Coeducation Applied Psychology England Deals With Jobless Rev. Elliot Speer "Fortune" Facts Navy Cheers

Time magazine tells us that some three-fourths of the 350,000 U. S. college women attend co-educational institutions. There, some maintain, they gain poise and maturity in a normal environment. Others contend that they are distracted and dominated by men and miss the stimulus to leadership and vigorous intellectual life.

John Gatelee, president of the Mass. Federation of Labor, is skilled in applied psychology. Fearing the possibility of violence in the recent textile strike, he issued the following statement: "The workers of Mass. are too intelligent to be swayed by these Communists."

Another phase of England's experiment in dealing with the jobless went into operation in September. 700,000 boys and girls from 14 to 16 years of age are now eligible for its employment payments. Previously it was given only to those from 16 upward, leaving a large number of young people unprovided for on leaving school until the 16 age was reached.

There are two jagged holes in a window of the study of Mount Hermon's late headmaster, Rev. Elliott Speer, 35. Through these passed the bullets that struck Headmaster Speer in the arm and breast and caused his death. Thus ended the career of the energetic and capable Princetonian who in eight years greatly liberalized the Northfield schools and successfully carried a \$3,000,000 fund-raising campaign to completion despite the depression. Elliott Speer had lost little of his early youth religion but had become well adapted to the men of his generation. As yet, no trace of the weapon used, the motive, or the killer has been discovered.

These are facts from "Fortune." An inhabitant of the U. S. is murdered every forty-five minutes. Last year the U. S. homicide rate was 10.7 per 100,000, highest in the civilized world. England's is 0.5. The nation's crime bill is estimated at \$13,000,000,000 a year. Some 140,000 Americans are in prison, some 400,000 regularly engaged in criminal activities.

During last summer 400 Annapolis midshipmen on a cruise made a visit to the Vatican. Pope Pius II made a little speech and conferred his blessing on all. Then Midshipman "Hank" Muller of Leonia, N. J. jumped before the throne, waved his arms and cried: "All-right, boys let's have four N's, one Nay-vee and three Holy Fathers. Make it hot!" While the Pope stared, there arose a mighty yell:

Marked rises in enrollment are reported by nearly all the nation's colleges. The average has reached nearly 10% over last year. Western colleges showed the greatest increases with University of South Dakota, taking first place by an 80% jump. University of California registered 11,738 against 8,869 last year.

Some of this increase is attributed to the stimulus of government aid through PERA. Many were prompted by lack of anything else to do. West-erners had the aid of higher earnings. Whatever the reasons, colleges are surely on the way to the greatest enrollment of all time.

PRICE, 10 CENTS

Debaters Have Extensive Plans for Approaching Season

Perry and Jones in Radio Debate; International Debate With Oxford

At least one coast-to-coast radio debate, a prospective international contest, and a pending tour to Florida are listed in an ambitious program as Bates Varsity debaters have undertaken in several years. In addition to these special features, the schedule included the regular Eastern Intercollegiate League debates and several contests of minor importance with other New England colleges.

The radio debate, in which Bates will meet Northeastern University for the mythical championship of United States, will be broadcast over a national hook-up arranged by the National Broadcasting Company. This will be the second time in as many years that Bates has been selected to represent the East against the West for the national forensics honor. Last year the stellar team of Frank Murray, '34 and Theodore Seaman, '34 met the University of Iowa for similar honors.

The international debate with Oxford, the tour to Florida, and the Eastern Intercollegiate debates complete the major dates of the forensics slate.

The debate with Oxford University and the tour to Florida are not yet definitely settled. The clash with Oxford, which would be the third meeting of the two institutions, would occur in Lewiston sometime this semester, while the Florida trip would take place during the winter months of the debating season.

Although somewhat overshadowed by these national and intercollegiate contests, the Eastern Intercollegiate debates, which will open the latter part of November, assume prime importance as an objective of the year's activities. The loss of Murray and Seaman will be greatly felt and retention of the championship, which Bates has won four times in five years, has been a member of the staff.

In preparation for these major debates, the Bates teams will clash with teams from Vermont, Middlebury, and Bowdoin in exhibition debates. The first of these debates will be held when the Vermont men come here to Lewiston October 19 to meet a Bates team on the national high school question. This debate will be conducted in the Bates gymnasium.

With this busy schedule confronting him, Prof. Brooks Quimby, debating mentor, on Monday and Tuesday of this week held tryouts for his varsity teams. On Friday of this week, candidates for the Freshman squad will be given a chance to prove their worth. The policy in regards to Freshman will be a bit different this year from past years. Instead of working directly for varsity competition, the first-year debaters will compete for positions on a Freshman squad from which they will be promoted if they show ability to do varsity work.

THORNCRAG SCENE OF OUTING CLUB FROSH PARTY

Eighty members of the Freshmen class ushered in the full program to be sponsored by the Bates Outing Club when they hiked to Thorncrag Cabin last Sunday afternoon. Members of the Junior Body and Directors acted as guides for the Freshmen. At the cabin refreshments were served. Fred Smyth '35 took moving pictures of the group when they had assembled on the plateau.

FRENCH GOVT CONFERS HONOR ON PRESIDENT GRAY

College French Department Receives Foreign Recognition

International recognition was given to Bates College a few weeks ago when President Clifton D. Gray received official notice of his appointment as member of the Knighthood of the Legion of Honor of France. This decoration, officially sanctioned by the President of France, is presented to the President of France twice a year to a selected group.

OUTING CLUB PLANS SEVERAL MOUNTAIN CLIMBS THIS FALL

Girls Will Hike Up Mt. Washington On Sunday

The open-house party at Thorncrag for the Freshmen last Sunday put into action the full program of the Bates Outing Club this fall. At a meeting of the Board of Directors, held several days before the opening of school, five trips were definitely planned, and others will be announced from time to time.

LOSS OF HAROLD GORDON '37 DEEPLY FELT ON CAMPUS

Paralysis Claims Victims From Class of '36

Mingled with the prevalent happy feeling of reunion of college friends, there is felt on the eve of the departure of Harold Gordon '37, a sense of sorrow caused by the loss from our circle of three well liked and active men.

TRANSFER STUDENT FROM GERMANY IS ENTERED AT BATES

Fraulein Kerckhoff In First Visit To America

Once again the Bates campus is graced with the presence of a transfer student from Germany. This year she is Fraulein Hildegard Kerckhoff from Berlin who has just made her first trip to the United States. From what little she has seen of it, she is sure she is going to enjoy every moment of her year of study here she told the "Student."

Activity Marks Freshman Week As Ninth Annual Program Is Carried Out

Frosh Entertained by Many Campus Groups; Coaches and Leaders Explain Organizations

FIGHTING BOBCCATS TO FACE HARVARD SATURDAY

Rally Thursday For Harvard Game

A giant torch-light parade and rally will be held on the eve of the departure of the Fighting Bobcats for the Harvard game.

The parade will then proceed down Campus Avenue and up Bardwell Street where it will be further enlarged by the male members of the second largest Freshman class to ever enter Bates.

Coach Morey Has Strong Eleven For Second Bates Game

Green Material In Harvard Team This Year

Coach Dave Morey will once again lead his scrappy Bates warriors into the hunting grounds of Old John Harvard this Saturday at Cambridge. The Bates team, which gained nationwide recognition after its scoreless tie with Yale at the Yale Bowl two years ago, is viewed with not a little uneasiness by Harvard fans.

The veteran line is great defensively, while offensively it packs plenty of drive. Bill Stone, 250 pound tackle from Marblehead, Mass., a last year all-state man, will turn in as great a game as will be seen in the stadium this year at right tackle. Wes Stoddard, the 175 pound product of Abington High, is being developed remarkably at the other tackle. Fuller at right guard, Lindholm at center, and Taylor at left guard are three players who are all that can be desired, clever, powerful, and great competitors.

STUDENT STAFF MEETS TODAY

There will be a meeting of the STUDENT Staff in Room 1, Hathorn Hall this afternoon at one o'clock. Freshmen and upperclassmen who are not already on the Staff, but who would like to become members are asked to be present at this meeting. There will be an opportunity to try out for the various departments.

Physical Instructor To Wed Chem. Assistant

Judging from the number of marriages which took place this summer among former Bates eds and co-eds, Cupid must have been working overtime. The Alumni Office has received announcements of the following: John Curtis, '33 and Evelyn Rolfe, '33; Clinton Osborne, '33 and Catherine Nichols, '30; Elizabeth Taylor, '32 and Herbert Hoyt, '31; Howard Millett, '34 and Margaret Hulbert, '36; Howard Paige, '32 and Geraldine Maloon, '32; Herbert Towne, '30 and Gwendolyn Spear, '34; Ernest Holt '31 and Jean Scott (former college nurse); Ona Leadbetter, '30 and Loring Blanchard, '30; Dorothy Diggers, '33 and Law-

Registration Stays High

A total of 953 students have registered at Bates for the new term which opened Tuesday, and this list, as announced Monday, assures a larger student body than any year ago. A few more students are en route to register this week, while the list does not include special students. Last year there were 833 students listed in the Bates catalog.

Out of the total registration, 212 students are members of the entering class. Thirty-three freshmen who are residents of Lewiston and Auburn and there are 97 members of the class who live in Maine.

The geographical division for other states includes 66 freshmen from Massachusetts, 14 from Connecticut, 15 from New Hampshire, three from Rhode Island, one from New York, five from Pennsylvania, one each from Indiana, New Jersey, Virginia, and North Carolina.

Billegarde Kerkhof of Berlin, Germany, has the record of being the Bates freshman who traveled the longest distance to come to college. She is an exchange student.

There are 35 women in the entering class as compared to 126 men.

The freshmen class is as follows: Aldrich, Ralph Hughes, Norway; Aldrich, Robert Brundage, Belmont, Mass.; Alexander, Charles Robert, Augusta, Me.; Williams, Nelson, Mass.; Amrein, Harold, Newark, Conn.; Ault, Jane Bowen, Auburn, Me.; Frederik, Clinton, Auburn, Me.; Mary Madeline, Bar Harbor; Bartlett, Charles Willis, Lewiston; Bartlett, Jonathan, Norway; Bennett, Margaret, Portland; Berkeley, Edmund, Amesbury, Mass.; Bertrand, Aloysius, Leominster, Mass.; Beveridge, Ed., Leominster, Mass.; Bicknell, E. S., Bicknell, Mass.; Bicknell, Eugene, Auburn; Borne, Hazel May, Quincy, Mass.; Bowditch, Ruth, Alton, Mass.; Boyle, John Allen, Dover, N. Large Number of Freshmen Turnout For Fall Sports

Material Looks Promising—Coaches Expect Good Season

BOBKITTENS OUT

An enthusiastic, more than average sized squad met Coach Buck Spinks in their first workout Monday afternoon. The afternoon's work consisted of limbering up exercises and acting in a dummy scrimmage with the varsity.

The schedule contains two games—one with Kent's Hill and the other with M. C. I. The purpose of freshman football lies not in playing many football games but getting the principles of blocking and tackling and absorbing as much of Coach Morey's style as possible during their workouts with the varsity.

While nothing is known of any individual player as yet, nevertheless the squad shapes up as a willing and aggressive one and with Coach Spink's training should be of great help to the varsity in the next three years.

FRESHMAN CROSS-COUNTRY

A larger squad than usual answered Coach Thompson's call for freshman cross-country, numbering in all about 25. Although nothing is known concerning the members of this squad as yet, it seems that a strong team will represent Bates against high and prep school opponents.

The first meet is scheduled to take place October 10, when the Frosh will face Bridgton Academy. The rest of the schedule, at the present time, is incomplete, but Coach Thompson plans to have about one race a week for five weeks. The team will meet opponents such as Mechanic Falls, Hebron, Farmington and Lisbon Falls.

The annual Sportland Tour was held Thursday afternoon, September 27. The Freshmen were divided into three groups and were taken on a tour of inspection to the following places: Tennis Town, Archery Heights, Hockey Haven, Riders' Ridge, and ended up at the Woman's Lock Building which was Skit Center. After a clever skit had been presented, refreshments were served. Members of the upper classes demonstrated the various sports. Ethel Oliver, '35 was in charge.

cord, Mass.; Howard, Edward Henry, Medford, Me.; Hoyt, Walter Kemick, Belmont, Me.; Hurlay, Anna May, Lewiston; Hutchison, Allen Chaffin Jr., East Orange, N. H.; Kenney, John Andrew, Jr., Montclair, N. J.; Kerkhof, Billegarde, Berlin, Germany; Kerr, Hortense Ulman, Swamp-

CLASS OF '34

The graduates of the class of '34 seem to be doing very well as far as we have been able to learn. Of course, it is rather early to know where everyone is and what he is doing but the following students have been located with some degree of authenticity.

- Continuing in their studies are James Balano, Harvard Business; Bernard Drew, Boston University; Clyde Holbrook, Rochester-Colgate Theological; Julius Lombardi and Donald Smith, University of Chicago; Helen Goodwin, Newton Theological; Eileen Soper, Columbia; Almus Thorp and Charles Whipple, Cambridge Theological; Marion Estella, Marshfield, Mass.; Whitaker, Arlene Ruth, Conway, N. H.; Whitcomb, Willard Hall, Somerville, Mass.; White, John Wellman, Auburn; White, Marjorie Gladys, Lewiston; Williams, Gordon Lewis, Framingham, Mass.; Wilson, Valentine Haining, Southbridge, Mass.; Windsor, George Henry, Greenboro, N. C.; Wing, Glorious Elise, North Anson; Wauk, Edward Joseph, New Britain, Conn.; Wolfe, Jane Miller, Milford, Mass.; Wood, Helen Estelle, Lowell, Mass.; Worden, Annie Mae, New Gloucester; Wright, Louise Stratton, Auburn; Wright, Margott Webb, Newton, Mass.

Morey To Speak At Boston Men's Club

Coach David Morey will be the principal speaker at a dinner of the Boston Bates Men's Club, to be held at the University Club on Friday evening, October 5th, the night before the Harvard game. Frank Bridges, '21, president of the Club, will preside. It is hoped that Sylvester Carter, '34 will sing at the gathering. The Boston Alumni are to have a special section at the game on Saturday.

Others who are employed are Wendell May, Lewiston bank; Isidore

SPORTS COMMENTS

By BOB SAUNDERS

The sun looks a little brighter as we once again pick up the pen and look over Bates athletics. A powerful and snappy eleven looms as a real threat to take another state series. Tony Kishon, the sensational freshman weightman of last year, came back ten pounds heavier and showing considerable improvement in the events in which he set Bates records last year. Tony has been consistently getting the sixteen pound hammer out beyond 170 feet (Don Favor won the nationals at Milwaukee with less than 171), the discus beyond 150 and the shot over 47. With Archie Peabody nearing the 150 mark, with Bob Amicetti in the hammer, and Larry Johnson having a mark of 184 feet, about 5 feet short of the world's record, Bates will have a quartet of hammer throwers second to none in the country.

Football spectators can be assured that the new Bates uniforms are absolutely the flashiest ever sported by any eleven, any time in Maine. The Harvard suits we understand are considerably brighter this year with white facings. B. U., by the way, is planning on scarlet jerseys and gold pants, the Bates combination, which is apt to complicate matters a bit when the charges of Pat Hanley invade Garcelon Field.

FIFTEEN MEN REPORT TO COACH FOR CROSS-COUNTRY PRACTICE

More Expected To Join Within Few Days — Small Group of Last Year's Runners Available To Try New Course

Lou Meagher, pole vaulting ace who was the center of the MITFA row last spring, came back to find another stellar vaulter in our midst, Charles Cook, 190 pound football and track star from Worcester Academy and Dartmouth entered as a freshman. He has a vault of 12 ft. 5 in. to his credit, and next year he and Meagher should outsoar any vaulters among Bates competitors.

The only Bates casualty of the opening game was Charlie Pendleton who started at right end in the absence of Verdelle Clark. Charlie was taken out in the last period with a broken nose and most likely will not see action at Cambridge.

The cross-country course has been changed from five to four miles. The new course will eliminate the famous Pole Hill, the Nemesis of many a cross-country aspirant in former years.

We deeply regret the passing away of Harry Gordon, a victim of meningitis. The rugged 170 pound Lynn athlete played guard on last year's yearling football team and goalie on the freshman hockey team. Harry was also a tennis manager and the willingness with which he gave his services to Bates athletics would have made him a

Fifteen aspirants reported to Coach Ray Thompson last week for the first cross country practice. At least five more are scheduled to report this week. The shortening of the course from five to four miles and the eliminating of that old landmark, Pole Hill, from the course has caused many favorable comments by members of

valuable man in any school. Jack Crockett, promising quarter-miler, also suffered an attack of infantile paralysis but is recovering. His loss to the mile relay team this year will be sorely felt. His tremendously long stride and exceptional endurance promised to make him an outstanding runner.

The U. of Maine lost a heartbreaker to Rhode Island last Saturday. Four threats were repulsed. Evidently MacBride's absence was felt. Gadwinski scored twice and Rancourt once as Colby downed a strong Coast Guard team, 19-13. The idle Bowdoin team invaded Garcelon field to see the Bobcats in action.

BATES DEFEATS ARNOLD 13-6 TO OPEN SEASON

First Time in Four Years Arnold Has Scored on Bates - Wellman Collects All Bates' Points on Wet Field

From all indications, Bates should have a fairly successful season. Only Captain Robert Butler, Steve Semetaukis and Sumner Raymond have been lost via the graduation route. Captain Carl Drake, Ed Winston, and Ted Hammond are the only available veterans. Day Stetson, another veteran, is scheduled to report this week. Don Malloy, brilliant distance runner, has failed to return to school. Paul Tubbs, who was ill last fall, looms up as the best individual man. Tubbs will be extremely hard to beat over the four mile course.

The loss of Jack Crockett '36 due to illness, is a damaging blow. Jack is confined to his home on Main Street with infantile paralysis. He was regarded as one of the most promising men on the squad. Bob Saunders, star miler, is another aspirant. If four miles is not long for him, Saunders should be up with the leaders. From the yearling squad of last year Art Danielson seems to be the best bet.

Complete list of candidates to date: Captain Carl Drake, Ed Winston, Ted Hammond, Frank Pendleton, Bob Saunders, Paul Tubbs, Art Danielson, Damon Stetson, Pete Duncan, Tracy Chandler, Howie Norman, Norm Kemp, Bob Rowe, George Chamberlin, and Warren Crockwell.

Bates opened its 1934 football campaign last Saturday at Garcelon field, by downing Arnold College, 13-6, on a wet, muddy field. It was the first time in four years that the New Haven gymnasts have penetrated the Bates goal-line. In the second quarter Driend tossed a 30 yard pass to Lockery, Arnold right end, who sprinted 35 yards more unmolested for the Arnold score.

All the Bates points were scored by Ted Wellman, hard-running back who swept around right end for 15 yards and 11 yards for two touchdowns and converted the extra point after the second touchdown by again turning the right end.

In the opening period Bates drove 54 yards through the Arnold team for their first touchdown. Taking the ball

on his own 44 yard line McCluskey picked up five yards and in two drives Wellman made it first down on the Arnold 45 yard line. After McCluskey had picked up three more Paige went off-tackle for 14 yards through to the 29 yard line. Arnold bucked up; McCluskey was stopped, Paige was two around left end and Wellman was stopped. Then Wellman smashed through guard for the third first down on the 15 yard line and on the next play swept around right end to score standing up. Stone's kick was blocked. The Driend-Lockery pass came in the second quarter to tie the score. A pass to Lockery for the extra point failed.

In the third quarter Mendall recovered a fumbled Arnold lateral on their 22 yard line. Wellman picked up a yard and Paige pounded off left tackle for 5 more. Then Paige made it first down on the 11 yard line and Wellman again turned right end to score. He made the extra point by stepping around right end unmolested. The two tackles, Stone and Stoddard, Mendall at left end, were outstanding. Among the backs Wellman's running and tackling stood out while Paige also did some fine playing.

Harry Keller, 145 pound sprinter, showed great promise although he had difficulty handling the ball and had his speed handicapped on the wet field.

We Make Our Own Ice Cream
63 COURT STREET AUBURN

They are made that way
**Chesterfields are milder
Chesterfields taste better**

Ripe home-grown tobaccos

We begin with the right kinds of mild ripe Domestic tobaccos. Then we age and mellow them like rare wines for flavor and taste.

Aromatic Turkish tobaccos

Next we add just the right kinds and the right amounts of Turkish tobaccos to give Chesterfield the "seasoning" that helps to make them taste better.

Blended and cross-blended

Finally we "weld" these tobaccos together the Chesterfield way—different from any other—to make Chesterfield a milder better-tasting cigarette.

On the air — **It takes good things to make good things ... there is no substitute for mild ripe tobacco**
