MISS LENA M. NILES ELECTED DEAN OF WOMEN

Action of Trustees Popular

The meeting of the Board of Trustees held in Libby Forum last Friday, although called by President Gray primarily to consider the availability of the student dormitories, did assume its most important task in the election of the Dean of Women. Miss Lena M. Niles, who since the resignation of Miss Grace Russell last year has filled the position of acting dean, was elected to the offer permanently. When the action of the Board was announced at dinner that Friday by President Reddell, the student body responded with applause. The Trustees present were left not at all in the dark as to the popularity of their action and Miss Niles assured her friends here that she will no doubt stand her.

Miss Niles is a graduate of Parma-high school in 1916 and from Bates in 1918. She taught in the Jay high school and from 1920 to 1922 she was in the department of hygiene and physical education. She was a classmate from the class of 1918 that Miss Parnell was a member of this line of work at Eastern Normal University at Carlisle, Pa. In 1917 she attended the preparedness in the department of hygiene and physical education.

RAYMOND B. BUKER, '22

International 3-Mile Champion

No sports follower in Bates needs to be reminded of what "Buky" Buker means and here is a track giant at Bates. For successive years he has won the Maine Intercollegiate Cross Country run. For three years he has won the mile run at M. C. A. A. Meet. In his junior year he also assumed the M. E. title in both the Cross Country and mile event. No one has gotten his remarkable performance over the mile course until the Penn. Relay last spring. His time, 8:35, is still unbroken. He showed his heels to the best competitors in the country including Gordon Nightingale, "Kid" McCracken. He was the hero of the all of the above and he is done with all of those anymore now to show them that he hasn't gone back any easier. Buker will again be your favorite with some fine competition.

Robert Bros of Cornell, the present out four-intercollegiate champion, who was selected to give Buker a good man, may, with some check-up on the Penn Record, be considered one of the "special." Preceding the Aug. 1st, coach of Bates, he coached of the best competitors in the country including Gordon Nightingale and "Kid" McCracken. He was the hero of the all of the above and he is done with all of those anymore now to show them that he hasn't gone back any easier. Buker will again be your favorite with some fine competition.

A. L. McCutcheon, who has run a mile in 3:50 last spring, may be much of a factor on the Relay. For the Society together with his friends a Cornell last spring. His time, 8:35, is still unbroken. He showed his heels to the best competitors in the country including Gordon Nightingale, "Kid" McCracken. He was the hero of the all of the above and he is done with all of those anymore now to show them that he hasn't gone back any easier. Buker will again be your favorite with some fine competition.

DO YOU KNOW THAT

"The Garet" is to be published again before Commencement, and in order to apply admission to compete for the following, all of the above and all of those anymore now to show them that he hasn't gone back any easier. Buker will again be your favorite with some fine competition.

But Three Hits

Baker displayed enough base for nine innings against the Lewiston Eagles last Saturday in a game not free from errors. The club played a good game, but allowed one hit. "Peanut" Ham went to the rubber in the fourth and through the three innings he pitched no base hit until first base. Two base hits, Sennett, Hunting-}

SOCIETIES

ALUMNI

New York Alumni Association will give a send-back to Batesmen's on May 13th, at which our adorables with the United States flag will be the guest of honor. Ralph Sturgis, '93, is president of the New York Alumni Association. F. W. Francis, '93, W. B. Corbin, and W. S. Cray, '93, will be among the speakers.

This meeting of the alumni association was at the New York City Hall, May 28th. On April 29th, the officers of the New York Alumni Association and the New York members of the Executive Committee, with the New York and New England alumni, met at New York City Hall, May 28th. The meeting was called to present some of the new suggestions and project for the good of college. The New York alumni association has a number of new suggestions which they hope to present to the college administration in the near future.

ARMS OF BATES

In 1920, George W. Bates of Hales Mill was presented with the golden eagle and the Harvard Alumni Association of the Eastern States presented him with a large gold trophy. The award is presented in recognition of the fact that Bates was the first to establish a debating society at Bates. The award is presented to the college administration in the near future.

BATES STUDENT"
"Best Paid Hard Work in the World" is the way a John Hancock salesman described his work. He is a college graduate and in four years has put himself at the very top of his profession.

He never yet has called upon a prospect without a previous appointment. The best life insurance salesmen have the knack of planning their day, making it a business of dignity, such as any worthy and ambitious college graduate can find satisfying in his mental needs, and highly remunerative as well.

The man above quoted is the John Hancock's youngest general agent. This shows what college graduates of the right type can do in this business, how they can build up earning power and at the same time provide for an accumulated competence for the years to come.

Graduation is a vital period in your life and you are liable to hold to the business you start in. You would be well before making a definite decision to inquire into insurance as a career. Address, "Agency Department."
**FASTEST TIMES OF YEAR IN FINAL CUP MEET**

Burrill and Landers Again
Double Winners—Luce in Good Form

The third Cup Meet held last Monday and Tuesday was the most successful one in recent years. There was a terrific wind, but the races were run so as to get the most advantage of the wind. The meet also came the final decision of the four men in the expressed Bates at the State Field Classic this weekend.

The greatest race that has been won this year was staged in the quarter mile. There were seven starters who kept the pace during the whole race with Archibald in the lead. There were no stragglers. "Archie" came down the home stretch just pulled up by Snell and made all the way and broke the record in the fastest mile that has been turned in this year. Corey, running strong, finished third giving an excellent amount of effort in the last miles of the meet. Batten was close on the heels of Corey and Corey finished second. The meet turned in "minutes and 118 seconds." "Cyk" McKinley captured the mile event turned in " minutes and 118 seconds."
