OUR SOCIAL LIFE

We repeat here the closing paragraph in the article under our "Jottings" of last week. It went like this:

"As far as facilities and materials to work with are concerned there is no reason why the Bates Band, with the help of the other colleges of the country in either college life or college spirit, should be the last to get in line with the rest. There is a place in the world for every good band, and the Bates Band is no exception to that rule."

We believe in the band and want to see it grow. We believe that the band can grow. We believe that we can help the band to grow. We believe in the band as a whole, and we believe in each individual member of the band as a part of the whole. We believe that the band can be the pride of Bates College, and we believe that the band can be the pride of the city of Lewiston.

IVY HOP
Advance information concerning the Ivy Hop to be given by the Junior Class on June 5th makes it the crowning event of the year. The committee in charge composed of Walter Fairbanks, Mrs. Emory Hume, and Dorothy Lown preside as master of ceremony and better than anything the campus has seen. The student body seems to have appreciated this for the advance sale of orders is larger than was reported. It will be a far better party this year than the first juvear ion.
