Bates Students enjoy Address by Anti-Suffrage Leader

Mrs. White’s Argument Strong and Convincing

The “other side of the question” was brought to the floor by Mr. White, who put the case with great forcefulness. He pointed out that in the past, women had done much constructive work, and that it was only natural that they should be given a voice in the government. He also stressed the fact that women were just as capable of understanding politics as men, and that they could make just as good decisions as men. He believed that women should have the right to vote, and that they should be given the same opportunities as men to participate in the democratic process.

Baseball Season has Successful Season with Game at Waterville

The season was a success for the Bates baseball team, who played well against their opponents. In addition to the games played on the field, the team also had a practice game with Colby College. The team was composed of some of the best players in the state, and they worked hard to improve their skills throughout the season. The team’s success was due in large part to the dedication and hard work of the players, as well as the coaching of Mr. White.

Seniors Celebrate Ivy Day

On the night of Ivy Day, there was a large gathering of students at the college, who came together to celebrate the spirit and traditions of the school. The festivities included a banquet, in which the students enjoyed a delicious meal and had the opportunity to socialize with their peers. The evening concluded with a speech given by Mr. White, who spoke about the importance of the college and its role in the community.

Baseball Season Closes

The season was a success for the Bates baseball team, who played well against their opponents. In addition to the games played on the field, the team also had a practice game with Colby College. The team’s success was due in large part to the dedication and hard work of the players, as well as the coaching of Mr. White.
To some this issue comes as the last among their undergraduate days. We wish them a prosperous future and a long life as graduates of Bates. May they keep their friends, and some of their old acquaintances, and come to us and be loyal Alumni.

ALUMNI NOTES

Through the generosity of the College Club the college is now in possession of a beautiful and appropriate trophy to be used as an award for attendance during Commencement Week. The trophy is to be awarded each year to the class having the largest percentage of living members present and registering in the class register. In order to be eligible for the trophy a class must be represented by at least ten members. The class winning the trophy will have its nurnbers inscribed on the cup. The trophy consists of a beautiful, beautifully shaped bronze being cup, mounted on a black marble stand. The cup is suitably engraved, giving the purpose and conditions of its award. Thanks must be extended to Mr. Oren K. Birch
by of the class of '96, for his interest and effort in the preparation of fig
and handsome a trophy. The tro-

is was first presented last year and was
won by the class of 1896. This year it appears that the contest will be es-
pecially keen. Class presidens and se-
cretaries are busy engaged in mak-
ing plans for record attendance and an-iversary classes will hold their re-
spective reunions. The following information has been brought out concerning their plans by the Bates Bulletin. No 10 intends to carry the Commencement Trophy in the dinner procession; other plans uncer-
ded.
