Write Ideas For Moving Picture Plays!

YOU CAN WRITE PHOTO PLAYS AND EARN \$25.00 OR MORE WEEKLY We Will Show You How!

If you have ideas—if you can *think*—we will show you the secrets of this fascinating new profession. Positively no experience or literary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufacturers are "moving heaven and earth" in their attempts to get enough good plots to supply the ever increasing demand. They are offering \$100 and more, for single scenarios, or written ideas.

We have received many letters from the film manufacturers, such as VITAGRAPH, EDISON, ESSANAY LUBIN, SOLAX, IMP, REX, RELIANCE, CHAMPION, COMET, MELIES, ETC., urging us to send photo plays to them. We want more writers and we'll gladly teach you the secrets of success.

We are selling photoplays written by people who "never before wrote a line for publication" Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it sells for only \$25, a low figure,

YOU WILL EARN \$100 MONTHLY FOR SPARE TIME WORK

FREE SEND YOUR NAME AND ADDRESS AT ONCE FOR FREE COPY OF OUR ILLUSTRATED BOOK, "MOVING PICTURE PLAYWRITING."

Don't hesitate. Don't argue. Write now and learn just what this new profession may mean for you and your future.

BASEBALL

Bates opened its championship season Saturday with a victory of U. of M. at Orono. Maine had a few costly outfield errors and was weak in base-running. The features of the game were the three home runs, one by Maine and two by Bates.

Bates lost both of her out-of-State games last week, the first to Harvard, and the second to N. H. State. The team shows a marked improvement, however, since these games were played and with Saturday's game to its credit bids fair to be heard from in the championship series.

SECOND TEAM

The second team has played two games this week, one against the fast Hebron team and another from South Paris High School. Its defeat by Hebron was due to a tenth inning batting rally by that team. The game was marked by the sharp batting of both team, Hebron having a little better of the argument. The South Paris game was a closely contested and interesting game, Bates winning by a score of 6 to 5. Allan Keaney, formerly of Bates, '14, is coaching the South Paris team and has rounded into shape a very fast high school team.

THE GIRLS' WALKING CLUB.

The Girls' Walking Club celebrated April 19 by an all day trip into the country, with Mrs. Leonard as leader. They boarded a car for South Lewiston and from there they followed an undulating country road for about three-quarters of a mile, when to the surprise of all, Mrs. Leonard, who had given the girls no clue as to their destination, led them to the Leonard farm.

The wood-gatherers immediately set to work collecting sticks for two fires which they built on the cliffs, and all were soon busy roasting bacon and other good things over the coals.

After they had fully satisfied the pangs of hunger the club adjourned to a more sheltered spot for its business meeting. A new constitution was adopted, and fourteen members were initiated. Later in the afternoon the members tasted farm life in real earnest as the pile of wood which they sawed and cut will testify.

The girls were glad to have with them six of the faculty ladies and Mrs. Norton and Miss Leonard as guests.

The homeward bound car was an hour late so that roadside games by the car track proved to be an unexpected addition to the day's fun. Everyone declared she had never had a better time, and took great pleasure in recounting the humorous and happy incidents to disappointed ones who remained at home.

The Walking Club, with Dr. Tubbs as leader, enjoyed a most delightful trip to Mt. Sabattus. Saturday afternoon, April 26. Thirty-one members boarded the car and rode to the further side of Mt. Sabattus. After following the lane for a short distance and crossing the brook at the foot of the mountain, they began the ascent. Hidden among the pine needles were the most beautiful Mayflowers, of which the girls gathered large bunches. *En route* violets, anemones, bluets and hepaticas were discovered by the keenest hunters.

During the frequent rests, Dr. Tubbs pointed out and explained many of the geological formations, the most interesting of which was a cave half-way up the side of the mountain. The view from the summit repaid any who may have felt wearied by the climb. One could see miles and miles of hills in every direction, Lake Sabattus at the foot and in the distance glimpses of Lake Auburn, No Name Pond and Cochnewagan Lake. The club worked its way down the mountain toward the lake and had a merry picnic supper on a small elevation by the water. A short business meeting preceded the suggestion to leave this lovely spot and saunter towards the car.

The club tended to Dr. Tubbs a hearty vote of thanks for making their trip so enjoyable.

Y. M. C. A.

Our Y. M. C. A. will give membership cards to all members in good standing. These cards entitle the owner to the hospitality of any Y. M. C. A. in which they may be shown. They will be a great help to anyone in a strange city, because practically all of the city Y. M. C. A.'s have rooms to be hired at the very lowest rates. In some of them, meals can be obtained. It is a good institution to have as a friend, and the new membership cards are the passport to it. They will be of great aid to our students and may be obtained at the Y. M. C. A. office by all members with paid-up- dues.

The meetings committee has arranged for a set of lantern slides on last year's Northfield Conference and will show them at the regular Wednesday night meeting, May 21.

Mr. Marsden has organized a new class made up of Russians.

The Bible study committee have practically finished their plans for the coming year. They plan to hold about twenty classes in Bible study during the first semester and a similar number on Social Service during the latter part of the year. Two subjects especially, will be taken up during the last semester, "Boy Scouts" and "Our Immigrants."

The outlook this year for Northfield is for a delegation much larger than has ever before attended.

GLEE CLUB

The college quartet, consisting of Nickerson, Kidder, Hadley and Morrison, assisted by Miss Verna Ashe Noyes of Auburn, 'gave a concert in Gorham, N. H., April 16th, under the auspices of the Ladies' Club of that town.

COLGATE HOSPITALITY

One of the most notably features of the debaters' visit at Colgate University was the spirit of hospitality and kindness that the Colgate students and faculty showed before and after the contest. Several of the students met our team at the train, accompanied them to their rooms, and showed them about the campus in the afternoon. During the debate, our men recognized that they had met a sportsman-like team, who fought every point till the last tap of the bell, and who were able to take defeat, as well as victory, in the right spirit.

After the debate, our team was given a reception in one of the fraternity houses, where they met many of the students and members of the faculty. After the reception, they accompanied our men to their rooms, and altho we left very early the next morning, a member of their team was at the station to see us off. He bid us good-bye with a firm handshake, and with the words "we will meet you again next year." We recognized that we had been among gentlemen who did not lose their spirit of hospitality, even while under the disappointment of defeat.

Do Bates students give to visiting debating teams as kindly a reception as the Colgate students extended to us?

Remember the George Colby Chase Lecture to-night, in the Pine Street Congregational Church. Bates students do not have so many opportunities of hearing the great leaders of thought and action as do students of larger colleges. For this reason we ought to make the most of the few chances offered to us.

Perhaps our defeat by Harvard this year is a favorable omen. At least we have begun the Maine series in the right way by defeating U. of M., 4 to 2.

Please remember that communications for the BATES STUDENT should be signed by the writer's name. But we will not publish the name if the sender so desires.

The new rules regarding the literary societies have gone into effect. The new officers have been elected. But officers and rules cannot make successful literary societies at Bates unless there is an interest among the students in the work that these societies try to accomplish.

The Maine Intercollegiate Board has decided that Anderson, '15, is eligible to play in the baseball series this spring.
