PAGE TWO

Bates for the Championship

Tomorrow Bates meets Colby on Garland Field for its first championship game. We are all looking forward to this match for a win that game! There can be no "but" nor "if" about it, Bates must win. What are you, Mr. or Miss Average Student, going to do to help the boys of Garnet and Black defeat Colby? Every last man and woman in the college from the President down must do their duties on Garland Field. Every body must be on hand. Let’s show that the old Bates spirit is going to continue and bring our loyal squad to the limit. Let’s show the boys on the team that we appreciate their work.

Above all let’s do our part in the best way we can. It is a national duty to support the college. Help out the college and you will help yourself. The best students are those who are working to become the best students possible.

What is your attitude? Are you going to back up Coach Sullivan and his fighting team? The "Bates Student" can not publish any article relative to dancing at any time we get the reputation of having a fighting football team, but that we did not show it. The team could hold anything in the Texas, but it was not until the Rounders game that the players got enough spirit instilled into them to be a power on offense. Coach Sullivan, in his last game of the season, to which he was not able to come due to a sprained ankle, worked out a game with the Rounders that was the most memorable in the history of ’22.

SULLIVAN SPEAKS TO STUDENT BODY

There was some real hot stuff this morning at chapel. After an appeal by Cheerleader Watts, Coach Sullivan added a new one to the list of "fighting" slogans. "You must win that game," he said. "There can be no "ifs" or "buts" about it. If we are going to have a successful year we must make ourselves a fighting football team. The late President’s of Colby, have a successful year ahead of them. Men are coming out to Bates. We want the college to show a fighting team in the Colby game. The "Bates Student" is a very necessary organ of the college. It is in the interest of the college.

PHIL-HELENIAN CLUB

At the Tuesday evening meeting of the Phil-Helienian Club the following new members were admitted to the club and initiated into full membership, Misses Perry and Wadhall ’22, Misses Pette, Upton, Black, ’23, Misses Emery, Hall, Martin, Stagnaro, Nason, and Parham ’21, Mr. Burton ’23, Mr. Balsam ‘23, Mr. Barlow,矮’22, Mr. Bliss, ’22, Dr. Justus, ’22, Misses Nason, Bristow, Millikin, and Longland ’22. The initiations were attended by a large number of the senior class. The new members were told to take a map of Greece, including the names of all its cities and towns, and the boundaries of the various states of the country, and when the map was completed they would be given five minutes to make a passing grade of forty. Needles to say all passed. Then they were asked to read the Greek National Anthem. The versions sounded like a flock of crows rising off Pole Hill at sunrise. The entire club then sang the national songs. The new members were then asked to sign the club charter. At the same time they were presented with the insignia of the club, the Greek letter Alpha. This completed the initiation.

The musical part of the program was omitted for lack of a band.

President Wurst then made his address of welcome to the new members. He said in his address that he felt that most of the club should be kept up for the purpose of the club, he said, to make Greece a reality here at Bates, and to bring the Greeks of Lewiston into closer association with the college.

A committee composed of Mr. Wils, editor, Mr. Davis, and Miss Hall was chosen to frame the rules of the club exports to put on this year’s Phil.-Helenian program. It is intended to be of the purpose of the club, he said, to make Greece a reality here at Bates, and to bring the Greeks of Lewiston into closer association with the college.

It is intended to be of the purpose of the club, he said, to make Greece a reality here at Bates, and to bring the Greeks of Lewiston into closer association with the college.

PHIL-HELENIAN MEETS

The first meeting of the Phil-Helienian Club was held Tuesday evening in Fiske Room.

There was a short business meeting at which two new members, Florence Hazard ’22 and Neil Stannard ’22, were taken in to fill vacancies left by former members. An executive committee of 8 members was elected:

After the meeting the members gathered around the piano and enjoyed a short song of old "chances."  

MUSICAL CLUB

The Men’s Musical Clubs are under way. With Kenneth Steady as leader and Ethel Ireland as manager they should be a success. It is a necessary part of the college’s musical life, and it is a necessary part of the college’s musical life.

SPOTLIGHT CLUB

Spotlight Club has opened its session with a very successful meeting at which the plans for the coming year were discussed. Mr. David Thompson ’22, enthused a very promising meeting at which the plans for the coming year were discussed.
