Bates Playing in Poorest Form of Season 24-31

A very disappointing basketball game in the City Hall last Wednesday evening, Colby whalloped Bates 32-24. The Redmen were not interested and didn’t seem to go getting until a few minutes before the finish of the game. Whether the team is still tired from the recent trip or at it certainly wasn’t set up to form last evening. Numerous shots were missed right on the basket and no one seemed able to shoot at all more than 10 feet away. On the other hand Colby ought to have improved wonderfully and they played a good, hard, clean game and got seven scoring for their recent defeat by Bates at Waterville. Coach Scudder, on the other hand, had on his squad, but no combination seemed able to stem the tide of defeat. Colby started out with a bang and scored the first 6, but then straight into the second quarter another bad Bates but the Bates boys battled back. Between 1 and 2 Colby missed no margin in that at the end of the half the Bates outscored Colby by 1 point in the second half and toward the end of the game was making some shots as though they might overtake the Waterville boys but Colby scored another 10 and was in front. Baldwin played an excellent game in goal and was very busy, stopping shots and seven goals, while Woodside, Davis and Wilson excelled for Bates.

On its second Invasion of the Bay State, the Bates girl is making a good effort with decisive defeats the Tufts in a long game. The Bates played fast attack, aggressive basketball which the Brown and blue was unable to stand. Perkins featured shooting five baskets, while Kempton’s work with one of the best goal keepers Brain was the star for the Bates team, scoring 10 of their 18 time was absolutely bare. The summary:

In a most interesting game the Bates girls last Wednesday evening, Bates defeated the strong rival Portland College girls four to one. The events of the Bates Carnival. This was due to the fact that the Bates girls were played since their recent trip and the ball off did them a world of good. Showing a brand of team work and individual player that was a revolution to the spectators present. The short Garnet kept the puck in Portland’s territory continuously during the game and easily outplayed her opponents. The Bates forward women being like the proverbial “million dollars” and with “Joy” Cogan leading the attack, they seemed destined to have the victory. When Edith Roberts took a long shot from the left corner, when Edith Roberts took a long shot from the left corner, the ball was deflected by the Redmen. The summary:

THE CARNIVAL DANCE

Full to 200 couples gathered at Class Hall, Friday evening for the first Carnival Dance, and in fact the first real campus dance.

The ball was tastefully decorated with red and white crepe paper and presented a charming picture. Balloons and decorations were so plentiful that the dance was over an hour and a half before they were taken down. The decorations were used again on the other day. Following the children's games and entertainment was the grand march, the climax of the evening.

The partners and patrician were:

Misses:
- Louise M. Niles, Professor A. C. Rich
- Mary E. Swift, Professor E. S. Bright

Boys:
- Lewis R. Pitman, Class of 24
- James B. Fernald, Class of 24

They were given t to a cripple girl. Each week a different girl is given a dance.

THE COLLEGE LOAVER

Current Opinion, December, 1921

It takes a man of some energy to be a real devil, and for that reason the college hockey fan at first tended to be impressed by anything that is difficult or dangerous or not nice. This is the man who does an injury to veterans among college officials, Dan Torrance, Stover of the University of Illinois. The college hockey fan, he says, does not like things that are wrong. Someone offers meat in his plate, and he will not eat it. The college hockey fan is a tiresome person to have around.

The second division of the work consists of preparing sight-seeing maps for hospitals and similar institutions. Special plans for different groups of nurses were given to a blind girl and to a crippled girl. Each girl was given a map of the hospital to read and to use in school.

What Britain attained was that they taught themselves to be efficient; but a few of the many excellent reps turned out to be a strain on the world. A terrible day, but a fine one.

The prize was distributed as follows: first, Professor A. C. Rich, 24c of Bates; second, Professor E. S. Bright, 24c of Bates; third, Professor W. H. Wilson, 24c of Bates.

Enjoys Dinner at Rand Hall

Several Original Toasts Offered by Members of Club

Plans Made for Plays

Der Deutsche Verein was entertained at dinner at Rand Hall last Monday night. There were five tables all attractively decorated with red paper, red candles and hand-painted place cards, containing the order of the toasts (in German). The center of each table was a large paper United States flag. After the toasts and the digest of the evening had been read by the ‘regular hoarders’ Mr. Altus, housemate, introduced such rambles as follows:

To toast W. H. Neubauer

Georgarues Herren

To toast to the German Ladies

Alma Blunden

To toast to Mr. and Mrs. Leonard

Clarence Forbes

To complete the evening the program was concluded with one song "Deutschland." The club then adjourned to the recitation room where a short business meeting was held with Mr. Wills presiding.
