On Friday evening of last week, the Bates women of the city gathered at City Hall to accept the mantle of leadership in the campaign for the sale of Liberty Bonds. This was the first of the series of gatherings to be held in the various cities of the state. Bates women held this meeting to commence the campaign in the interest of the war, that the war may be swiftly and effectively ended, and the world may be restored to peace and freedom.

Dr. W. E. Boice of the Bates College faculty addressed the gathering, and gave a brief but forcible appeal for every- woman to take an active part in the campaign for the sale of Liberty Bonds. His address was most gratifying to the well-known New York City woman. He explained every step of the process, and the features of the campaign that made it unique to say the least. When the meeting adjourned, it had been decided to visit the neighboring cities and invite other women to participate in the campaign. The meeting was attended by representatives of the various colleges and universities in the state.

The committee for the sale of Liberty Bonds was elected as follows: Miss Alice S. King, treasurer; Miss Minerva Cutler, secretary; and Miss Edna Gadd, assistant secretary. Miss Alice S. King was elected chairman of the committee for the sale of Liberty Bonds.

The committee for the sale of Liberty Bonds was charged with the responsibility of organizing a campaign in the interest of the war. The committee was instructed to invite other women to participate in the campaign, and to make every effort to secure the sale of as many Liberty Bonds as possible.

As an outcome of war time speed and the production of the home front, BATES Boys have graduated a class of eighty Seniors in the class of 1918, April 18th. The success of the Sophomore and Freshman classes also remains in session until May 15. To the Senior Boys, with the coming fall, the following must be said:

"Senior Boys, you have had a fine year. Your ability has not been in doubt, and we expect you to carry on the traditions of BATES Boys.

JONATHAN Y. STANTON
President

The Health of Our Country is in the Health of Our Boys and the Hopes of Our Nation.

Since January 1, a total of 120 students in colleges and technical schools of the State of Maine have gone for service with the Allied armed forces.

Since the Government has placed all Ordinance, Artillery and Allied armies in France, the State government has placed 4500 men in service. We expect this number to grow as the army enlists more men and women for the armed forces abroad for men in France.

Since February 1, President Harding has announced that the American Legion will be the official organization of the United States of America.

No more shall we see thy face no more! Thou noblest work of God's handiwork. In colors, notes, and symphonies, the Explosive caused more or less nervousness.

Mrs. J. R. Kimball, the Parker Hall receptionist, is recovering.

Interestingly are the experiences there. The characters were very human and realistic. The explosive caused more or less nervousness.
