass. The playing of these finals has been of high calibre, and give promise to the tennis outlook. After 14 games of long rallies, most of the games, going to deuce, Gray took the set 8-6. Point-set seemed to mean nothing in the brand of tennis that the yearlings displayed. The record set was fully as hard fought as the first, and ended with Leonardi on top at 7-5. The third set was interrupted when Gray was forced to quit from cramps in the leg. It was almost two weeks before conditions warranted the match to continue. Wednesday afternoon the third set which was in Leonardi's favor at 3-2 was continued. They played till dark and the set was a tie at 8 all.

The two continued the battle, yesterday, after it had been mutually agreed to set aside the unfinished 8-8 third set, and accept the tournament standing as "one all."

Leonardi took the third set in decisive fashion, winning 6-2. In the fourth, Gray stiffened and won, 6-4.

The fifth and deciding set was a battle royal, but after the games had been deuced at five-all, Leonardi pulled thru a 7-5 winner.

Both men ought to make a strong bid for the varsity, next spring.

FROM THE FOOLISH DICTIONARY

Argument—Breaking and entering the car, assault and battery on the brain and disturbing the peace.

Athlete—A dignified bunch of muscles, unable to split wood or sift the ashes.

Automobile—From English, ought to, and Latin, move—to move. A vehicle which ought to move, but frequently can't.

Baby—A nocturnal animal to which every one in the sleeping-car is eager to give a wide berth.

Bandit—An out—law—See Alderman.

Blush—A temporary erythema and calorific effulgence of the physiognomy, neologized by the perceptiveness of the sensorium, in a predicament of inequilibrium, from a sense of shame, anger or other cause, eventuating in a paresis of the vaso-motorial, muscular filaments of the facial capillaries, whereby, being divested of their elasticity, they become suffused with a radiance emanating from an intimidated praecordia.

Manners—A difficult symphony in the key of B natural.

JUNIORS ON CLASS PICNIC

The Juniors enjoyed their class picnic over on the river bank a week ago yesterday afternoon. After raining a week the clouds broke away just in time for this annual affair. The committee in charge handled matters in great shape and everything went off tip-top—from the cider to the hot dogs. George Duncan took a couple flash light pictures of the crowd around the fire and demonstrated once more his photographic ability. A flaming piece of paper that flashed up and blew into the crowd just as the first picture was snapped would have furnished a much better "movie" than a "still." Nellie Bannister led the girls in songs and put some real pep into the musical end of the outing. The class was glad to have had as chaperones, Mr. and Mrs. Purinton, together with Dean Niles and Professor Baird.

SPORT NOTES

The football team showed the Bates fight Saturday—they will do the same to-morrow. Get behind the boys. If you can't be at the game, be ready to welcome in either defeat or victory.

A truly complimentary remark was made to the Bates team Saturday, when a Colby supporter said, "D— those Bates guys, they never know when they're licked."

The only time John Aspasian stood up during the game was on the kickoff. He crawled from one end of the field to the other on his hands and knees.

How many are going to Maine? If "Doc" Finnie is as clever on Sunday putting across his sermon as he is on Friday night at a football rally, he deserves a full church.

Kempton was exceedingly cool under fire when he threw the pass to Davis which resulted in the touchdown. The least slip would have meant failure, while "Dave" showed that nothing worries him when he grabbed that pass over his shoulder and kicked the goal afterward.

Safford, the freshman center, deserves a lot of credit for his perfect passing in his first big game. He had some job to fill "Haps" shoes as "Hap" was going like a house afire.

John Stanley, one of the most prominent of the freshman athletes had the misfortune to break his ankle during scrimmage, the day before the Colby game. He kept on playing for 15 minutes after he was hurt until the scrimmage was over before complaining of the injury.

Although he is out of football for the season lets hope he's on deck when the hockey season rolls around.

BATES TIES COLBY

(Continued from Page One)

When finally "Woodie" broke lease for 25 yards to the Colby 10 yard line, they could not be denied. Kempton was sent in at quarter, three plays failed to gain and with one possible chance left—Kempton threw a perfect forward to old reliable John Davis, who took the ball over for the touchdown, kicking the goal from placement afterward.

With only about another minute left to play, the spectators were treated to a wonderful display of the open game by both sides trying frantically to score. Neither were successful, and the game ended with the ball in Bates possession on Colby's 30 yard line.

"Ev" Woodman surely earned a place in the hall of fame for Bates by a wonderful exhibition of line plunging and broken field running. Seldom has a better exhibition been seen on the Bates gridiron, as he literally snatched victory from Colby.

Captain "Bill" Guiney showed that he is still the best tackle in the state, by garnering about 50 per cent of the tackles. There wasn't a single play that Bill wasn't in on.

John Davis, the iron man of Bates football, threw back the invaders time after time and made some wonderful catches of forward passes, the climax coming when he took the pass that meant victory from the hands of two Colby tacklers and fell over the line for the touchdown.

COLBY (7)		(7) BATES
Soule	LE	Bergman
Burchel	LT	Guiney
Brown	LG	Aspasian
Carnegie	C	Price
Goodrich	RG	Peterson
Monyhan	RT	Scott

"Y" BEGINS YEAR'S DEPUTATION WORK

Sends First Team to North Anson—Excellent Success Reported

The Y. M. C. A. opened the deputation season very successfully last Sunday with the sending of a team to North Anson. Three services were held during the day and a total of 350 people were addressed. The team consisted of Secretary Purinton, Ernest Robinson, '23, Theodore Pinekney '23, Lester Diehl '23, and Frank Dorr '25. The group left the college early Sunday morning traveling by auto to North Anson.

The first service was held at the Methodist church at 10.45 under the direction of Ernest Robinson. Theodore Pinekney preached an excellent sermon and was assisted by Mr. Purinton and Frank Dorr. Lester Diehl assisted with several selections on the cello. Following the service the team visited and addressed the Sunday school.

At 2 P. M. a service was held at the Emden schoolhouse. Mr. Purinton held the service assisted by Pinekney and Dorr. Diehl again rendered selections on the cello which were well received.

In the evening the final service was held at the Methodist Church. Frank Dorr opened the service with a short talk on "The Challenge to Christian Service." Rev. F. H. Hall of Portland as the principal speaker of the evening spoke on "Human Nature and the Minister." Diehl again contributed to the success of the meeting by selections on the cello.

Directly after the service the team returned to the college. Secretary Purinton may well feel pleased with the success of this, the first deputation of the year. It augurs well for future service of this kind.

SENIORS PUT ASIDE DIGNITY FOR A FEW HOURS

The Senior Class picnic, that had weather had put off for a week, was at last held on the river bank Tuesday afternoon and early evening. The sharp chill in the air made the warming fire feel all the more comfortable when it was finally started. Everyone's appetite had been whetted by the games played and how good those refreshments did taste only the Seniors can tell.

The Chaperones for the occasion were Mr. and Mrs. Karl Woodcock together with Dean Niles and Professor Baird. The cheers given them attested most emphatically to the warm spot they hold in '23's heart. Each and every one had a jolly good time spoiled not at all by the postponement from the week before.

The entertainment committee consisted of John Fogg, chairman; James B. Hamlin, Miss Helen Hoyt and Miss Alice Crossland.

YANKEE GIRLS LIKE YANKEE DEBATERS TOO MUCH FOR MR. MAJORIBANKS

Edward Majoribanks, heir to Lord Tweedmouth and an Oxford debater who was on our campus three weeks ago sailed for home the other day on the Cunard liner Berengaria. Before leaving he had this interesting comment to make, "It is impossible to remain. Your girls are too pretty. I saw many of them and I may say they were so pretty that it was impossible to pick out one to fall in love with. Fearing I would fall in love with a lot of them and remain here indefinitely, I am going back to my studies." It will be recalled by many us that while here at Bates this future English Lord and his friend Hollis appreciated to the full the company of certain of our co-eds. And who can blame them.

An Orphan

"Say waiter is this an incubator chicken? It tastes it."
"I don't know sir."
"It must be. Any chicken that has had a mother could never get as tough as this one is."
