# Bobkittens Gain Third Straight Win, Beat Tilton School 19-7

By Alan Hakes  
Bates Bobkittens wrapped up their third straight win last Friday when they outclassed Tilton in the time of 19 to 7. The Bobkittens seemed to have little trouble rolling up a three point lead and then settled down to hold it through the last quarter.

Way to a fast start when Captain Don Barrios opened the opening kick-off deep into Tilton territory, and it took the visitors 36 to their own yard line. Barrios then from there, and Bates had possession as the game opened.

Bobkittens took the kick-off to open the second quarter and Bates took over. After a series of punts, Raia moved the visitors' 36 to their own yard line, and in two more plays, and in two more, Bates took a 19-0 lead. Tilton now drove for her own, and aided by a penalty, pushed Bates to the 15 before losing the ball.

# Intramurals Sampsonville-OC Wins Title, 12-6

By Jack Batal  
Well, it's all over now. Sampsonville-Off Campus topped South to win the battle of the leagues and become the sole holders of the championship.  
Now that football has passed into the records, eyes are turned to basketball which will get under way shortly after the Thanksgiving recess. From last reports North's aggression is ready to defend its title and trophy which they captured last winter.

On Monday Sampsonville-OC played JB in a rematch of their earlier disputed game. The contest ended in a 6-6 draw and as a consequence the Sampsonville forces won the title for League 1 with a record of two wins and a tie. JB finished in second money with one win and two ties.  
JB scored first as Purkis gathered in a pass in the end zone and, with the aid of a tight defense, carried this 6-0 margin into the closing minutes of the game. However, Sampsonville came through like champions, scoring on a Carsley to Wade pass.

Wednesday found South, winners in League 2 and previously unscathed upon, squaring off against the Off Campus club in the pay-off tilt. Sampsonville-OC opened up quickly and scored in their first few minutes of play as the fleet-footed Al Evans spun off right tackle for ten yards and pay dirt. South retaliated shortly thereafter with the passing combination of Tibbetts to Somerville producing a touchdown. With the score tied 6-6 and time running out both clubs began to feel the pressure and the result was some rough and tumble football. Late in the final period a Leahy to Carsley pass put the ball on the two yard line for Sampsonville and on the next play Carsley hit Wade in the end zone with a pretty pass and the score was 12-6. And so it re-

# Bowdoin Game Briefs

By Joel Price  
Dave Burke was superb as playing quarterback for Bowdoin. His handoffs were neatly disguised and his aerial marksmanship was astounding. In all, Dave made connections on 8 of his 14 heaves. Ironic as it may seem, this same Mr. Burke was unable to complete a single pass in both the Williams and Coby games. In the Bowdoin line end Paul Spillane, a converted center, was especially impressive along with Jim Sibson and Jim Fife. For the Bobcats Ralph Perry and Hal Conforth turned in fine defensive games while Bill Perham stood out at his tackle post. Statistics bear out the wide margin of superiority enjoyed by Bowdoin. The Polar Bears collected 20 first downs to Bates' 4, and outstruck the Garnet 275 yards to an almost unbelievable 8. In the passing department Bowdoin completed 15 out of 29 aerial attempts for a gain of 179 yards while 7 completions out of 24 attempts picked up 46 yards for Bates. In the matter of total yards gained, Bowdoin compiled a huge total of 454 yards while Bates amassed a woeful total of 38 yards. The punting of Fred Douglas was one of the few bright spots in the Garnet cause. Fred averaged a fine 39.7 yards per kick from scrimmage.

The Bobkittens, with 15:09 and 15:13 respectively.  
In last Tuesday's meet the frosh won their second decision defeating Brunswick 24-34, in which Kasus took first place with 14:40. Second and third place for Bates went to Graves and Bucknam.  
The Bobkittens will be aiming at a .500 season in their last meet which will be held Tuesday, Nov. 1st, against Bridgton Academy. The scheduled meet with Gould Academy has been cancelled.

# Bobcats Downed 19-0 By Revitalized Bowdoin Club

Nate Boone and Bill Paradis Combine to Spill Bob McAvoy

By Joel Price  
Unleashing a savage ground and air offensive combined with stellar line play, the potential powerhouse of the Bowdoin Polar Bears was shockingly transformed into a dynamo as the Walshmen battered into submission a game but vastly outplayed Garnet eleven, 19-0 Saturday at Whittier Field.  
Revitalized Bowdoin simply was not to be denied. Nary a single Garnet line position was impregnable to the Bowdoin offense. The Polar Bear backs piled up yard after yard as they drove through gaping holes repeatedly opened up by its front line which also defensively was a veritable "Rock of Gibraltar". Bates, on the other hand, was in no position to match the sudden upsurge of the heretofore lethargic Polar Bears and its ground and aerial attack was completely stymied before the hard rushing Bowdoin forward wall.  
Bowdoin did not tarry in the scoring department. Dave Burke intercepted Walker Heap's pass on the 30 and dashed to the 23 whereupon Len Sauter, a high stepping, pile driving 210 pound fullback, on a quick opening play pounded through a hole in the right side of the Bates line and romped across the goal line. Jim Stackpole's placement was accurate and Bowdoin was off winging upon a 7-0 lead.  
Early in the second stanza Bowdoin started a sustained drive from its own 40 and tallied in five plays. Bennett picked up 12, then Sauter broke loose for 35 to the Bates 15.

McAvoy gained 8 and Siroy added 4 more following which McAvoy bulled inside his own right tackle for 3 yards and a touchdown. Hod Record broke through nicely to block the extra point attempt, but Bowdoin's advantage was now upped to 13-0.  
The fury of the Bowdoin machine did not abate in its intensity throughout the remainder of the first half nor in the second half either. After returning the opening kickoff, the Polar Bears, with McAvoy and Sauter eating up yardage on the ground and Burke hitting his targets with remarkable accuracy, moved 72 yards only to see a pass interception by Bill Perham on the 3 temporarily halt the surge. Bowdoin came right back to score several plays later as Jules Siroy sped 12 yards through an opening off his right guard, past the Garnet secondary, to score easily. Gerry Condon crashed through to foil the conversion try, leaving the score at 19-0. That completed the Polar Bears point-making but they continued to dominate play throughout, never permitting the Pondmen much of a chance.  
The Garnet presented but one real scoring threat. Midway through the third canto, Hal Conforth pounced on a Bowdoin fumble on the 15. A Ladd to Mobilia aerial was then allowed due to pass interference, giving Bates a first down on the 4. The following play saw Ladd's handoff pass elude Mobilia and tackle Jack Bump recovered to thwart the scoring bid.

# Frosh X-Country Seeking Even Split

By John Ebert  
The freshman harrriers were nosed out by Kingfield High 25-30 last Friday, suffering their third defeat against two victories. The frosh placed 2-4-7-8-9.  
John Kassius, as usual, was the first to finish for Bates. He led the field most of the way, but was passed near the finish-line by Reggs of Kingfield. Reggs' winning time was 14:13, and although Kassius chopped off 13 seconds from his previous best, but it was not good enough to take first place.  
The surprise of the meet was Don Holstrom, who placed fourth. He put on a burst of speed on the way back, passing several runners, finishing in 14:49, thirty-five seconds better than he had done before.  
Jim Leamon was seventh with 15:05, while Charlie Bucknam and Don Graves ran eighth and ninth for

# Sportlight

(Continued from page two)  
Coach Pond used George's south-paw pitching on his local ASA baseball team this summer, and after bringing his charming wife, Pat, to the L-A area, "Brink" commenced his studies here at Bates in September.  
The Bobcat football aggregation has been greatly strengthened and bolstered by "Brink's" hard running from the wing position, and his savage tackling at the defensive half-back spot. George plans to do a little basketball playing this winter, but will return to his own in the spring when he will be one of "Ducky's" past-timers, a marked addition to the pitching staff. No matter what field of athletic endeavor you may see him in, "Brink" will be in the Sportlight, participating with zeal, earnestness, and confidence.

# State Series

(Continued from page one)  
during the past two Series games. Although they will have two weeks rest it is doubtful whether they will be completely recuperated for the Coby game. The team took a tremendous beating while holding the powerful Bowdoin squad to three touchdowns.  
Coby, on the other hand, has a fine record of stamina. In one Series game they had the fight in them to come from behind to win. The other saw them fighting to keep the tie. Throughout the year they have been underrated, but on Armistice Day they will probably be the favorites.

# Major Ed Wall, Harvard, '40 - Flying Executive, U.S. Air Force!

Born in Newark, N. J., he moved to Boston at an early age, graduated from the public Latin high school in 1936, entered Harvard the same year, where he majored in economics and government.

"Active on the campus" — he played football, earned his letter on the boxing team. He worked part-time in a variety of jobs from bouncer to baby sitter, received his AB degree in 1940.

He enrolled in Harvard Law School, left at the beginning of the war to become an Aviation Cadet. In December, 1942, he won his pilot's wings, received a Reserve commission as Second Lieutenant.

Assigned to anti-sub patrol duty, he flew B-25's and B-17's before going overseas in 1944, where he flew 30 missions as a B-24 pilot. Shot down over Germany, he was a prisoner of war for 8 months.

Back in the States with his English wife, he earned his Regular commission. Then he returned to Harvard under the Air Force college training program, receiving his LL.B. degree in 1949.

Now, he is confident about his future and security. As a pilot and legal officer of Bolling Air Force Base, D. C., Major Ed Wall is a typical U. S. Air Force flying executive... with a challenging career.

If you are single, between the ages of 20 and 28, with at least two years of college, consider a flying career as an officer in the U. S. Air Force. You may be able to meet the high physical and moral requirements and be selected for training as an Aviation Cadet. If you do not complete Aviation Cadet training, you may return to civilian life or have opportunity to train at Officer Candidates School for an important officer assignment in non-flying fields.

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS!

## CA Commissions Have More Than A Functional Purpose, Cabinet Declares

The Christian Association commission should be something more than a functional unit, the CA Cabinet decided last Wednesday evening.

Members of the cabinet said that if possible, discussion programs should be included in the commission meetings, which are not for business purposes only. The difficult job of the commission leader was pointed out.

Steering committees to plan programs would be a great aid in improving the quality of commission meetings, the cabinet decided. The dates of the commission meetings in the months when the CA Fireside is held have been left up to the commission heads.

The cabinet gave suggestions about the coming CA Fireside program to Stephen Gilbert, chairman of the personal relations commission.

Dean Clark and Mr. Lindholm attended the College Conference at Rutgers University in New Brunswick, N. J. The meeting, which was for college admission officers and personnel of secondary schools, was held Oct. 24. It was sponsored by the New Jersey Association of Deans and Counselors.

Dean Clark and Mr. Lindholm attended all three sessions dealing with the outlook and problems of college admissions.

### Reporters Meet For Instruction

Don't editorialize, or write qualitatively; make your paragraphs short and to the point.

These were some of the qualities emphasized by News Editor Charles Clark at last Tuesday night's STUDENT meeting, for writing a good news story. In reporting a speech Clark said that a quote might be used as a good lead.

"If something extraordinary occurs during a lecture, mention it in your article," said Clark. He cited as examples, an unusually large or small attendance at chapel, the setting off of an alarm clock during a lecture, or the roof falling in.

Dick Nairs' head entered the room and offered regrets that there were no cider or doughnuts. A notice on the bulletin board had suggested that Nair might serve cider and doughnuts at the STUDENT meeting.

### Bates-On-The-Air

Norma Smith will interview leaders in several campus activities on the second weekly Bates-on-the-Air program tomorrow. The broadcast goes over station WCOU at 4:30 p. m.

Among those appearing will be Charles Radcliffe president of the Debating Council scheduled to sail for England on a debating tour in February, and Jane Seaman, who traveled in Europe this summer on a National Student Association trip. Norman Buker will engineer the broadcast.

Robert Foster, editor-in-chief, said, "There is a formula for writing a news story. Place the most important or most attractive item first and your article will attract more readers."

### Letters To The Editor

own faiths on school time. In their ruling then they stated that constitutional interpretations previously had been for separation of church and state and that that interpretation still holds true for today. Re-statement of this principle by the highest court in the land necessarily implies that federal aid to parochial schools of any faith is unconstitutional. Dana Williams

### No Place To Go

To the Editor of the STUDENT: It's time to talk turkey to your roommate. For many men the Thanksgiving vacation is not long enough to make a trip home worthwhile or even possible. Since all college buildings must be closed, these men will have no place to stay

over the holidays. The Student Council asks that those who plan to go home each try to take as a guest one of your friends from this group of temporarily "displaced persons".

The Council was asked to inquire about having one dormitory left open during the vacation for those who had nowhere else to go. No action was taken on this proposal for two reasons. First, the most pleasant atmosphere for Thanksgiving dinner can be found in a home, not in a downtown restaurant. Second, a Council request for dormitory space over the holidays would be inconsistent with the student votes of two and three years ago, petitioning the faculty for an extension of a one day holiday to include the whole Thanksgiving weekend.

Bill Dill, Student Council

### Campus Chest

(Continued from page one) for Hathorn steps after assembly Monday. Cheerleaders Pete Whitaker and "Smoky" Stover were to have taught onlookers some original Campus Chest yells.

An after-chapel rally featuring music by the football band and a speech by Campus Mayor David Whiting was scheduled for this morning on Hathorn steps.

Many students have already received pledge cards from their dorm or town solicitors. These are redeemable any time before the end of the semester. A thermometer in the STUDENT will register the amounts pledged and received as reported from week to week by the solicitors.

### Seven Agencies Benefit

According to the Campus Chest Policy Committee's decisions, the

total income will be divided this year as follows: World Student Service Fund, 52 per cent; foreign student scholarship, 15 per cent; National Scholarship Service Fund for Negroes, eight per cent; Lewiston-Auburn Community Chest, eight per cent; James Dempsey YMCA Camp Fund, six per cent; William B. Senseney Memorial Fund, six per cent; National Infantile Paralysis Fund, five per cent.

Profits from apple sales will go to the Campus Chest, as will the money made in evening sales of candy and ice cream in the dorms. These projects are being handled by Patricia Cartwright, Barbara Gai-lope, and the Social Commission of the Christian Association.

Committees Under Gamble  
Other committees working under Gamble's chairmanship are Avon

Cheer and Frances Curry, Cynthia Black and Robert Movies; and Peter Whitaker and Hugh Penney is assistant chairman.

The Campus Chest is sponsored by the Student Council, State Government, and Christian Association through a joint policy-making committee made up of presidents of the sponsoring organizations, three class presidents, campus mayor, the editor-in-chief of the STUDENT, and three students elected by the committee.

Members of the Campus Chest Policy Committee this year are Robert Cagenello, Robert Farnsworth, Athena Gittos, Maxine Hamlin, Walker Heap, Glenn Kuntz, William Perham, Michael Stollman, Rye Stillman, Rae Walcott, and David Whiting.
