# First Play Satirizes Communist Problems

John Tierney '42 and Michael Toulountzis '44, two of the stars in the Robinson Players production of the current season, "Squaring the Circle".

Since a consideration of Russia to-day ordinarily neglects its cultural aspects, it is interesting to think that the farce-comedy which the Robinson Players will produce on Nov. 7 and 8, a Russian author has written play as popular in his country as "The Irish Rose" or "Tobacco Road" in America. Beginning with its premiere in 1928, "Squaring the Circle" has consistently a "sell out" for more than eight years in the principal Russian cities and was subsequently translated for production in Paris, Vienna, Prague, and Rome. In New York it achieved great popularity as "the laugh of the season" several years ago and has continued to be known prominently as a ludicrous play. There is another vein, however, under the obvious hilarity of the piece in the nature of an interesting satire on some of the problems of Communistic Russia.

Valentine Kataev, the author, served in the Russian revolution and, following the establishment of the Communist regime, became associated with the administration of the Five Year Plan. In this position he could observe intimately some of the shortcomings of the system, such as marriage, divorce, and housing. He does not hesitate to criticize them in this play.

"Squaring the Circle" comes to American audiences through the standard English version of Charles Malamuth and Eugene Lyons, who met the author in Russia. Mr. Malamuth was an instructor of Russian at the University of California and has translated the works of many Soviet writers. Mr. Lyons traveled in Russia for six years as an American news correspondent.

# Landmarks Tricky, Co-Ed Aviatrix Finds On Flight

By Catherine Winne '41

The average theatre audience knows little of the preparation that goes on behind scenes to make the completed production a success. So it is with flying. We often see transports roaring overhead but know little about them! The Flight Training Course, which is supervised from start to finish to give students an accurate knowledge of aeronautics. A brief discussion of the instruments and what they might be of interest to everyone.

The chief instructor at Dingley Field, Auburn, is the amiable Frank Kling who has gained the admiration and respect of all his students. After being graduated from Hebbron Academy, Frank went west to the well known Parks Air College in St. Louis. There he distinguished himself as an intelligent and efficient pilot. His ratings are numerous and apply to various types of aircraft. Last summer, students around Moosehead lake had the pleasure of watching him sailing about the sky in a seaplane in the capacity of a commercial pilot. One of the most exciting incidents during the summer was a mercy trip he made from Lewiston from Moosehead. The flight all the way was 200 feet which meant he had to fly just above the trees in order to see. Generally one flies between 1000 and 2000 feet! Frank landed safely on Lake Auburn and the student was rushed from there to the Mt. hospital. With over 2000 hours of flying to his credit and 19 years of experience, Frank is unexcelled as an instructor.

Frank is Theory.

The other instructor is Ken Wakefield, also very popular with all his students. Ken was graduated from Harvard Little High School and has been flying nearly five years. He has given passengers to the Isle of Shoals and has also entered several air shows. Present he is on his way from Ohio to Auburn. If he has fair weather, he means to make the trip in ten hours.

This course consists of ground school and actual flying. Ground school deals with such subjects as navigation, meteorology, rules and regulations, air-craft, and engines and the theory of flight. Classes are held three nights a week and 72 hours are required to complete the course.

The two new planes are 900-pound aerobics, commonly called "air-knocks" with 65 horse power engines. The seats are arranged in tandem fashion with the rear seat six inches higher than the front to give the student better visibility. In these Aerobics there are no radio sets, but just the regulation instruments, the compass, altimeter, oil pressure and oil temperature gauges, the tachometer which gives the rpm of the propeller, the air speed indicator and the heat carburetor, which prevents the formation of ice on the motor in cold weather.

**Finds Flying Interesting**

The actual flying is the more enjoyable part of the training course to most people. Thirty-five hours of flying are necessary to fulfill the requirements. However, 15 more are given if the former number is not sufficient for some students. Take-offs, landings and stalls are practiced early in the course. Later on, tailspins and shallow and steepights are added to the list. Spot landings and simulated forced landings come next. One of the severest tests of a strong constitution comes in the making of wingovers, chandelles, and 720's. A chandelle is a coordination exercise which includes a dive, climb and turn. The 720 is made by banking the plane with wings perpendicular to the ground and making at least two complete rotations, not gaining or losing more than 200 feet. Toward the end of the course, a cross-country flight is scheduled, covering a distance of at least 50 miles, stopping twice on the way.

Since I have been asked to relate a personal experience, I make mention of my first flight. It was more of a pleasure ride than instruction. After climbing to an altitude of 2000 feet, Frank headed the ship toward Mt. Washington. On our way, he pointed out various landmarks, especially lakes, highways and railroads. From the air one cannot help realizing that Frank headed the ship toward Mt. Washington. On our way, he pointed out various landmarks, especially lakes, highways and railroads. From the air one cannot help realizing that Frank headed the ship toward Mt. Washington. On our way, he pointed out various landmarks, especially lakes, highways and railroads. From the air one cannot help realizing that Frank headed the ship toward Mt. Washington.

## Expect 350 Alumni For Back-To-Bates

### Lecture Series Opens Season Next Sunday

**Dr. Tozier To Show Technicolor Film Of "Story Of Creation"**

Dr. Charles H. Tozier will be the first guest lecturer of the fifth annual Concert and Lecture Series which begins Sunday at 8 p. m. in the Chapel according to an announcement by Prof. August Buschmann, director of the series.

His program will be illustrated by motion pictures in technicolor "The Story of Creation." Dr. Tozier holds a doctorate in medicine and dentistry besides being an expert in micro-photography.

In conjunction with his work for the Carnegie Corporation, Dr. Tozier did some research work in Guatemala during the past summer.

Perhaps the outstanding lecturer of the entire series has been obtained for January. Prof. Buschmann announced Monday that Dr. Will Durant, author of "The Story of Philosophy" and "The Life of Greece", will be at Bates to present a lecture on "Does Man Progress?"

Dr. Durant is generally regarded as America's greatest philosopher and historian. "His lectures deal with the basic issues of the day, seen in the illuminating perspective of philosophy." The 90 minute talk he is to give here has been widely heralded as one of the finest addresses now available in America.

The author is now at work on a monumental series of books dealing with "The History of Civilization", the first of these works being "The Life of Greece". His "Story of Philosophy" ran to a sale of three million copies.

### Warns Students To Consult Cut Book

Mr. Harry W. Rowe, assistant to the President, expressed the desire yesterday that students be reminded of one point in his recent Chapel speech on curriculum changes, which might have been partially overlooked.

This is that beginning this semester there will be no warnings of overcuts sent from the registrar's office, or from Mr. Rowe's office. Students may see the cut book any week day in the registrar's office from 1 to 4 p. m., and check on number of cuts in any course. Students are advised to make regular trips to the cut book so that no mistaken overcuts will remain.

### Quimby To Speak At Back-To-Bates Rally

Clarence Quimby '10, headmaster of Cushing Academy, will be the principal speaker at the rally, Friday night, which will open Back-to-Bates week end. Other speakers will be John Haskell '41, president of the Student Council, and Captain Michael Buccigross '41, and Coach Wendell Mansfield.

Friday night will also be National Bates Night. Bates Alumni organizations all over the country will be having meetings and at 8:15 p. m., they will all sing the "Bobcat". The same will be done at the rally. This National Bates Night is an example of the unity of spirit that has been, and will continue to be, one of the college's most cherished traditions.

The Back-to-Bates rally, in anticipation of the Bates vs. Bowdoin game, will also afford many pleasant surprises to the audience. There is to be a baritone solo by a noted Russian artist of world-wide opera fame. There are also rumors about campus that the rally will be honored by the presence of "hot apples". Members of the committee wish to keep secret a certain item on the program.

Many will be interested and pleased to know that refreshments will be served at the rally. The rally in the Alumni Gymnasium will be preceded by a parade starting at 7:15 p. m.

Mr. Quimby is the brother of Prof. Brooks Quimby of the faculty and the father of Paul Quimby '42.

### Lettermen's Club Plans Back-To-Bates Dance

Bringing the Alumnae Back-to-Bates week end to a climactic close, the Varsity Club under the leadership of Pres. Michael Buccigross '41, will hold its annual informal dance Saturday, Nov. 2, in the Alumni Gymnasium. The Bobcats will lend the musical note to the affair.

As it is an annual Back-to-Bates affair, the dance gives the friends and the parents of the undergraduates an opportunity to become acquainted with some of the traditions and students of Bates. It really serves to give them a view of the social life that an undergraduate leads at Bates.

This occasion also serves its purpose in giving the alumnae an opportunity to become acquainted with some of their former classmates and professors and to reminisce about their college days. Once more they can dance to the rhythmical music of the college orchestra, the Bobcats.

Each year this occasion has been met with a popular reaction on the part of the student body, their friends, and the alumnae. It has always served as a suitable climax for the Back-to-Bates festivities.

Warren Brackeen '41, secretary of the Varsity Club, has announced that refreshments will be served at the intermission of the dance. The names of those who are to serve as chaperones will be announced during the week.

### Alumni Get-Together Features Grid Movies

Movies of Saturday's grid battle between the Bobcat and the Black Bear of the University of Maine will be shown at the Alumni get-together at Chase Hall Friday evening at 9:15 o'clock, according to Mr. John Curtis.

This get-together, designed as a new feature of this year's Back-to-Bates Week End program, was scheduled by the National Bates Night Committee. All alumni, faculty and friends are invited to the affair.

Other attractions have been arranged, including the showing of other campus moving pictures, some in color; dancing, bowling, billiards, pool, ping-pong, and refreshments.

The establishment of this get-together this fall resulted from the desire of the National Bates Night committee to have some function for the alumni in particular. The alumni formerly sponsored Back-to-Bates night rallies, but those are now under the direction of the Student Council.

Mr. Elmer Campbell '27 is chairman of the National Bates Night committee.

### Alumni, Friends May Inspect New Dormitory

One of the features of the "Back to Bates" week end will be the holding of open house at the new dormitory on Saturday. The dormitory will be opened for inspection directly after the Bates-Bowdoin football game. Prospective visitors are reminded that the arrangement of rooms is identical in each of the three sections.

### WHERE BEAR AND BOBCAT CLASH

Gamecelon Field during last year's Back-to-Bates game against Maine, and scene of Saturday's clash with Bowdoin.

### Garnet Nips Black Bear In Last Period Drive

For the second year in succession the Bates Bobcats started their State Series campaign by clawing a favored Maine eleven in the closing minutes of the final quarter. Last year a pass interception and the ensuing run by Bud Malone gave the Garnet a 6-0 triumph, while this year a 79 yard sustained drive featured by a couple of Bellevue to Gorman passes, and climaxed by a two yard smash by Bellevue and Buccigross' successful conversion, served to send the Bears down to a 7-6 defeat.

Although the Bobcats threatened from the opening minutes of the game and gained nearly 300 yards, it was not until late in the last stanza that the Garnet could cross the last white stripe.

The game, witnessed by 4500 shivering spectators, started with the Pale Blue kicking to Bates. One play after the kick-off Bates was threatening to score, when Johnson threw a sleeper pass to Bellevue who was stopped after romping to the Maine 30. The Bobcats banged out another first down, but Maine braced and took the ball on their own 15.

Members of the varsity squad are: 1941, Elizabeth Swann, Harriet Waite, and David Jennings; 1942, Priscilla Bowles, Honorine Hadley, Jane Woodbury, Charles Buck, Arthur Cole, Patrick Harrington, Thomas Howarth, David Kahn, Sumner Levin, Robert McKinney, David Nichols, Paul Quimby, Myra Hoyt; 1943, Valerie Salving, Henry Corey, Malcolm Daggett, Waldemar Flint, Freeman Rawson, Arnold Stinchfield, John Thurlow, and Alexander Williams; 1944, Robert MacFarlane, Vincent McKusick, and Edward Dunn.

Named to the freshman squad are: Charles Panagopoulos, Edward Dunn, Elizabeth Cort, Florence Skinner, Mildred Cram, Robert MacFarlane, Vincent McKusick, Norman Temple, Donald Day, Arnold Stephens, Charlotte Stachelek, Despina Doukas, Suzanne Maurand, Barbara Jones, and Madeline Butler.

(Continued on page three)

### Prof. Quimby Names Twin Debating Squads

Prof. Brooks Quimby, director of debating, announces that 20 men and seven women will comprise the varsity debating squad for the semester as a result of final trials held last evening before a faculty committee. At the same time a freshman squad of 15 is announced.

### Alumni Groups Dine At Chase Saturday

Joint luncheons sponsored by the College Club and the Bates Key will be held in Chase Hall Saturday from twelve to one o'clock. All alumni, parents and their guests are invited to attend. It is expected that President and Mrs. Kenneth C. M. Sills of Bowdoin will be present.

Luncheon for women guests of the Bates Key will be on the second floor of Chase Hall, and for the men guests of the College Club on the main floor.

Chairman of the Bates Key luncheon is Harriet Ramsdell '16, and fulfilling the same function on the College Club luncheon, is Mr. Lawrence Kimball '22.

### Dwight DeWitt '41 Heads Politics Club

Plans for a presidential straw vote were advanced in last night's special Politics Club meeting in Libbey Forum, and John Lloyd '42 and Sumner Levin '42 were appointed a committee to make arrangements.

Dwight DeWitt '41, economics major, was elected president of the club, following last week's resignation of Morgan Porteous '41. The special meeting, before the election of the new president, was presided over by Betty May Scranton '41.

### Prospective Flight Students To Meet

Anyone who is at all interested in taking the CAA primary flight training course during the second semester is requested to see Mr. Powell in the Public Relations Office before the end of the week. Applicants by no means will be asked to commit themselves in any way beyond the statement that they are interested.

### Bowdoin Game, Rally, Tea Will Be Chief Events

Beginning with what is expected to be a hotly contested freshman grid-iron clash against Huntington School Friday afternoon at 2:30, the annual Back-to-Bates Week End gets under way with an expected attendance of 350 alumni and friends. The season's unusually tight State Series championship race provides the main highlight and attraction of the week end in the fight between the Bobcat and the Polar Bear of Bowdoin on Gamecelon Field, Saturday afternoon.

The kick-off for the game will be at 1:30 p. m. exactly. Local radio station WCOU begins broadcast of the game over the ether at this time, with announcers John Libby and Larry Durgin doing the talking.

A monster National Bates Night rally lights the fuse for the festivities Friday night in the Alumni Gymnasium at 8 o'clock, when Clarence Quimby '10, headmaster of Cushing Academy, will be the principal guest speaker. A Chase Hall get-together is scheduled for alumni and alumnae at 9:15 p. m.

A special Chapel service, including an as yet unannounced guest speaker, starts off Saturday's program. A section will be reserved for guests. Parents, grads and guests are invited to attend any and all classes Saturday morning.

The College Club and Bates Key have scheduled their annual luncheons for twelve to one o'clock in Chase Hall before the game.

All visitors to campus Saturday will have the chance to inspect the completed new men's dormitory on Bardwell street. At 3:45 p. m. the door will open to all guests, when rooms and appointments can be inspected.

Climax of a busy and exciting week end will be the Alumni Dance in the Alumni Gymnasium Saturday evening. The Bobcats, very popular campus dance band, will start the first dance at 7:30.

### Co-Ed Groups Plan Mother's Weekend

Invitations have been sent out to the mothers of the members of the Junior and Freshman classes to attend the traditional Mother's Week end, the 16th and 17th of November. Working together the Women's Student Government, The Women's Athletic Association, and The Bates Christian Association have planned the following program.

Saturday: Sports Review, Rand Field; Dance Club Recital, Women's Locker Building; Tea, Women's Union; Informal Dinner in Honor of Mothers, Fiske Hall; Step Singing, Hathorn Hall; One-Act Play, "The Duchess Says Her Prayers", Play Production Class. Little Theatre; Dance and Open House, Chase Hall. Sunday: Breakfast, Fiske Hall, and Service in Bates Chapel, Dr. Rayborn L. Zerby.

The various committees for the Week end include: General Chairmen, Jean Kenesten '42 and Elisabeth Stafford '42; Sub-committees: Invitations, Helene Woodward '41, Honorine Hadley '42, and Frances Rolfe '43; Accommodations, Mildred Brown '41 and Gladys Bickmore '42; Step-singing, Marilyn Miller '41; Chapel Service, Jane Woodbury '42 and Barbara Johnson '43; Dance and Open House, Virginia Yoemans '41; Sports Review, Dorothy Tuttle '42; Virginia Gentner '43 and Margie Burt '43; Dance Club Recital, Ruth Ulrich and Helen Ulrich '43; Informal Dinner, Betty Swann '41, Dorothy Matthews '42 and Ruth Jache '43; One Act Play, Kitty Winne '41 and Annabel Cofran '43; and Tea, Elaine Humphrey '42 and Muriel Lanckton '43.

## Alumni, Your College Is Up And Coming

The history of the rise of public education in this country indicates the average American's high regard for the necessity of a free, intelligent citizenship. Unfortunately, in the heat of the present world crisis, when representative government is having a difficult test everywhere, many are considering the abridgement of this free citizenship here.

It was in this midst of this situation that Bates hit a new high in representative government on the campus community. On the initiative of the Student Council and its faculty advisers, a group of campus citizens was formed as an investigative committee. They were to attack campus problems which for lack of adequately co-ordinated discussion had been hanging in the air for some time. This group was to be representative of all arms of the community—faculty, administration, and students.

For the good of the College, and that means those in it, all parts of campus could here be heard, their problems discussed, and most important, action was likely to follow.

The recent action taken by the faculty on remedying certain bad conditions relative to hour exams was the first outward result of the Student-Administration Conference Committee's existence. This was a problem which had troubled all concerned for a long time.

It may well be, that through such manifestations of democratic idealism as this, that the American educational institution will prove the backbone of a surviving American democracy.

Bates is right on top, and still going up in this respect.

This week end the spotlight is on you, Alumni. And to you we extend a most cordial greeting. We want to meet and know you. And we want you to know, by means of the foregoing, that you have reason to be proud of Bates, in the more serious business of coping with a none too friendly world. Tell others about it. As to the immediate pleasures of the week end, you'll see tangible evidence of an up and coming College at the game, and at the New Dormitory you'll inspect after the game.

The first event of Back-to-Bates will be the rally Friday night. We'll see you there.

## Social Symphonies

Whatta game! I'm simply frozen, were among the many remarks made by the delegation of eds and coeds who made merry to and from and while at the game in Orono. Weekend parties included a trip to Bar Harbor by Stu-G Prexie Gail, Proctors rete and Helene of Rand Hotel, and Betty Swan. Jeanie Blancard N'41 played hostess to Becky McFinnie, Watsie Bullard, and Gladly Ford. Al Turner, cheerleader par excellence, spent the week end at Maine.

Taking advantage of the extra holiday were Lee Santilli who flew and I do mean flew to Boston, Jamie Hathaway at the "House of Hathaway" and Minor Bianco way up to Winter Harbor.

Visitors on our fair campus included Chollie Dorloff's sister, Miriam, Dotty Frost's sister, Norma, Kathie Brown and friend, Dot Tuttle entertained a visitor from New Hampshire...Three farmettes from Chase, Betty Kinney, Nancy Gould, and Betty Bias had a marvelous time at Maine over the week end...Parky went to Boston...

Coed dining was the styie Sunday with tables in Fiske and Commons... Freshman sisters, Alice Spooner, Lee Wright, Sherry Hanbury, Carolyn Parkhurst, and Páyl Chase were entertained in grand style at the DeWitt by Parky, Dotty Fenner, and Dotty Mausby...Frye Street's cabin party Monday night was a huge success, games by Hathaway and Avery II. We must not forget that Sears Roebuck boy, Ed Witty, who was seen on campus "seeing Annie"...Seen at game Ray Gove, Wally Irish, Eddie Edwards, and Barb Rowel among others...Framme Gidden dashed up to campus to see the game only to find it was at Orono...seen on campus also Roger, Nick the Louse, Nichols...

...but next week end is the big week end and everybody will be looking forward to seeing everybody else.

## CLUB NOTES

Ramsdell Scientific Society is planning an initiation for the new members to be held next Tuesday evening.

The Christian Service Club held a short business meeting last Monday evening

La Petite Academie enjoyed a cabin party at Thorncrag last Thursday evening. Supper was supervised by Edith Hunt, Ann Schmoyer, Barbara Sullivan, and Ruth Goss, all seniors, while Marilyn Miller, coed song leader, had charge of entertainment.

Deutscher Verein initiated its new members at a Thorncrag cabin party last night. New members are: Nancy Field, Nancy Hutchinson John Dalkus, Thomas O'Shaughnessy, Edward Rafferty, Anna Schmoyer, Theresa Begin, Helen Martin, Dorothea Ross, Daniel Dustin, George Kirwin, James Scharfenberg, Harriet Gray, Ruth Jache, Arnold Barenburg and Minert Thompson.

## CHAPEL QUOTE

"We are making an effort to banish fear... We are burning the lamp of idealism brighter than ever before... We find happiness in work, turning worry into work." — Prof. Samuel Harms.

## Do We Need A Statesman ?

Last week we called attention to the great need of statesmanship in the man we elect as President of the United States. We pointed out that in our opinion Mr. Willkie hadn't as yet convinced the mass of people that he was a statesman as well as a business man. Some took issue with us and maintained that a man of good executive ability with a knowledge of business methods, and a knowledge of law, could make a good President.

May we strongly reaffirm our opinion that here and now America needs statesmanship in its President. Yes, more than it needs business ability. Our government in its ideal form is more than a business. It is an agreed upon method of protecting and fostering its people's liberty. And to do this its chief executive must have foremost in his mind and foremost in his actions and decisions that the government's policy is for the people.

Has either major candidate for President exhibited that he will certainly live up to these undeniably necessary needs? This is for you to decide. Then VOTE!

## Campus Camera . . . By Lea

## Small Town Paper Reporter Reveals Thrill Of Last Scoop

By Bobby Trumbull '44

(Continued from last week) People have asked me the question, "Didn't you ever get bored writing about the same events each week? I never did. The reason is a deep, dark secret—I never have ceased to be thrilled at seeing what I write appear in print, with the knowledge that thousands of people may read it. Even after a year of newspaper writing, and the attempt on my part to be as biased as possible, the thrill of the thing carried me through.

Another big thrill I received a few times was having the reporters, grown-up men, on neighboring newspapers, who had been professional writers for years, copy my stories and put them in the evening editions of their own sheets. The day I saw one of my "scoops" almost word for word on the front page of a newspaper printed in a nearby town, with "Norwich Bulletin" in small capitals at the top, I carried a swelled head for a week.

By far the most interesting and entertaining part of my work, to me, was the aspect of a morning Bulletin devoid of any Stonington news. One gets rather a sinking feeling as 6:15 in the afternoon approaches, and no news in sight. There is the place for any creative ability one may harbor. To sit down at a typewriter and drum out an imaginary story to hand into an English professor is one thing, but to write an imaginative story to hand into an editor is another. The most severe test of your ability in this line comes when the papers are delivered, and your fiction is read by hundreds of people, with none of them noticing anything wrong.

## Interviews Many Prominent People

I interviewed poor Portuguese people, hardly able to speak English, whose children or parents had just been killed by an automobile; I interviewed politicians who were trying to make the political grade in Connecticut, and who did everything but give me cigars to try to inveigle me into giving them favorable publicity. I talked with a boy, a Stonington resident, up for murder in a nearby city; I interviewed a sea captain, who used to own twenty old whaling vessels; I interviewed a man working on the secret designs for a new type of government boat; I talked with noted artists, such as Guy and Rene du Bois; I interviewed the Governor of the state, and other officials. The list is almost endless.

Perhaps some fifteen years from now when I am editing news for a New York daily, I will smile more or less sympathetically when I think of myself fifteen years ago, getting a kick from the type of work I did during the past year and a half. Then again, I may remember thankfully the marvelous opportunity I was given to gain all the things I did.

## FROM THE NEWS

By William Worthy '42

On the dot of noon yesterday, in the blue and gold Government Auditorium in Washington, a blindfolded man drew a capsule from a famous goldfish bowl. Secretary of War Henry L. Stimson was repeating an act performed twenty-three years ago by his predecessor, Newton D. Baker. Thus began the task of drafting the 800,000 men who are scheduled to be called for service by next June.

Installed as director of selective service was Clarence A. Dykstra, who left the presidency of the University of Wisconsin to anoint with academic oil the first peacetime conscription in American history. Meanwhile Oswald Garrison Villard, the veteran political commentator and a supporter of Wendell Willkie, reports from the Middle West that if the Republican candidate "had come out flatfootedly against conscription and with a most definite promise under no circumstances to put this country into war, he would now be on his triumphant way to the White House." The Westerners, Mr. Villard observes, are showing no signs of the war hysteria along the Eastern seaboard, and believe "that it takes two to make a war and that Roosevelt's diplomacy is assuring the coming of hostilities...The Illinois Republican candidate for Senator is getting a tremendous hand wherever he speaks because he definitely promises not to vote for war...There can be no doubt whatever of the great unpopularity of peacetime conscription."

cent rift in the labor movement... the election results.

## 40 HOUR WEEK AGAIN IN FORCE

In the spring of 1938 Congress agreed that the New Deal was really anti-labor. On Congress Embarrassed and repudiated every turn, President Roosevelt packed his fishing tackle and went to sea. Then, like a bolt out of the sky, Florida fired a resounding two-barreled shot for the President. Senator Claude Pepper, an ardent and vociferous New Dealer, upset all the forecasts and was returned to office by a large majority. Back from his fishing trip he rushed the President and forced the Fair Labor Standards Act through Congress. After a hard-breaking fight for two years the Federal government finally established a floor for wages and a ceiling for hours, with the provision that the wages floor should be gradually raised and the hours ceiling gradually lowered. Last week, the working hours for 6,000,000 wage-earners throughout the nation were cut to forty. The pay will remain at 30 cents an hour 1945 when the law provides a 40 cent minimum. Supporters of the bill contend that it raises the purchasing power of the country. The Supreme Court is expected to rule on the constitutionality of the act during the current session.

## HAS PRESIDENT LOST CONFIDENCE?

As the 1940 campaign draws to a close, the country is witnessing the vigorous speech-making of the Republican nominee and the somewhat aloof and lofty manner of the incumbent. Frank Knox of the Baltimore Sun has bitterly accused the President of using public funds and his position in the White House to promote his candidacy under the guise of national defense and non-political trips. His last Wednesday the President initiated a series of avowedly "political" speeches in reply to "deliberate falsifications of fact." Obviously the Democratic high command has lost some of its confidence. The man, who had supposedly had no political experience, was making gains in all public opinion polls. Of course, one cynic remarked, Wendell Willkie has had plenty of political experience—buying up senators, governors, and public power commissions.

# Polar Bear Is Next In Bobcat Climb To State Title

## First Series Game At Garcelon Field Win Will All But Salt Away Title For Garnet Team

Can the Bobcats of Bates claw the Polar Bears of Bowdoin for a victory this week? That's the question on everybody's lips this week. This Saturday will tell the story. Bates meets Bowdoin on Garcelon Field to decide the series. The Androscoiggins have one victory; can they get another?

Just as Maine was a tough team; Bowdoin will be a worthy foe. In the first place, the White has Andy Bell, a back worthy of the attention of any opposing team. Another back who will bear watching is a certain gent named Bobby Bell. In last Saturday's 13-13 tie with Colby, this was Mr. Bell's 64 yards for the Bears of Bowdoin's two 6-pointers and passed to right end Hunter for the touchdown. Then too, there are numerous players who aren't going to pull an Alphonse-Gaston act to let the Garnet ball toters through. Bowdoin's Bears have picked up from last year to a large draft of sophomores. The "Football Annual", that dope sheet of all sports writers, yours truly included, picked the Polar Bear to come through with an undefeated season and win the State Series. Bowdoin has not lived up to this prediction. The White has played Tufts, Wesleyan, Amherst, and Williams, losing to Tufts and Amherst, winning from Wesleyan, and tying Williams. Last Saturday's tie with Colby also explodes the prediction. For a tie is not a victory.

**Bowdoin Tough And Scrappy Foe**  
Nevertheless, don't get the idea that the Bobcat is not going to be forced to scratch his hardest to win. A Polar Bear is big and tough; a Bobcat is small and fast. Which is the better combination?

Now for the Bobcat. Maine was favored to win last Saturday. That she did not do so is well known to all of us. The Bobcat lived up to his reputation as a biting, clawing scrapper.

ART BELLIVEAU '41

## Maine Game Proves One Of Best Series Openers In Years

(Continued from page one)

Later in the period the Bears from Orono stopped another drive on their own 21. Belliveau romped 19 yards to put the ball on the Pale Blue 17 early in the second quarter, but this drive also petered out.

Late in the second period Maine got a break when a Bates fumble was recovered by Briggs on the Bobcat 15. Quick to take advantage of the break the Bears opened the scoring when Pollock flipped a pass to Arbor who was standing alone in the end zone. On this play the Bates defenders were pulled out of position to cover Roger Stearns, ace Maine pass catcher, who served as a decoy on the play.

**Blocked Kick Proves Fatal**  
The next play eventually decided the game although no one could guess the fact at the moment. It came when Johnny Sigsbee broke through the Maine defense and blocked Barrows' attempted conversion.

The third and a good part of the fourth period saw much the same theme prevailing. The Bobcats clawed away trying to overtake the Bears as the latter strove to hang onto its six point margin. However, in the closing minutes of the final quarter Bates threatened again, and this time she was not to be denied. Taking the ball on their own 21 after a Maine punt the Bobcats got underway. Belliveau passed to Gorman who ran to the Maine 44 before he was downed. On

the next play Belliveau faded back and let fly at Gorman again. The pass was high and Gorman was covered by a pair of Maine defenders but somehow he managed to get between them and take the ball with a miraculous leap, being downed on the Bire 20.

On the next play Gorman hit guard on a reverse and fumbled when stopped hard by Harris, Maine center. At this point Bates got her first break for when the pile of players was unraveled Johnny James, alert Garnet end who played 58 minutes of sterling football, was in possession of the elusive pigskin on the Maine 15. Thus what might have been a disastrous fumble was turned into a five yard gain. With this play the Blue's fate was sealed. Belliveau went for eleven yards in two tries for a first down on the 4. O'Sullivan hit center for a yard. On the next play Belliveau was stopped by Stearns for no gain but Maine was off-side and was penalized half the distance to the goal. O'Sullivan again tried the line but was stopped short by a yard. On this play Bates was off-side but Maine wanted to keep the down and refused the penalty. On the next play Belliveau took the ball from his tailback post and sliced off tackle and over the goal sending the large Bates cheering section wild with joy. At this point Buccigross was sent in and he responded by splitting the uprights with a perfect drop-kick to give Bates a well deserved victory.

In picking outstanding performers one cannot omit Stearns, Stahl, Briggs, Barrows, Pollock, and Serota from the Maine honor roll. For Bates, all positions were capably filled, with Topham, Francis Daikus, Parmenter, Buccigross, Belliveau, and Gorman shining particularly brightly.

## Bobkittens Tackle Huntington Friday School Boys Seek Initial Win Against Spink's Yearlings

Sporting a record of a victory against MCI and a scoreless tie with Kents Hill the freshman football team will face an unpredictable Huntington on eleven Friday afternoon at Garcelon Field.

In their previous encounters, the Bobkittens have displayed unusual running and passing power under the capable leadership of "Joey" Larochelle and Tom Young. Young has also displayed a strong kicking toe. In addition, Coach Spinks has a new find in "Annie" Thompson, a power-house ball carrier. Thompson played a great game against MCI playing up several extra yards by plunging through the enemy's line.

The possible loss of Don Grant who sprained an ankle in practice may leave a vacant spot in the backfield for some ambitious second stringer to fill. "Play" Card and "Mike" Melody complete the ball-carrying personnel. Both of these boys have played slam-bang games against Kents Hill and MCI.

Coach Spinks has been gifted with several promising linemen to strengthen that all important position of offense and defense. "Gabby" Deering and Wye have proved to be capable ends, while Don Burhoe and Walt Davis fill the strategic guard positions. The center position is being competently held down by "Bo" Cronin. Chapman and Jack Shea, assisted by Cul Ferren, have been caring for the tackle spots adequately, but Shea is still favoring a previous injury and it is possible that "Cy" Finnegan may be changed from end to bolster up the tackle position.

Huntington, on the other hand, in spite of being defeated on two previous occasions would be willing to show optimism if a greater number of veteran ball carriers were available. Coach Tom Blake has had to fall back on inexperienced players in order to fill out the ranks of his eleven. However, Huntington has always displayed unusual strength at the most unpredictable moments.

(Continued in page four)

## Mules And Polar Bears Should Bow To Garnet

Bob McLauthlin, "the Bates breeze", will be a top heavy favorite to romp home ahead of the pack this coming week when the Garnet harriers engage Bowdoin and Colby in separate dual meets. Tomorrow Bowdoin invades the local course, and on Nov. 4 the Bobcat travels to Waterville to do battle with the Colby Mule.

Without a doubt Bowdoin will provide much stiffer competition than Colby, for the Mules are noticeably weak this year. The best place they could get in the recent State meet was number seventeen.

On the other hand if the old system of picking winners is used, that is the comparative score basis which has so often been proved wrong, it would be discovered Bates is a very slight favorite to win. Using just Bates and Bowdoin as they ran against each other at the State meet, Bates finished on the right end of a 26-29 score. Comparing Bates with Colby the count was 15-46.

Following is the Bowdoin squad with

### CHAMPION!

BOB McLAUTHLIN '43

## Bob McLauthlin Wins State Harrier Title

Continuing his personal winning streak which has extended for over a year, Bob McLauthlin romped home to win the second annual State Cross-Country Meet held at the Augusta Country Club last Friday in the fast time of 19 minutes and 5 seconds, 32 seconds under the record set by Don Smith of Maine last year over the same four-mile course.

Although the Bobcat harrier came in first running away from the field, a well-balanced Maine aggregation won the team championship handsily by 32 points. Runners from Orono placed second, tied for third, took fifth and sixth to total only 20 points. Bates came in second with 52 points, Bowdoin third with 65, and Colby last with 108 points.

Particularly encouraging was the fine performance turned in by the rest of the small Bates squad. Captain Warren Drury and Dave Nickerson continued to run well and they finished well up in front to help Bates save off Bowdoin, Gordon Corbett and John Grimes who came in fifteenth and sixteenth respectively to turn the tide completely in favor of Bates when it seemed as if the Bowdoin group was going to capture second place, are coming along well to bolster Bates hopes for success in future dual meets remaining with Bowdoin and Colby.

Colby will field a nine man team: Bateman, none; Braddock, none; Costley, 25; Ernery, 22; Farnsworth, 24; Nickerson, none; Quincy, 17; Weeks, 20; and Potts, 26.

The Garnet is expected to start with the same roster they have used previously. The squad as they scored in the State meet: McLauthlin, 1; Captain Drury, 7; Nickerson, 13; Corbett, 15; Grimes, 16; Borden, 23; Mabec, none; Lloyd, none; and Sawyer.

## SPORT SHOTS

By JOHN DONOVAN '42

- Best Performances of the Week:**
1. Bob McLauthlin '43 who clipped thirty-two seconds from last year's record time and thus won the State Cross Country Meet
  2. The entire football team for its inspired and inspiring 7-6 victory over the Maine Black Bears.

Our further congrats to Bob McLauthlin for his excellent first in the State Meet last Friday. Mac is undoubtedly one of the most modest athletes ever to grace this or any other college campus. For example: Friday evening after the meet, Mac returned to the campus and went about his everyday chores in his everyday manner. It was in the kitchen of the Commons that someone overheard this. One of the kitchen workers who is also a sports enthusiast as soon as he saw Mac burst out, "How did you make out?" Mac's illuminating reply, "Pretty good."

Incidentally, McLauthlin's victory was in the nature of a birthday present to himself—since last Friday, the day of the State Meet, was his birthday.

While we are in a congratulatory mood, we certainly ought to mention the superb work of Coach Mansfield's footballers at Orono last Saturday. It would be useless and unfair to attempt to pick out any individual for special commendation so well did every man on the team do his part. It was a well earned—and therefore, particularly satisfying—victory.

Coach Mansfield commented after the game, "A great one to win, a tough one to lose." He went on to say that

he was impressed by the fine spirit of the squad. "Manny" is sure that if such a spirit can be maintained that Bowdoin will find things rather warm in Lewiston on Saturday next.

**Miscellaneous, etc., etc.**  
William "Bing" Crosby '39, who was co-captain of the varsity basketball team during his senior year at Bates, stopped in Lewiston the other evening. "Bing", who is now teaching in the high school in Milo, (hope we've spelled it correctly) Maine, was en route to a teachers convention in Portland. He likes teaching and is already preparing his boys for the not-so-far-away basketball season.

Joe Canavan, also of the class of 1939 and former president of the Student Council and a football and tennis player to boot, was on the campus last week end. Joe, too, is teaching in a high school in northern Maine, but we'll be darned if we can remember the name of the town. Our apologies to you and to Mr. Canavan.

Sorry to hear that Ken Browne, tackle on the frosh eleven, is in the hospital with a leg injury. May your recovery be speedy, and keep your chin up, Ken.

## Townies Upset Dope Bucket, Taking West Parker, J. B.

Just when someone had started to unscree the laurel wreath from Wally Triscoll's den to dispose of on the touch gridsters of East Parker, conceded to be the winners—a new team entered the fray, to whip the Parkerites. After three postponements, Don Webster's Off-Campus team opened their schedule last Friday against Zeke Turlin's All Stars.

Prior to the game, campus opinion was set in the belief that the Easterners had another easy scalp which would put them just that much farther away from the threatening West Parkerites—but the townies finally broke

the tradition of the season and scored on the leaders. Johnny Anderson, prexy of the Townies' fraternity, was the hero of the afternoon as he intercepted a pass and trotted for a touchdown. The townies failed to convert, but as the afternoon went on the local lads ran their score up to 8 points when Carl Monk downed Sandy Sandblom behind East's own goal line thus tallying a safety.
