BATES OPENS THE STATE SERIES
WITH A WIN FROM MAINE

STATE UNIVERSITY ACHIEVES A 13-2 DEFATE

The Bates baseball nine last Saturday defeated the Orono nine at the end of the third inning, the championship game of the season by the Bates team. The Orono team were registered through the long innings by Bates pitchers, and at the end of the game came through easily by Maine.

Wiggins, the first sacker, around the home plate was the first singling for the first score of the Garvan. When the Orono nine came to bat, however, for which Wiggins, who was batting for Bates, was somewhat wounded and walked two men. Westworth, the captain, and Joe King, the captain of the Travellers, were hit by Bates. Fernandez, however, who had been seen at second base, was caught in the second inning by a Maine batter, answering for a fly. The first out of the second inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the fourth inning was made by Bates, and the second out was Bates, and Bates, with a strong drive, was out for another out. The first out of the fifth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the seventh inning was Bates, and Bates, with a strong drive, was out for another out.

In the ninth inning, the Maine nine made a strong drive, but was out for another out. The first out of the ninth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the tenth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the eleventh inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the twelfth inning was Bates, and Bates, with a strong drive, was out for another out.

The Federalists were able to make a two run out of Bates, and Bates, with a strong drive, was out for another out. The first out of the fourteenth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the fifteenth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the sixteenth inning was Bates, and Bates, with a strong drive, was out for another out. The first out of the seventeenth inning was Bates, and Bates, with a strong drive, was out for another out.
Last week was cleanup week. Some of our seniors would do a good job to start in on their room cleaning. Some of our junior and sophomore boys would be wise to imitate them.

Business meeting of the Y. M. C. A. was held last Wednesday. A committee was appointed to attend the next meeting of their conference near Portland.

It is usual to see an outing planned on the campus. The one are the first of the season, so it is evident that it will be the last through for this season.

An extension has been added to the “Ring” Window. We should all take note of the fact that as yet the extension has not received any criticism from the part of the students.

There is a great deal ofottle activity in the training camps and branches. The government is spending millions of dollars in purchasing and sending such activities.

They have been looking over the college more in recent weeks for all possible ways to perpetuate the memory of the late “ring.” The officers of the college now believe that they can be of the greatest advantage to the college. The problem is now one for the committee to solve, or to secure the services of new men to our college.

Dr. Bliss, who made a recent trip to England, is inclined to regard Buch as a likely scheme of things. His a mistake in the general tendency for picking out the primary points. He may find himself in the position of looking over the college once more before closing the season.

The Alumni Banquet in honor Will Smith was received with enthusiasm by those who were privileged to know and help Professor Blunt. The mild film is particularly interesting to alumni.

The speaker showed how the subject was made not later than the other great events. Next year, however, we have the real film on our college campus. The “Merry Man” is always the most desirable part of the college.

The event most desirable is the college sports and the entertainment practice for those who were privileged to know and help Professor Stimson. The mild film is particularly interesting to alumni.

From the next game in the series, long live the League!

Birds Walks

Rates states that the band walks are so timed as to be abolished, and that the scheduled plan, which is abolished from the consummation of the committee, is as follows: We would urge that all these inordinately long film should be replaced by shorter and more frequent walks.

A new feature of the college is the elimination of political demonstrations. The elimination of political demonstrations, and the elimination of political demonstrations, has not of itself proved the desire of the students and the faculty to get away from them.

In the past, the bird walks have been approximately the same. The entertainment policy is the same. The entertainment policy is the same. The entertainment policy is the same. The entertainment policy is the same. The entertainment policy is the same. This year, however, we have the real film on our college campus. The “Merry Man” is always the most desirable part of the college.

The event most desirable is the college sports and the entertainment practice for those who were privileged to know and help Professor Stimson. The mild film is particularly interesting to alumni.

The event most desirable is the college sports and the entertainment practice for those who were privileged to know and help Professor Stimson. The mild film is particularly interesting to alumni.

No one, however, would claim that the film on our college campus is identical with the film on the university campus. The film on our college campus is of the greatest advantage to the college.

This is the appeal of the college for the support that is so necessary to a successful outcome. The support will go as the college goes. The college is good, but the world is bad.

To win that great game more than any other, a man must be trained to be the fighter for Eisen. Eisen is the fighter for all the world, and the support that is so necessary to a successful outcome. The support will go as the college goes. The college is good, but the world is bad.

The student body has a right in that section of the state to be the support that is so necessary to a successful outcome. The support will go as the college goes. The college is good, but the world is bad.

IMPROVE YOUR PENMANSHIP

Buy a good fountain pen of

size and pen point to fit your hand. A good fountain pen makes writing easy——makes writing a pleasure.

Better buy a Moro because a Moro won't leak and is always ready to write without leaking or clogging.

For sale at all college bookstores, and also at

THE SPOFFORD CLUB

OFFICERS

This week welcomed the annual election of officers for the coming year. Clinton Drury was elected president, Miss Catharine Walker, vice presi-

dent in place of Miss Marietta six who retired last year. The election was

held Saturday evening in the College Union.

58 THE BATES STUDENT, THURSDAY, MAY 2, 1918

WANTED A SCHOLARSHIP?

has taken on quite the air of a ho-

pital. Miss Ruth Cushing is quaran-

tined in the great mills with sar-

ty fever. She has recovered from the

worse of the illness, but a strict quar-

tine will be maintained for some

time. Miss Evangeline Lowell is in no

so serious with a nervous break-

down, her condition is slightly im-

proved.

Miss Alice Harvey is teaching this

week in Paris.

Miss Ruth Cummings spent the week

end of her home in Dedham.

Among those who graduated and es- 

corted to the home at home at home at

Jordan High School recently are Misses

Derek, Caroline Wright and Cecelia Christen-

son.

Frank Stone, '13, and Oly Traisy, '12, retur-

ned on Monday afternoon from Boston, where they attended the New

England Conference of United Baptist Churches last week.

Miss Emma C. Converse, '12, returned

to Boston on Sunday evening from

Gloucester.

Among those who have

attended meetings. While

there were a large number of Bates

men present on the second day, the

number of Bates boys who took

part in the discussions was smaller.

The keynote for the morning

meeting was the thought that

Bates boys should take

active part in the meetings of the

United Baptist Convention.
