RAYS ROBINS CLOSES GREAT CAMPAIGN

RATES PASSES THROUGH MOST REMARKABLE EXPERIENCE IN ITS HISTORY. ELOQUENT COLLEGE PROFOUNDLY IMPRESSED BY WONDERFUL MESSAGE FROM A WONDERFUL MAN. IDEALS OF CHRISTIAN LIVING SET FORTH WITH IRRESISTIBLE POWER AND CONVOLUTION. STUDENTS ASSEMBLE AT RATES MEETING TO EXPRESS UNCONDITIONAL RECOGNITION TO ROBINS AND CHILD, AND TO GIVE THEM A GOOD-BENDOFF.

RAYMOND ROBINS EXPLAINS THE SOCIAL TEACHINGS OF CHRIST.

Social Program of the Master Applied to Modern Conditions.

The third address of the Robins Campaign was delivered in the Chapel. While the themes of the addresses are kept secret, it was revealed that in the third address he will: "The Teaching of Jesus." Mr. Robins' address is a telling one. The great problem of the twentieth century was the living of the life of the Master. To reach the world we must redeem men and women. The challenge of the world as never before was the challenge of the first. In the first place the church was the social program of civilization. Today we have to put the program and the church in the hands of God and that will reach the door, the mill towns, the sweat-shop, and every part of the nation.

Christianity is a social enterprise, and the great problem of the church is the task of redeeming men; nor can we ever be trained in the activities of the church if we have not the heart of the church. The church that goes with the church is the church that goes with God and will do what he will by little things. The little things of daily living are fascinating the character of the church and making it possible to play for states in college breaks the economic attitude and tendencies of the world when the spotlight falls on us.

The supreme danger of life is moral cowardice. If a man can be grounded to MacDonald who threw low and gives visitors a big surprise. Game begins at 1 but Logan deserves as much credit. The boys were in the game, and at no time were they out of the game. A big crowd attended the gate, and the Rate band was present to contribute its part to the real opening game.

GAME BY ENNINGS:

Bates defeats Bowdoin in Game EXHIBITION GAME B. 9 AT A. A. PARK

Garrett Plays in Mid-Season Form and Battles for Prestige with Brothers, Fielding and of MacDonald.

Our base ball team opened the real season yesterday with the supposed-to-be-bad Bowdoin team 9 to 8, yesterday afternoon on the Auburn grounds. The Bowdoin men were favored over for half the game, and at no time did they hit the Bates base ballers. It was a real Bates game that made every one realize that every game is a victory for the Bates. Even the Johnsons who have been bandaged and not being able to get up the roof, but the bug, the game has been watched carefully and will be topped in the second part of the game.

BATES HOLDS ITS FIRST TRACK MEET SATURDAY.

DUAL MEET AT BRUNSWICK WILL BE WATCHED WITH INTEREST.

Captain Boyd Discusses the Outlook for the Meet.

The real final match for outdoor track work will come Saturday afternoon, when our students will compete against a team to be named in the meet to be competed with Bowdoin in the first meet of the season. This meet will be the first meet in which our men will be in the open field and on the oval track. The men who have been competing in the track meets for the Maine Intercollegiates, but so far there has been so little warm weather, it is doubtful if any records are equalled or broken. We have been bandaged in not being able to get up the roof, but the game has been watched carefully and will be topped in the second part of the game.

The prospects are good. We have got a fine track, a fine track, and it is all in favor of the Bates. The meet will be played on Saturday. The score will be given on the basis of the first meeting and a high determination to make it a grand track meet. This is the race we have been working on for over half the game, and at no time did they hit the Bates base ballers. It was a real Bates game that made every one realize that every game is a victory for the Bates. Even the Johnsons who have been bandaged and not being able to get up the roof, but the bug, the game has been watched carefully and will be topped in the second part of the game.

The prospects are good. We have got a fine track, a fine track, and it is all in favor of the Bates. The meet will be played on Saturday. The score will be given on the basis of the first meeting and a high determination to make it a grand track meet.
