THOROUGH NOMIC COMMITTEE

The following self-explanatory letter has recently been issued to a large number of Baters:

"Perhaps you now see in the Bulletin the earnest desire of the Committees of the Class of 1918 and the Class of 1919 to work for the greater welfare of the College and its students. The Bulletin is now in process of publication and it is hoped that the various Committees will continue in their efforts. The work of the Committee of the Class of 1918 has been most satisfactory and the Bulletin has been well received by the students of the College. It is hoped that the Committee of the Class of 1919 will continue in the same manner and that the Bulletin will be well received by the students of the College."
