At the annual Indoor Track meet held at City Hall Thursday evening, March 18, the Junior Class won the first title in the new Bates Indoor track trophy.

At a recent meeting of the varsity club, it was voted to offer a suitable trophy to the class winning an interclass track meet. This trophy is to be known as the Royce D. Purington Shield and it is to remain permanently with the class win- ning the shield in three meets. The Shield is expected shortly after the Es- ter races and will then be placed on exhibition.

The Varsity Club has in- deed adopted a planning method of per- forming the name of the man who meant so much to the athletic ideals of Bates.

Properly at 8 o'clock preparations were under way for the final events and the packs of runners were anxious to see who was going out. The meet was highly competitive. For some reason the race had a way of doing it all the same which contributed not a little to the evening's entertainment.
