THE EVENTS OF THE WEEK

BATES MEN SUBMIT TO INOCULATIONS

FOR WEEKS THE R. A. T. C. men have been having a time of it with their arms in the street. That one dissolute incident seemed threatening to sour the whole project for a time, but the corps, with the help of the local police, has been able to beat it. With this accomplished, the all school unit is now in the process of being inoculated. The work started Monday afternoon and will probably be finished by Thursday. It is not expected that any unpleasant side effects will occur. The men are all in good health and are anxious to get back to their regular activities.

GRAND OPENING OF LIBERTY THEATER

HATHORN HALL PUT TO NEW USE

Last Saturday, October 30th, 1918, was a memorable day in the history of Bates College, for it marked the opening of the Liberty Theater. The occasion was filled with excitement and enthusiasm as the students gathered in large numbers to witness the opening performance. The Liberty Theater was a grand building, with spacious seating and excellent acoustics, and it was expected to attract a large audience.

CO-EDS TAKE CHARGE OF SUNDAY MEETING

DELIBERATIVE MUSICAL ENTERTAINMENT AT THE Y. M. C. A.

For the first time during the last year the Bates College Y. M. C. A. has held a co-educational concert. The event was highly successful, and it was apparent that the co-ed movement at Bates is well on its way.

BATES WELCOMED AT PLATTSBURG CAMP

Early last July the Government Associate President from school, W. C. Davis, accompanied by a group of Students Army Training Corps Camp Officers, visited the camp at Plattsburg. He was most enthusiastic about the work being done there and was especially impressed with the efficiency of the organization.

LOCALS 6-0 DRUBLING

The Bates R. A. T. G. team was defeated by a score of 60 to 24 by Eastern in the final game of the season. This was Bates' last game of the year, and it ended with a 60-24 defeat.

MANY MEN WIN COMMISSIONS

Many of the men of the class of 1920 have been awarded commissions in the military service. These commissions were awarded as a result of their outstanding service in the army. The list includes many of the outstanding students of the class, and it is a source of pride to all of us that they have been able to achieve such a distinguished record.

Football Season Opened

The past week has opened the football season of our college. The opening game was much anticipated, and the outcome of the game was awaited with great interest. The University of Maine on the other hand has received much less publicity, and the outcome of the game was awaited with much less interest. But our college has much more to offer, and the outcome of the game should be much more interesting.

Football is a game of skill and strategy, but it is also a game of heart and soul. It is a game that brings together people from all walks of life. It is a game that tests the limits of our abilities and our determination. It is a game that requires teamwork and cooperation. It is a game that is both exhilarating and exhausting.

The game against the University of Maine was a close one, and the result was not decided until the last minute. Our team fought hard throughout the game, and they showed great heart and determination. They played with their heart on the line, and they showed that they are a team that can compete against the best.

The game against the University of Maine was a great success, and it was a game that was enjoyed by all. It was a game that brought together people from all walks of life and showed them the excitement and joy that football can bring.

Improving your Penmanship

Buy a good fountain pen of a size and pen point to fit your hand. A good fountain pen makes writing easy — makes writing a pleasure.

Better buy a Moore because a MOORE won't leak and the flavor is tastefully brought out when you partake of the parchment.

54 LISBON STREET

Bates May 23 has been a recent visitor at Camp Devers.

Miss Alice May is at her home in Portland, recovering from an attack of influenza.

Messrs. Thaddeus Hoistad and Bertha Witter are recovering from slight attacks of the grippe.

Miss Nita has returned from her home and is taking charge of gymnasium classes again.

Miss Beatrice is also able to be in her office now.

Philip B. Paquette (1919) is stationed at the Harvard Radio School.

Mr. Paquette visited friends on the campus last Friday.

Sandra L. Swazy (1919) was called to his home in Lincoln, Me., last week to do the work of his house.

Daniel Hoehnel of the freshman class has been ordered to his room with a bad attack of the grippe.

QUARANTINE LIFTED IN LEWISTON

Theaters And Churches Allowed To Reopen

The members of the Lewiston Board of Health, acting upon recommendations from the local board of health, announced in the city last Monday. It appeared that the sentiment of the physicians that the epidemic had passed suffi- ciently to warrant the authorities to permit the opening of the churches and theaters, especially since many other cities and towns in the state have spread this work. None of the doctors believe that the danger is entirely past, in fact, from the number of cases in the past few days the opening is said to be premature and many of the townpeople are still requiring to be vaccinated.

But it seemed to be the general sentiment that no great good would be accomplished by a further closing and that the business men should be considered. Ashers, however, has decided to keep churches and theaters open on the part of the city and with health conditions here as they are now, it is hoped that the quarantine will be lifted here at the end of the week.

BATES MEN IN THE SERVICE

Note: Additions Or Corrections.
