ANNUAL FRESHMAN RECEPTION
Christian Associations Great Class of 1924

FRESHMAN STAG RECEPTION

Since college closed last June many changes have taken place in the lives of the Seniors. One of the changes is that they will no longer be in the halls, under the aegis of the Y. M. C. A., about one hundred being present to attend the first night of college. After the general session, with the usual "I am—You are" cards Mr. Schencke, the Y. M. C. A. President, gave the Freshmen a few words of greeting and welcome in behalf of the Association, together with some good articles as to college life. When the refreshments had been served, three other speakers carried out the theme of loyalty. Judge Galusha, Bates '77, at the Supreme Court of Maine, dwelling in loyalty with regard to the future; Lewis L. Gilbert, law '22, of the Y. C. A. Secretary, as a "Fellow Freshman" and welcoming the new students as the head of their collegiate unity.

Wednesday night a big reception was tendered to the Freshmen by the faculty of Bates and the Freshmen for this occasion. At the usual hour the lobby was filled with the guest of honor Miss Pavies, new assistant physical director for the girls.

APPROACHING THE FALL SEASON
Football Season Starts auspiciously.

In spite of the unusually wet weather, the senior football team, led by beginning of the week, was having a little stage of practice work in a very favorable if not perfect field conditions. McGinnis made nine first down but once although they played a very strong defensive game considering their weight and probable condition. Davis and Wiggins, for the Bates, Wiggins ran back the Forts kicked off for a consider- able distance with the ball. However, the ball was thrown by the Forts and Davis carried it in the remaining distance on the next play.

Then the soldiers went to work and the playing became more or less evenly matched. Toward the close of the game it was decided to give up the game and let the Forts have the ball and in the next play the Forts kicked off and Davis carried it for a considerable distance. The game was then declared a draw.

We can do these things, and if we show the proper spirit and understand them in the right way they will be easy. Let us realize our own opportunity and seize upon it. Let us show that we are true Bates men and women, and say "We will."
