OXFORD DEBATORS COMING TO LEWISTOWN IN SEPTEMBER

BATES FIRST AMERICAN COLLEGE TO PARTICIPATE IN AN INTERNATIONAL DEBATE IN THIS COUNTRY

That President Ford describes the Oxford Debating Society as "the most successful" was amply demonstrated Wednesday morning, it was reported, when he held the entire audience in suspense for a few moments and then, when he appeared ready to make a high-pitched appeal to them, delivered a brief announcement that Oxford would be coming to Lewistown sometime this September. He was greeted with loud applause.

This has been a Bates year—but not in the sense that next September will be a Bates year. Bates in the foreign language country of Oxford in England, via a joint venture between the two well-known universities, has been the first American college to entertain a visiting Oxford debate team in this country.

Interesting Papers Read—Tableaux Beautiful

The last meeting of the Philip-Hellenes Club of the year was held Tuesday evening, May 25, in the Little Theatre, Hathorn Hall, at 7:30. Each speaker was invited to speak for five minutes upon the question: "Friendliness, that the United States should strive for now?"

The first speaker, who was chosen from the members of the club, who were present, was Dora Krones, a student at the club, recently.

The presentation by the English 4A class of some original scenes from "The Little Theatre, Hathorn Hall, last Friday night was greeted by a most enthusiastic reception, which completely filled the hall. The first scene was "The Women," and the second, "The Trojan Women." The presentation was highly successful, and the audience was greatly entertained by the talent of the English 4A class.

A TRACK TEAM TO BE PROUD OF
Whatever pains may have been aroused by the outcome of the state meet, there is no question but what the Bates track men did themselves credit to Maine and New England.

A surprise to most outsiders, this performance of our runners and our one weight man is but the logical outcome of a long season of training and preparation.

Especially worthy of comment in a review of our track work thus far is the development of several new men into sterling material. Coach Jenkins has shown the highest qualifications with interest, which, in the ability to discover latent capacities and to bring them in the best way.

From another viewpoint, the way in which the students have taken up the track has been more than ordinarily loyal. This has been expressed not only in raising funds to send men to Philadelphia, but straight through the track season, exalting with the Bates delegation to the state track meet.

We look forward to the last event on the track card which takes place tomorrow. It is sure to be a fitting conclusion to a successful track season.

THE MEANING OF MEMORIAL DAY
There is a solid basis to the complaints which have been made in recent years over the misuse of Memorial Day.

What pain we are never to see restored for the memories they recall. That Independence Day should degenerate to a day of fire-crackers and track to industrial America. where men

牢记曾经为国家和平和自由作出牺牲的英雄们。这是一个值得纪念的日子，也是我们向他们的贡献表示敬意的机会。

Hamilton Pitches Wonderful Game—Alwaays But One
Clean Hit

Batters set a pattern that turned Connecticut
out Aggies by the score of 1 to 0. Hamilton
made no mistakes on the mound and
everyone could the shining run out of the foward
side "Panama." Hamilton pitched strike
after strike, allowing only 3 hits—one of
three walks while the third went for a hit. "Panama" struck out 2 and
passed 3. Lavin pitched well for the Connecticut folk, allowing 7
outs and 4 hits. You can't ask for more.

In the fifth frame, Lavin reached first on a hit, Weidler reached first on
Sanders' error. Gardner started the two-
out hit,0, Parker to Justin, Gardner stopped on a fielder's choice, and Lavin was
out at the plate. Need to hit to Sanders, who then threw to Jorden, and Weidler
avoided.
Batters: Hamilton and Partridge.
