Dance" to be held at Beacon Hall on May 6th. Inland and Sylvester, both well known as "hot stuff" on the stage, will put on their best in the endeavor. As handled by Mr. I. Scott, the affair will be even more of a success.

Mr. Gould has evidently looked on the stage with suspicion and was by no means reassured when he saw Alex Mann's cocoa-colored trousers hanging in the closet. Alex, who is a most unassuming freshman label sprang a surprise Saturday when he will break the State mile champion, was satisfied to merely make a good showing in the Intercollegiate meet with Bates here last Saturday. We are not making these elaborate preparations for nothing. The newspapers have doped it out that we haven't a chance—but watch those boys spill the dope!! The attendance at the meet was good, the program was well handled, there was no "just for show" work, and the sportsmanship was all that could be desired.

ARRANGEMENTS MADE FOR SPECIAL DANCE—THE BRIGADE

Arrangements are complete. Dinner will be served early at the Commons to-morrow night, and the five special cars will start from the corner of the campus for Brunswick, to return immediately after the meet. The Brigade Band will be in attendance. Tickets for the meet may be secured at the College store.

ON TO BOWDoin

On the eve of the intercollegiate track meet comes the final call to all-Bates runners to carry the flag to Brunswick against the rival team. With the Bates banner shining across the field, with a crack band crying out the Alma Mater, and with the full cheering strength of the college on the stands, nothing is impossible for those who will represent us.

Is the team worthy of support? Call me in that in the fall, the time of nine months, and during the spring, the season when enthusiasm redoubled, all with a spirit of competition. But win or lose, Hates must get behind that team and give it the support it needs to create a spirit of interest and enthusiasm for sports even in the future.

ON A SQUARE DEAL ON THE COURTS

With the progress of spring and with the growing popularity of outdoor sports, some thought should be taken by the men and women of Bates. It is a simple matter to understand that many of the games played on the courts are the result of the personal ambition of the players, and that there are those who are interested in the game but will not participate because there is no one to show them how to play it.

A SQUARE DEAL ON THE COURTS

The second rule is that no one can be censured for a love of tennis, but in order that everyone may share in the enjoyment of the game, it would not be worth while to observe these few simple rules of the courts.
