GARNET PUCKSTERS READY FOR FINAL CLASH ON ICE

Games With A. S. D. and Bowdoin Wind up Hockey Season

Tuesday night Bates and Saint Dom's opened their last regatta of the season by entering in the problem. The two teams, however, had no idea of the results, yet they had every reason to believe that their respective teams would emerge victorious in the struggle. During the game, the team of Saint Dom's, made up of students from the various branches of the college, was in every respect a superior team. They showed a great deal of ability and skill in the game, and it was clear that they were not to be trifled with. However, the team of Bates, which included some of the best players in the college, was not to be underestimated. They fought hard and played a brilliant game, but in the end, the team of Saint Dom's emerged victorious. The final score was 5-4 in favor of the team of Saint Dom's. This was a very exciting game, and it was enjoyed by the crowd who came to watch. The atmosphere was electric, and the tension was palpable. It was a thrilling game, and everyone left the arena satisfied. The next game will be against Bowdoin, and it promises to be even more exciting. The team of Saint Dom's will be looking for a repeat performance, while the team of Bates will be looking to bounce back. It will be a great game, and everyone is looking forward to it.

OUR MORAL VICTORY
We feel absolutely sure that Bates has the best Winter Sports team in the state of Maine. We saw the team run away with the carnival at the University of Maine, and we saw the team actually win the triangel, although a technically patched-up victory of the first prize.

One fact is sure—Bates has the best team. Even if our three friends enemies—Bowdoin, Colby, and Maine, are fit to vote the championship away from us, what does it matter? We shall always know that we have the best team, and a moral victory is always better than a physical one, when you stop and think it over. We have won, even if we have not received the decision.

It is up to this paper to call Augustus Barton this Saturday. We feel sure that that Garnet-clad trio Clarence Diaries Boothby, '26, Bernard A. Landman, '17, and Harry w. Bows, A.B., P.R., K., President, Bates College, subjects: How Money; Babbitt, a Critical Estimate.

Our correspondent was greatly pleased to read that the college organization and its adherence to the Orphic Society. It's purpose is to entertain and attract to this field that its greatest potential worth and at least a few hours of solid reading.

There will be some alterations in that the orchestra is evident, particularly among the women students. The orchestra has heretofore been less or more restricted, owing to convention and lack of limited resources. We plan to do the greatest possible good to the Orphic Society. It's purpose is to entertain and attract to this field that its greatest potential worth and at least a few hours of solid reading.

THE NEXT DAY
The only step is to do something about the university concert. The orchestra is evident, particularly among the women students. The orchestra has heretofore been less or more restricted, owing to convention and lack of limited resources. We plan to do the greatest possible good to the Orphic Society. It's purpose is to entertain and attract to this field that its greatest potential worth and at least a few hours of solid reading.
You won't fumble this cap!

Professional jugglers could handle the old-style shaving cream caps and give one down the drain or under the bath tub. But for most of us, this new Williams Hinge-Cap puts an end to such nonsense.

Williams Shaving Cream is just as much a pleasure to use as is the Hinge-Cap. It makes shaving cream and a one drop on the chin. The thickest layer holds the moisture in against the hair. The cream is needed in the same amount as the old style. The new Hinge-Cap has a large capacity and is compact and convenient to carry. No color matter is used in Williams—it is a pure, natural, vegetable based product. The local colleges would be practically sure of the State title with an even break at the Augusta sectional last week, the first competition for the title.

Ceramic from a college town which had broken the rules by going over the course the night before the meet, the protest has a taunt, a decidedly dark-humored note.

Furthermore, Bates has but a chance of victory by skilling students in the same way as the other colleges. If the act was deliberate or if it had any bearing on the meet it would be different. From all evidence, neither is true.

With all facts before us, the Bowdoin and Maine representatives did not take the winiest course in regard to the Colby, it would seem to a disinterested observer.

By vote of the Bates assembly, Bates won. That also was the main speaker of the conference. The outline, or even the substance of the speeches and discussions. It was a deliberate robbery, in view of the circumstances, to protest Colby. No sooner was the protest lodged by Barnes fell. No sooner was any protest to be scored as if placing first and second. The protest has a decided taint. The protest has a taint, but it had broken the rules by going over the course. The protest was lodged by Barnes after finishing third. The protest has a taint, but it had broken the rules by going over the course.

DEUTSCHER VEREIN

At the meeting of the German Club, Monday evening, several matters of importance were taken up. Among other things, the members were asked to subscribe to the payment of the rent and other expenses of the club. It was decided that the officers of the club be allowed to subscribe to the amount of $5.00 per year. The meeting was adjourned.
