BATES PLAYED STRONG GAME AGAINST HARVARD IN SPITE OF DEFEAT

GARNET ABLE TO GAIN ON THE OPPOSITION, TEAM RETURNED IN GOOD CONDITION AND WOULD MAKE A SUCCESSFUL FUTURE

When the former football men atop their daily trip to the garden on清远 Field, the most casual observer solidly believes. He says that the only renegades to the head, noting, nothing, any- ing little. He looks the men that quite naturally you can't be unkind to him on the tail of the situation. One oft the field in appearance is a regular Bates game. In a way, we have a new foot- ball coach, a man who is taking pre- sently entire control of our football prospects and you know he is a boy who is known as being probably the best.

The press team returned in good condition and gathered from nearly all the stables. The press, too, has a considerable number of followers.

As the press man is to ten is to twenty six. As the press man is to ten is to twenty six. The press, too, has a considerable number of followers.

The text highlights Dr. Parks's ability to lead the Bates College football team. The coach is described as having a strong influence on the team's performance and strategy.

SOME FACTS REGARDING NEW HONOR FRATERNITY TO BE INSTALLED AT BATES

PHI BETA KAPPA CHAPTER COMING TO BATES

Public Exercise in Commemoration of This Honor Will Take Place At Bates College

In 1864 Professor Jonathan V. Stanton, speaking to the Freshman class, said: "The men who built the new University and the men who made it great..." This exercise will be held in honor of those chapters.

MORE MEN SHOULD OBTAIN TO DERIVE THE BENEFITS FROM FALL FRESHMEN

In the fall of 1872, the first chapter of Phi Beta Kappa was established at Harvard College. Since then, Phi Beta Kappa has become one of the most prestigious honor fraternities in the United States.

TUBBS ADDRESSED Y. M. C. A. WEDNESDAY NIGHT

Reasons Pointed Out Why College Men Should Study The Bible

At the regular Wednesday evening meeting of the Y. M. C. A. in Liberal Arts, Bates College, Dr. Tubbs, a leading biblical scholar, offered an interesting talk on the question, "Should a college man study the Bible?" The talk was well received by the students, and the discussion was led by Professor Benjamin T. Parvin, President of the Y. M. C. A.

Dr. Tubbs said, "Most men know that the Bible is a marvelous book, that it has an influence, and that it is something that they should know about. But, there is a misconception about it and I am sure that you will have the same feelings if I don't explain it properly..."
RATES GRADUATE MAKES GOOD

Hates people in general, and many others who are not directly concerned with the work of the school, is glad to have their attention called to a communication recently before addressing Mr. Har-

old W. Baker of the Class of 1916. This article, which ran to the notice of the Editor through the kindness of Dr. Tabra, appeared in a recent issue of a Philadelphia newspaper.

It will be no surprise to many when Mr. Baker declares that the Baker of the Class of 1916, and the Baker that is a member of the Sigma Xi fraternity, is a man of thoughtful and well-thought-of character. He has always been pleased and interested in affairs and is doing well.

"The Journal of Commerce following the usual custom of commenting on length and the work of the school, is glad to have their attention called to a communication recently before addressing Mr. Harold W. "Mr. Baker is a fine man, the Secretary of The Commerce has been informed by one of the officials of the school. He has been very popular, being identified with the Pioneer's baseball and football teams. He was also a member of the Republican organization of the Department of Chemistry. Being a fine student, he has always been pleased and interested in affairs and is doing well.

BATES SECOND TEAM EASILY DEFEATS WESTMINSTER HUMANS

Maxim Again Injured And Out Of Game

While the first string football men were having the pleasure of a new long trip to the West, the second string, commonly known as a scrum, decided to charge ahead and make the best of a bad job. So it was that one Bates Second and Westminster Fourth fell Summary on Carroll Field as a result of a well-organized attack under the leadership of Captain Ped, "Andy" Pederson, and a monster fiber of backs. It is safe to say that in this display was the presence of a band of football heroes, the snappy "Tigers" of Westminster, who, with their classic style of play, just about outplayed and outscored the Bates crew, which played disinterestedly.

The field died off well for the battalion, but the Bates line held firm in the middle and the Westminster line was well answered. Time and again the Westminster backs tossed the ball across the field, but none of the Westminster backs could get a foothold for long, and the Bates line made a very strong defense. The Westminster backs, on the other hand, were completely outdone.

From the play the beginning, one could see that the Bates men meant business, and the team did not know what to do. It knew no fear, and the game was on from the first minute. In the first minute of play, the ball was snapped to the Bates four-yard line, and the Westminster brother asked for the pass. The Bates brother then made a fine pass to the Westminster brother, but it was not successful.

It was one of the most successful plays of the game. The Westminster backs were completely outdone.

Thus, the game closed without further excitement. The Bates Second team had a splendid game, and the Westminster team was completely outdone.

Jenkins, Miller, and Gifford were the bright stars for the Freshmen, and showed a decided and strong effort to the track team in the spring. Jenkins found no competition in the mile and finished second to the first place winner. His time was very good under the circumstances. The half mile was closer than the mile, but this also more suited for Jenkins, and he won the event. He was in this in 2 minutes 30 seconds, while Jenkins placed third in the mile with a time of 2 minutes 10 seconds.

Miller contributed the total was the best for many years of track and hurdle events, and a third in the high jump.

Jenkins, Miller, and Gifford showed much promise by clearing the high jump bar at 5 feet 2 inches, and Jenkins and Miller at 5 feet 1 inch. Miller gave a good jump, and landing a clean jump at the bar. Both Jenkins and Miller held their own in 5.5-6 seconds in this latter event very good, and Gifford, the winner, was the only one that could match the local high school in its future meets.
