BATES MOURNS DOCTOR JORDAN

MANY TRIBUTES TO MEMORY OF BELOVED PROFESSOR

Prof. Lyman C. Jordan has gone to his Long Home, his death occurring Sunday evening, February 27. He had been ill about two weeks, and last Saturday evening was taken to the Lewiston General Hospital. When he was admitted he had conducted his classes as usual until Tuesday, when he was stricken in the class-room and removed to the Chase House on Frye Street. After being taken to the hospital it was thought advisable to perform an operation, owing to his greatly weakened condition. The end came Sunday, just as the bells were tolling for the evening service.

The second annual carnival of the Bates Outing Club was held Tuesday, March 1, 1922, and was marked throughout by great enthusiasm from devotees of the outdoors. Events were held on both sides of the campus. The weather was ideal, and the snow, although too hard for a real test of the snowshoe, couldn’t be better for skating events.

The results of the first day’s events were as follows:

220 yd. dash on ski—Won by Ralph E. Crock, second; Donald C. Buck, third.
220 yd. dash in cross-country—Won by M. L. Smith, second; Donald C. Buck, third; Won, B. B. Bunting, third.
One-mile cross-country—Won by Will Willing, second; Won, B. B. Bunting, third; Won, B. B. Bunting, third.

The results of the Saturday’s events were as follows:

100 yd. dash—Won by Wm. Green, second; Won, Wm. Green, second; Won, Wm. Green, second.

TEARS NOW IN PROGRESS TO DETERMINE CONTESTANTS

The annual prize speaking by the members of the Freshmen Class, which took place in the gymnasium yesterday, was won by Professor Robinson, who took the prize with the following argument:

DOCTOR JORDAN

(Continued from Page One)

"Doctor Jordan's relation to the college is one of distinction, since his service is associated with the college in every sense, as a member of its board of trustees, as a representative in the preparatory department, as a member of its board of trustees, as an alumnus, and as a member of its board of trustees, as an alumnus, and a trustee of the institution. To him, more than to any other man, we are indebted for the introduction of the idea of a public school for the education of men. He has been a faithful and unceasing friend to the institution. The question now is, whether he has taken the best way to accomplish his object."

SENIORS WIN FIRST GAME OF CHAMPIONSHIP SEASON

The first basket ball game between Bates and Simpson was played Tuesday afternoon in the gymnasium. The Simpson boys showed their fighting spirit but the Bates team proved to be distinctly superior and the game ended with a final score of 21 to 6. This victory places the Bates in line for championship, and showed up some fine new talent as well as individual performance. The line up in Tuesday's game was:

Bates
Simpson
Haskell, r
Hill, r
Wilson, c
McQueen, c
Moore, t
Bartlett, t

The Simpson team scored quickly and seemed to have the advantage of the game during the first half, but once the Bates team had entered the game the outcome was decided. In the second half, the Bates team showed real spirit and played a splendid game.

SPRINGFIELD: BATES 1

Springfield, Y. M. C. A. College defeated Bates by a score of 41 to 10 in a recent meeting, the most interesting feature of the game was the speed at which the Bates team was able to make points. The Bates team, under the direction of the late Professor Jordan, played a splendid game and showed that they are capable of making points in a very short time.
