The alumni are back in scores to see Bates come through to-morrow on Garcelon Field. Let us not disappoint them. The team is fit. Coach Sullivan has organized out there a bunch of men that would do credit to any college. It only remains for the Student Body to make one supreme effort, and back them to the limit!

When we line up tomorrow, ready to march on the field behind our band and "Billy Bates," let there not be one missing from the 524 that make this institution! We may possibly be out of the old hill in Halloworth once more peal out in wild triumph, telling to all who hears that Bates has conquered Bowdoin!!

NOW ALL TOGETHER! LET'S GO!!
