CLASS "B" FINDS BATES TEAM TIED

BATES STUDENTS WELCOME VICTORIOUS TRACK MEN
Celebrate With Fantastic Parade and Huge Bonfire

In one of the latest celebrations ever held at Bates College, the whole student body turned out last Monday evening to do honor to their victorious track team and Raymond Buxer. In spite of the fact that we were given a preview of night-shots, silk derby's and other more or less fanciful stories, the news report only justifies the news. Promptly at 8:30 a.m., just behind the front of Parker Hall, "Marvin" was to be made a cinematic serial but in spite of studying "Bills" antics ancient in the Chase Hall archives for the last few years, he was unable to make the "animals" behave and he had to walk. The souls out in full force followed the boys and the parade moved with all the precision down College Street. Don't's hand furnished the music and did an excellent job under the circumstances and received all due credit. Once in the other side of the hospital the main dance was started and the waltzing forms danced gaily and with enthusiasm. Enthusiasm Running High —Games Will Be Played Soon

PHI BETA KAPPA INITIATION HELD

Eight Seniors Become Members of Honored Scholaristic Society

Last Friday evening at Chase Hall was held the annual initiation for the Bates Chapter of Phi Beta Kappa. The first part of the program began sharply at 6:30 o'clock. Of the thirty persons present, nine underwrote the necessary vows and remained. Eight of those were of the present Senior class, says W.B. Blakes. "To the best of my knowledge the burgesses were all present. No one was expelled." Coach Watkins, "Dave" Thompson, and "Zip" Hoyt held in their own estimation

THE UNDERGRADUATE COMMITTEE ON THE MILLION DOLLAR DRIVE

The purpose of the undergraduate committee on the Million Dollar Drive is to aid the four classes now over big at the class meetings that followed the Drive Ball in staid yesterday. The Seniors still pledge 800 extra, the Juniors 800, Sophomores 850, and the Freshmen 850. That's what we're going to do in the future.

But what was that "Jack" Spratt said in his stirring talk today? And the undergraduate pledges going to mean just a few more dollars toward the Million? It's true — the spirit of the undergraduate is that one dollar more on no one can go into the endowment part of the Fund, to help build the new gym. Your pledges have an important part in our drive. BATES HAS AN OFF DAY IN GAME WITH LUNN & SWEET
And Loses 9-3 in a Slow Game Filled with Errors

Lunn & Sweet, baseball team, lost two chances in the Industrial League, defeated the Bates regulars in a place and exciting game Saturday afternoon, April 29, to the tune of 9 to 3.

Bates started off strong, scoring two runs in the first inning off Quinn. The second round again in the third inning when Dagnino singled over short and stole second base. Partidge sacrifice, and scored on Jordan's single. Here the fans' noticing stopped as Gunnette replaced Quinn in the ninth inning and held the college men scoreless for the rest of the game.

Lunn started in the box for Bates, recording beautiful hit for six innings, holding Lunn & Sweet to three hits and one run. He was replaced by Hamilton, who, because of not enough warming up, wasn't very effective. In the two innings that Hamilton played, Lunn & Sweet gathered in enough runs to put the game on ice. Woodman hit the ninth frame, and Lunn & Sweet added three more runs. The Indians' infield did not do its part to force them out, made eight errors helping greatly to Lunn & Sweet's victory.

Dagnino played a good game for Bates, hitting well and fielding in overeas fashion. He got on the basis four times, scoring twice. Gunette was easily the best of the Indians.
