Let the Cheers of Battey Swap Over Whittier Field For Victory 

Arrangements Made By Athletic Council For Special Train

President Woodman in conjunction with Professor Gould and the committee on educational, extra-curricular, and athletic activities, is making plans to send a special train to Lewiston. It will leave Lewiston at 1:00 P. M. sharp, in order to get to Bowdoin by 2:30. Directly after the game, the train will return, probably after five o'clock. Tickets will be secured for the ride on board. Tickets for the game are obtainable from Manager Burns and S. H. Woodman. One hundred and sixty have already signed up. If you have not signed up as yet, see Mr. Woodman and make arrangements or you may be too late.

Coach Smith predicts a fierce struggle on the part of both college teams. Bowdoin boasts two back fields, and events centers on the showing of Dahlgren and Doster. Bates will probably start Sauvage, and the rooketers expect more of his sensational running.

To aid in the playing, the powers that be have deemed it advisable to have a band. Subscriptions for this musical aggregation are steadily increasing. More is expected to subscribe to the limit.

Garnet Plays an Exceptional Brand of Football

Sauvage Star of the Contest

Bates held Mainer to 26-17 score en enough to try a field goal. During game, Garnet kicked but the ball failed to go to the posts by a few inches only. A little later on the same period the Mainer was again in position to try for a field goal, and when Garnet kicked the ball from the thirty to the fifty, the Mainer had gained a few yards and when Bates' backfield had broken thru the front line of the Mainer's defense, Garnet scored a touchdown in the second period as straight football and the first half ended with Mainer in the lead by three points.

In the third period Mainer was first to score a touchdown. Bates scored a short time after, Mainer, however, kicked thru the last line of the Bates' defense and was successful.

Although the Garnet eleven was out played and defeated it was not able to make out played. All who know the game cannot but admire the fine growth of the Bates eleven. White tied garnet more in the case of the Mainer than did it with the Bates eleven, brain in what kept the Mainer known worrying and the Bates never aggressive. Everyone who witnessed the contest was well satisfied that he had seen a real football game and felt fairly rewarded for the price paid at the gate.

The entire Bates squad was fighting every second of the game, and because of their untimely possession that were able to score a touchdown in the last quarter. The line was played cruelly by the heavier Maine line, but they fought persistently and through every play. The Bates eleven started the score early in the fourth period, the genus got three points.
