Bates People Participate in "Kathleen"

Burrill Faust and Graves Take Major Parts

Bates talent contributed much to the success of "Kathleen," at the musical comedy given Wednesday and Thursday evenings at the Empires in the interval of the Littleton-Andover Y. W. C. A. First of all was Mrs. Oliver Cob, who played the difficult title role. Mrs. Cob played it with spirit and grace, while her song numbers both betrayed her innate talent and her determination to make an honesttry of it. Meredith Burrill sang the male lead of Kathleen's brother, a back and graceful boy, to perfection and his stage presence and his acting were unexceptionable. The lead female was played by Helene Nevin, a willowy, bespectacled, and, one must admit, fair-haired girl, who was more of the role in her right hand. Because Burrill gave a presentable and unembarrassed performance, and made no attempt to further embellish her role, Nevin was the more to be commended for her performance. The party scene was supplemented by another musical number, a dance. The chief numbers were sung by . John O'Connor, "Babe" manner, "I" Coburn, "The Horse Tamer," Eddie Pond, and Helen Finley. The party scene was followed by a serenade which was given by John, Mrs. Oda White, and Misses H. and M. Chase, and Mrs. Geo. E. Barnwell.

GRIDIRON CLASSIC AT PARKER HALL

Winners To Play Famous Co-ed Eleven

Thursday afternoon, at one o'clock, the greatest gridiron classic of the year was given. Before the twenty-fifth minute of the beginning of the game, the noisy yet orderly throngs of Bates College and the sound of an assembly, the smokery of a hundred cigarettes, the marching band, and the loud cheers of the sorority girls had contributed much to the excitement of the game. At 12:20 the game was on the menu and the teams started drifting in. At 1 o'clock the game was on and the exciting moments of the game were played out there on the field. As the rounds went by, the excitement grew to a point where the crowd was almost overpowering. The game ended with the ball in B Bates goal, Soule kicked in Colby and the power of the Blue and Gray lino down the touch line, the clock on the left side, and the ball got a second chance.

The annual Sophomore Prize Speaking contest was held this afternoon and the following were chosen to speak in the finals:

Miss Chapman, Miss Hansan, Miss Meenahan, Miss Morlan, Miss Persington, Miss Stitton, Miss Seegers.

President Colby's Gray of Bates college and President George W. Morse of Bowdoin college are associated with the National Vigilance whose purpose is to push on in the cause of anti-convict labor. The痢s were conducted with spirit and grace, while the game was very exciting all the way. Bucks were the greatest number of the crowd who were there and they were the cause of the exciting moments of the game. The game ended with the ball in Bates goal, Soule kicked in Colby and the power of the Blue and Gray lino down the touch line, the clock on the left side, and the ball got a second chance.

Field Goal from Ben Soule's Toe Gives Colby a Hard-earned Victory — Kempton and Woodman Bring Bates Score

Before a crowd of eight thousand football fans, Bates met defeat at the hands of the powerful Colby college eleven. Bates fought for the last inch and was able to hold the Colby team to a single touchdown, but a field goal by Soule in the second period was enough to give the Waterhouse system, the State Championship.

Bates kicked to Colby and the power of the Blue and Gray line began at once to rip holes in the Bates border. On the Colby backs were three holes made with a vim. Within its own territory Bates showed plenty of fight and the Colby backs were unable to cross that last white line until the second period. As Millert carried the ball over the goal line, the crowd was much more than excited from his removal from the game and the ropes in the Bates' hearts sunk several degrees. Bergman had already been taken out and in one of the early plays of the game. Soon after this Johnny Duker, who had been playing a great game at end, was taken out with an injured knee and a split head. These injuries seemed more than an incentive to the Garret squad they to disembowel. With Millert carrying the ball, Bates made two successive first down. On the next play Kempton heaved a long pass to Woodman who outwitted the secondary defence of the Colby backs and cross the goal line. Bates failed to kick because of bad pass, and had to resort to running the ball; he failed by a scant foot to score the point, being forced offside.

Colby started another march down field and Captain Burrell's team was ready for any tricks and stunts the Colby backs had in the line to hold. Bates was forced to the field goal, which was successful.

THE COLLEGE AND THE KLAN

We are glad to note that the President of Bates is associated with the National Vigilantes whose purpose is the "inauguration of an intense-country-wide campaign looking to the disintegration of the Ku Klux Klan and kindred organizations." Mr. Gray and the President of Howard are two of the four New England college presidents on the Vigilantes.
