Tuition Raise Fought
Wellesley Goes Co-ed

THOMAS MUSGRAVE
LYLE Spencer and Robert Burns of the University of Washington are about to start on a debating trip that will take them completely around the world.

THE Beacon at Rhode Island State carries an ad now "Support the Commons" and mentions the fact that that eating place is ruled by the Institution Management Class.

DEAN Homer Aibens, of B. U. Law, like his contemporary, A. Lawrence Lowell, opposes the Child Labor Amendment to the Constitution.

THE famous Mayo brothers have given a fortune to medical science because they believe that riches in the private hands often spell ruin for coming generations.

DOLFUSS, the pocket-size dictator of Austria, who has enlisted the sympathy of England, France, and Italy against Germany's threats, tells Hitler that the Austrians are better Germans than the Germans themselves.

SIXTY years after his death, a new heretofore unprinted Dickens' work, "The Life of Our Lord", will be published next month in serial form under the grant of the London Daily Mail.

NOT enough was it for Harvard, the richest college in the land, to defraud the scrub women in its dormitories, through a collusion between itself and the State Minimum Wage Commission.

A BILL before the legislature proposes to raise the tuition at Mass State \$50 per year. The Associate Alumni, comparable to our Alumni Council, have taken a stand against it.

The ratio is 1500 to one yet Wellesley College, the internationally known women's school, has gone co-ed!

Bates Wins Over Mt. Holyoke In League Debates

Decision Is Unanimous Here, 2-1 Vote At South Hadley
Bates debating teams were again victorious when Robert Fitterman, Witness, and William Greenwood, Smith, defeated Miss Frances Whitecomb, Lawyer, from Mount Holyoke with a unanimous decision on campus last Friday night.

Lillian Bean Manager
Judge Fred Lancaster presided at the debate here, and Mr. Ralph D. Childs and Mr. David Berman judged with the audience.

Bates Leads League
So far in the League Bates has won four debates, and has received eleven judges' decisions.

Norman DeMarco And His Bobcats Play In Portland

College Orchestra To Appear At Ricker Gardens Tonight
Norman DeMarco and his Bobcats, Maine's outstanding college orchestra, has been selected to play in Ricker Gardens, Portland, for the annual Washington Birthday eve midnight dance.

Portland Pastor Is Speaker For Vesper Service
Rev. John Schroeder To Discuss "Task Of Religion"
Speaking on the "Task of Religion," Rev. John Schroeder, pastor of the State Street Congregational Church in Portland, will bring a worthwhile message to the Bates campus at a Vesper Service in the Chapel on Sunday afternoon at 4:30.

George Washington, 1732-1799

This was the man God gave us when the hour Proclaimed the dawn of Liberty begun; Who dared a deed, and died when it was done, Patient in triumph, temperate in power— Not striving like the Corsican to tower To heaven, nor like the great Philip's greater son To win the world and weep for worlds unwon, Or lose the star to revel in the flower. The lives that serve the eternal verities Alone do mould mankind, Pleasure and pride Sparkle awhile and perish, as the spray Smoking across the crests of the cavernous seas Is impotent to hasten or delay The everlasting surges of the tide. John Hall Ingham

Annual Elections To Campus Offices In Gym, March 19

The annual all-college elections will again be held this year on Monday, March 19, under the supervision of the Student Council and the Student Government. This will be the third year that the new election system will be used.

DEBATERS RETURN FROM VICTORIOUS COAST TO COAST CANADIAN TOUR

Murray, Seamon Win 11 Out of 12 Encounters
Speak Before Average Audiences Of Five Hundred People

10,000 MILE TRIP LASTS SIX WEEKS
Bates Seniors Toboggan In Quebec And Pick Roses In Victoria

By ALBERT OLIVER
Frank and Ted are back! Eleven victories out of twelve encounters. Ten thousand miles from the Atlantic to the Pacific and return. Average audiences of five hundred people. 1096 out of 1602 Quebec votes. Tobogganning in Quebec. Picking roses in Victoria. These are but a few of the highlights of the recent debating tour in Canada—a tour which once again placed little Bates College before the eyes of the world.

Through the able debating of Frank Murray and Theodore Seamon, Bates maintained its standard as the leading debating college in the world.

Funds From Federal Government Make Possible Over Sixty Jobs on Campus For Bates Students

Work To Be Divided Between Men And Women In Proportion To Enrollment Of Each—Pay Ranges From \$10 To \$20 Per Month

Approximately 65 part time campus jobs will soon be made available to Bates students through funds received from the Federal Emergency Relief Administration, according to announcement made yesterday afternoon by President Gray.

A committee composed of Norman E. Ross, bursar, Dean Hazel M. Clark, and Pres. Gray have been working on this project for over a week and definite announcement will be made in the near future.

Harry L. Hopkins, Federal Emergency Relief Administrator, in specifying the ones to receive this aid, announces that only those students will be considered whose financial status is such as to make impossible their attendance at college without this aid.

The students must be of good character and judged by the usual methods of determining ability employed by the college, and shall possess such ability as to give assurance that they will do high grade academic work.

Richard Stetson Winner Of Peace Speaking Contest

Richard Stetson will represent Bates in the State Peace Oratorical Contest to be held in the Little Theater Monday evening at eight o'clock.

Trials to select the Bates representative were held yesterday afternoon, and the men competing were Gordon Jones, Owen Dodson, Bond Perry, and Ray Stetson.

Judges for the trials were Profs. Brooks Quimby, Grosvenor Robinson, and Paul Whitbeck.

Loading a pipe, son, is like building a fire

"NOW if you want to build a fire you've got to have the right kind of chimney, and you've got to have the right kind of wood, seasoned right and packed right in the fireplace. If you've got all this, it's easy to light up.

"It's pretty near the same way in smoking a pipe. Now if you've got Granger Tobacco—the right kind of pipe tobacco—any old pipe will do.

"And if you put in a pinch at a time and pack it down good and tight—the way to load a pipe—all you need to do is strike a match.

"Granger smokes sweet and cool right down to the bottom of the bowl.

"That's pipe comfort, I tell you."

Granger Rough Cut

Murray And Seamon Return From Canada

Continued from Page 1

of the National Federation of Canadian University Students, was well planned in every detail. The audiences were very responsive and even polite enough to laugh at Seamon's jokes. Some of the debates were held in hotels, others in churches, city halls, and college auditoriums.

Bates was selected from all the American colleges in this tour which aimed at better international relations. In keeping with this idea, the boys gave talks before various service clubs. Frank talked about the phases of international debating. The Canadians could not quite see through our system of non-decision debates. They thought that the idea was all right, but the inevitable question was, "Well, how can you tell who wins?" Mr. Seamon's contribution to the cause of internationalism was a discussion of the NRA. From all reports it seems that the tour was successful in regard to its aim in that Canada certainly gained a better impression of the affairs and the thinking in the United States.

The Bates team was asked to be prepared to debate on eight questions. However, before the men left for the trip, they learned that they would have to discuss only three different topics. These were Resolved: That this house deprecates the rise of Fascism; That the spirit of economic nationalism is the curse of the age. Six times the debates were on economic nationalism, and five times on Fascism. Incidentally, in the discussion on Fascism, the Bates men pronounced the word "rise" as if it were "rice". For a time this mystified their Canadian opponents who thought that Frank and Ted were trying to drag in a talk on some breakfast food.

In six of the debates there was an audience decision. The greatest margin of victory came at Mount Allison where the vote was 110 to 3

JOY DOW REPORTS ON JUNIOR BLAZERS

Members of the class of 1935 at a meeting in the Little Theater Monday noon voted to have dark blue or white blazers, and also elected a committee to nominate class officers.

Joy Dow, as representative of the blazer committee, reported to the class the results of the investigation that has been going on for about a year now in regard to blazers for the class. As a result of the meeting Monday, the men will have blue blazers with gold seals, while the women will have a choice of having either blue or white coats. Joy Dow is also a member of the nominating committee. Other members are Betty Durell, Catherine Condon, Carroll Freeman, William Scolnik, and Dorrance Coleman.

The five members of the committee will select nominees for the class officers, while the three men will likewise select nominees for the senior representatives on the student council.

in favor of Bates. At Guelph there was a favorable vote of 600 to 390. Five of the encounters were won by a unanimous decision of the three judges. The only defeat came at Calgary, Alberta, where the Bates men lost 2 to 1 to a graduate team composed of members from the Young Man's Conservative Club and from The Knights Of Columbus Debating Club. This group has not lost a home debate for several years; so the natives were not surprised to see Bates defeated in spite of her splendid record.

On Saturday morning, Mr. Seamon will speak in chapel. At that time he may reveal why he was anxious to spend forty dollars to go to Halifax. Or perhaps he may mention the religious service which he and Frank conducted one Sunday evening. Mr. Murray will tell more details about the trip on Monday morning in chapel.

Negative Teams Score Victories In Prize Debates

Crockett And Curtin Receive Awards As Best Speakers

Edward Curtin '36 and John Crockett '36 are each ten dollars richer as the result of their participation in the Sophomore Prize Debates held in the Little Theatre on Monday, February 19. In each debate the Negative team was victorious. It is interesting to note that neither Mr. Curtin nor Mr. Crockett has had much debating experience before. Although Mr. Curtin was the best speaker last year in the Freshman Prize Debates, he never did any debating in high school. In fact, there was no debating activity at his home school in Medford, Mass.

The first debate, introduced by Verdelie Clark, the president of the Sophomore Class, was on the subject Resolved: That inter-collegiate basketball should be adopted at Bates College. For the affirmative were Damon Stetson, Leonore Murphy, and Edward Curtin. Their opponents were David Whitehouse, Dorothy Martin, and Irving Isaacson. Besides the audience vote, the judges were Prof. A. P. Bertocci and Dr. W. H. Sawyer.

In the second debate, Paul Tubbs and Roger Fredland opposed John Crockett and Alonzo Conant on the question Resolved: That fraternities and sororities are desirable in the small American colleges. Prof. R. G. Berkelman and Prof. Paul Whitbeck were judges with the audience and the decision went to the negative upheld by Mr. Crockett and Mr. Conant.

By DOROTHY KIMBALL

Representatives from three colleges, Colby, University of Maine, and University of New Hampshire, joined with Bates delegates in the annual College Play Day, last Saturday. For the first time in four years this Play Day was held on the Bates campus.

Crescentia Zahn, as general chairman of the affair, presented an inclusive program for the day. In the morning after registration, the delegates adjourned to St. Dominic's Rink, where the rest of the forenoon was spent in skating. Four teams, each composed of girls from all of the colleges, engaged in skating contests, including hockey games and various relays. After lunch was served in the Locker Building at noon, open house was held at Thornecrag featured by a program of winter sports. Finally the day was brought to a successful close by a formal banquet held in Rind Hall for the members of the W. A. A. board and their guests from the other colleges. At this banquet, which was cleverly planned and arranged by Virginia McNally, toasts were given by representatives from each college.

The main purpose of the College Play Day was to do away with inter-collegiate competition and to create a spirit of cooperation between the colleges, and this was accomplished

by mutual discussions and team play.

The other committee chairman who helped to make the Play Day such a success were: Hospitality—Ruth Frye; Luncheon—Dorothy Wheeler; Banquet—Virginia McNally; Saturday Morning—Verna Brackett; Saturday Afternoon—Ruth Johnson; Entertainment—Betty Wilson.

W. A. A. Games

W. A. A. competition in both basketball and winter sports started last week. Games in all three classes have been played in basketball and on Friday the big Garnet-Black game will be held, deciding the victorious team in the sport.

The following girls made the class teams:

- JUNIORS:**
Garnets: Hughes c. Rich s. c. Frye r. f. Murray l. f. Gallinari l. g. Williams r. g.
SOPHOMORES:
Garnets: Dodge c. Geer s. c. Doolittle l. g. Wight l. g. Worthley l. f. Miller r. f.
FRESHMEN:
Garnets: Wade c. Walker s. c. Andrews r. g. Thomas r. f. Corson l. g. Worthley l. f.

Bates Delegates To Go To Model Conference

Charles Whipple, '34, recently appointed by the Politics Club to the executive committee of the New England Model League of Nations, attended the annual meeting of that board at the Phillips Brown House at Harvard College on Feb. 3.

Whipple reports that the annual Model League will be held at Harvard, March 8, 9, and 10. Bates will have a member on five committees: League Revision Mandate, Economic Co-ordination Intellectual Co-operation, and Humanitarianism. Bates is especially honored in being able to have one of the 15 seats in the Commission to study the German Refugee Question.

The Bates delegation has not been completed as yet, but it is expected that six members of the Politics Club will represent the college at the largest student meeting of the college year.

I am not much of a historian.—James J. Walker.

PRIZE DEBATE FOR FRESHMEN, FRIDAY

Shall the United States adopt the essential features of the British system of broadcasting is the question for the first Freshman Prize Debate held at the Little Theatre on Friday, February 23. This debate, beginning at seven o'clock, will bring James Grossbard, Ruth Merrill, and Ruth Robinson against William Metz, Jean Lowry, and Arnold Kenneth. The president of the class, Charles Markell, will preside at this debate and at the one following. Since these are decision debates, the audience will have one vote. The other votes will be cast by Prof. Myhrman and Dr. Hovey whom James O'Brien, the manager of the freshman debates, has selected.

Immediately after this debate, there will be a discussion on the topic Resolved: That the Oxford system of education should be adopted in the United States. Margaret McKusick and Lawrence Floyd are on the affirmative with Ernest Robinson and Harriett Durkin as their opponents. The two judges for this debate are Dr. Whitehouse and Dr. Hovey whom James O'Brien, the manager of the freshman debates, has selected. In these debates, as in the Sophomore Prize Debates, there is a prize of five dollars to each member of the winning team. In addition to this, the best speaker receives a prize of ten dollars.

NO LOOSE ENDS

Round

*the tobacco
does not spill out*

Firm

*Fully
packed*

Every Lucky Strike is made from the finest tobacco and only the center leaves. Not the top leaves—because those are under-developed—not ripe. They would give a harsh smoke. Not the bottom leaves—because those are inferior in quality. They grow close to the ground, and are tough, coarse and always sandy. The center leaves are the mildest leaves, for which farmers are paid higher prices. Only these center leaves are used in making Luckies the fully packed cigarette—so round, so firm—free from loose ends. That's why Luckies draw easily, burn evenly. And remember—"It's toasted"—for throat protection—for finer taste.

MOREYMEN STRESS PUNTING IN WINTER GRID PRACTICE

Bucky Gore, Spectacular Freshman Athlete, Out For Backfield Berth — Ends To Report Next Week

Sports Comments

By NATE MILBURY

Last Wednesday's game that landed most of the Bates team in the infirmary, spelled the close of another exciting state hockey series. Now that it is all over we attempt the hopeless job of making another all-state selection. Although we realize that this formality has little meaning except to provide an item of controversy for the team members, we will take a chance and here goes:

- Goal—Heldman (BA)
- Left Wing—Secor (BA)
- Center—Mills (BO)
- Right Wing—Ross (CO)
- Left Defense—Hucke (CO)
- Right Defense—Rancourt (CO)

Don't think that we have attempted to pick this team alone. We have consulted several who have been considered impartial observers of the series. It is true that Heldman was scored upon more than some goalies in the state but we still feel that he is worthy of the bid as he has also made more stops. Ninety per cent of the tallies which can be marked against him were close up shots that were beyond his power to control. We feel that our line is a fast skating, aggressive group of good stick handlers. Secor could have just as easily been chosen either center or left wing. Mills was the outstanding play maker of the series while Ross has been named by many as the outstanding forward seen in the state in years.

Picking a defense combination is also much a matter of personal choice as there are lots of good men in the state such as Soba, Daken, Brodgen or McKenny. Next week we plan another all-team that will be picked by a referee who has been handling series games for the past ten years. His team will include the best players he has seen in state college circles during that period.

May there be a bouquet presented to Arn Adams' Week before last he set Boeton Garden temporarily mad as he led the field to the tape to garner the Fishman trophy. Last Saturday night he led an even greater field to the tape to win the Buermyer 500 in 58.8 seconds. This is just .8 of a second from the standing world's record in this distance. At this rate something should crack before the winter season is over. We will bet our money that it will be a world's record.

The first news of the annual Bates interscholastic basketball tourney came this week when Mr. Cuts mailed out announcements for entries. The committee on selection is going to have a real job on their hands when the time comes to select eight teams to participate in the annual games. At the present time there are at least twelve schools whose records would ordinarily qualify them for competition. Six of these come from Portland and vicinity while the rest are scattered over the state. The games should be of more than usual interest this year.

As you have probably heard, Ray Thompson came very near a serious accident last Friday afternoon when he was grazed by a thirty-five pound hammer. Only his presence of mind saved him from more than the scalp wound and leg bruise that he did suffer. Every year someone has been accidentally hit by weight implements and only good fortune has prevented a serious catastrophe. It is nothing to fool about. Something should be done to alleviate the crowded program of events that necessitates the use of the cage by more than one group at a time.

Plans are underway for another informal swimming meet to be held a week from Saturday. Entry lists will be posted soon and everyone is urged to sign up. This meet will be held only for the fun to be had in it and nobody has to be a second Weismuller to participate. A similar meet was held last winter and a lot of fun was had by everybody. Don't be backward about entering!

Freshmen To Meet Strong Worcester Academy Trackmen

Visiting Team Was Second In Schoolboy B. A. A. Games

An undefeated freshman track team will meet a powerful Worcester Academy team here on Saturday afternoon. Since the visiting team placed second in the schoolboy division of the B. A. A. Games last week, they will bring a group of high class performers who will offer the freshmen the strongest competition they will meet this year.

Bernstein, B. A. A. schoolboy champ, will meet Bucky Gore, Bernie Marcus and Wight in the forty yard dash.

Art Danielson, a promising freshman middle distance man who has performed well this season, will have his hands full when he meets Al Bates, of the visitors, in the 600 yard run. The first year men represented by Norm Kemp and Bud Rowe.

The 1000 yard run should be a thriller with Bucky Gore, present holder of the freshman record in this event, meeting his former team mates, Connors and Withers, in the 1000 yard run. It is also possible that Danielson will also run in this event for the freshmen.

Swartz, another schoolboy champ, will lead the Worcester entries in the high jump against Sass, the freshman leading jumper. Swartz will also compete in the shot put along with Lucko against Tony Kishon, former Worcester boy who is the holder of the present college record and all-American schoolboy choice in this event. Kishon and Wight will be the freshmen's best bids in the hurdlings races.

SCHOOL HOOP GAMES COME MARCH 9-10

First word of the annual Bates interscholastic basketball tourney came last week when Director Cuts mailed out invitations to high schools in this section of the state to enter their teams. Eight teams will be selected from those who have signified a desire to participate and the play-offs will be held on March 9-10.

The letter sent out to the high schools contained much detailed information on all points that might be in doubt. It is interesting to note that this year, as last, the net proceeds will be split between the college and the competing teams with the winner getting a twenty-five per cent cut and the other twenty-five being split among the other teams according to the number of rounds they last.

Pale Blue Winter Sportsmen Defeat Bates For Title

Win By 42-24 Score—Paige Takes Three First Places

The Bates Winter Sports team was defeated by a score of 42 to 24 last Saturday as Maine's well balanced snowmen's outfit won the state championship for another year. It was in the morning events that Bates lost out as the Pale Blue swept all four places in the two mile snowshoe and five mile ski events. But in the afternoon the Garnet forces led by Charlie Paige, with three firsts, changed the rout into an interesting meet.

The slalom was an especially interesting event with Paige winning out by one-fifth of a second over Doe of Maine. Horace Turner of Bates took a third in this event. In the downhill ski-race Paige collected another five points, for the Garnet. In the ski-jump Bates swept all three places with Paige taking his third first, Oliver a close second, and Morin, a freshman, third.

Summary:
Snowshoe dash—Won by Hardison (Maine); second, Parson, (Maine); third, Aldrich, (Maine); fourth, S. Parson, (Maine). Time, 13 seconds.

Two mile snowshoe—Won by Prince, (Maine); second, Ohler, (Maine); third, Drake, (Maine); fourth, Cox, (Maine). Time, 16 minutes 50-2-5 seconds.

Five mile ski cross country—Won by Aldrich, (Maine); second, Doe, (Maine); third, Bauer, (Maine); fourth, Candors, (Maine). Time: 43 minutes, 25 seconds.

Slalom—Won by Paige, (Bates); second, Doe, (Maine); third, Turner, (Bates); fourth, Hendrickson, (Maine).

Arnold Adams '33 Continues To Win Track Victories

Arnold Adams, Bates '33, grabbed another sensational victory when he captured the classic Buermyer 500 yard run, in the N. Y. A. C. meet. He turned in a one yard victory over Milton Sandler in the exceptionally fast time of 58.8 seconds. Ivan Fuqua was only a step behind in third place.

A wild burst of speed that carried him from fourth to first place in the second lap earned "Arnie" his win. Pocketed and lost in the shuffle of the start he slugged thru to a triumph by the only means possible.

Adams snapped the worsted a stride ahead of Sandler of the German-American A. C., twice a winner in this event, in the brilliant time of 0:58.8, one of the fastest ever recorded for the test.

(Maine). Time: 34 seconds.

Down hill ski race—Won by Paige, (Bates); second, Candors and Doe, (Maine); fourth, Bauer, (Maine). Time, 15 1-5 seconds.

Ski jump—Won by Paige, (Bates) 69.6 points, distance 49 feet; second, Oliver, (Bates), 68.3 points; third, Morin, (Bates), 66.3 points; fourth, Bauer, (Maine), 62.2 points.

FROSH HOCKEYMEN BEAT JAYVEES 3-1

The freshman hockey team turned back the Junior Varsity Friday afternoon by the score of 3-1. In the first period the Junior Varsity made several onslaughts that seemed destined to score, but the freshman goalie, Cooley, turned them away.

The Jayvees kept the puck in freshman territory for the bigger part of the game but were unable to run up any score. Pond was the man who finally pushed in the lone counter. Chesley accounted for two of the freshman scores on assists by Dinsmore. Haskell came up from his defense position to shoot the third goal for his team.

The Junior Varsity forward line of Aldrich, Curtin, and Pond worked well in puncturing their opponent's territory, but seemed unable to capitalize on the opportunities that were offered.

Each year Turkey and Greece ship us thousands of bales of fine tobaccos—

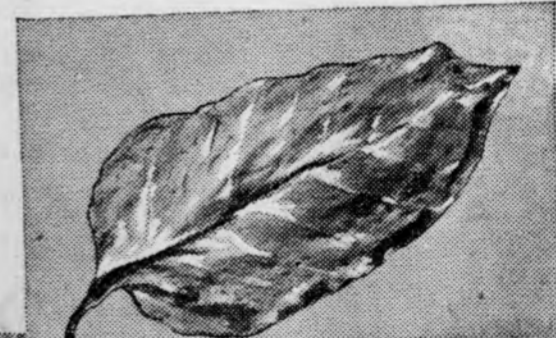

But why send 4,000 miles for tobacco?

... because spicy, aromatic Turkish is the best seasoning there is for a cigarette.

It adds something to flavor and aroma that no other tobacco can give. Chesterfield

uses Turkish tobacco—from Samsoun, Smyrna, Cavalla and Xanthi.

Then it blends and cross-blends them with various kinds of choice home-grown tobaccos in the right balance to give you a cigarette that's milder, a cigarette that tastes better.

A leaf of Turkish tobacco—smaller than the palm of your hand—800 or more to the pound. There are many thousands of these leaves in each of these bales below, ready for shipment to America.

Chesterfield

A BALANCED BLEND OF FINEST AROMATIC TURKISH AND DOMESTIC TOBACCOS.
