**SKI-SNOWSHOE TEAM WINS CHAMPIONSHIP FOR BATES**

The Bates Ski-snowshoe team entered a brilliant season last Saturday when it overwhelmingly defeated Maine State Student Volunteer Union in the Maine High School ski-snowshoe championship meet. Bates had three freighted teams and Maine State had only two freighted teams. Bates won easily with a score of 20-0. The Maine State captain, W. M. Wyllie, at goal, showed that he is a worthy successor to Ratten and Diehl. Wyllie at goal again showed that, while he is only a sophomore, the other Maine goalies have to be on their guard. Pauline Wyllie, who twirled masterful ball this season, and made a long and profound home that the audience afforded the program to continue. They did an admirable job, and the Maine were proud of them.

When "Rob" Diehl and Bob Cams get together, things are able to happen. Those members of the art of pageantry held their audience enthralled for 15 minutes, and all agreed that they surely could make one want to dance. After the general debate and the closing address paper, Diehl and Dohm performed on the instruments, while everyone joined in and had heart.

That the concert was a great success is beyond question. The audience that filled the hall was composed largely of students, and McRay wished that the boys who heard the concert would think of the audience in the future. They hopefully they will be able to.

**PROSPECTS BRIGHT FOR CHAMPIONSHIP TEAM**

The Maine State Student Volunteer Union is being held at the University of Maine from Feb. 19 to Mar. 2 inclusive. The Bates Ski-snowshoe team will be represented by five members, including the captain of the Maine State championship team. The Bates team is composed of the following: Wyllie at goal, Bob Cams, Carl Miller, Walter Miller, and W. M. Wyllie. These members are expected to make a strong showing in the Maine State championship meet.

**STATE CHAMPIONS BRING HOME CUP WITH COLBY WIN**

Corey, Cogan, and Capt. Stanley Coo in Foreman State in First Game

"The speculators from Bates" were placed in a strong position when they cleared up Colby for the third successive straight-on 3-0 win at Augusta Carnival last Saturday afternoon. The men of Maine are not giving up the real mark of the superior of the Summer meet the boys from Waterville. The Chase Cup with, which the prize was won, is coming up to us in its right form.

Captain Bob made the first tally on a trip to a trip which is a real mark of the superiority of the Summer meet. The Chase Cup with, which the prize was won, is coming up to us in its right form.

**BATES REPRESENTED IN CONFERENCE AT U. OF M.**

The second annual conference of the Maine State Student Volunteer Union is being held at the University of Maine from Feb. 19 to Mar. 2 inclusive. The Bates Ski-snowshoe team will be represented by five members, including the captain of the Maine State championship team. The Bates team is composed of the following: Wyllie at goal, Bob Cams, Carl Miller, Walter Miller, and W. M. Wyllie. These members are expected to make a strong showing in the Maine State championship meet.

In the Final Analysis

It is really remarkable how free Bates students realize what stirring events are taking place on the world’s political stage. One such event, which involves America one of our own professors, Mrs. Marion Carrell, Republican candidate for Congress in Second District, Maine. A visit to Williamstown, Mass., last week, she tells of the experiences of a woman from the State of Maine, who has been selected for the Republican congressional candidate for the Second District of Massachusetts. The candidate will be Mrs. Marion Carrell, a woman who has been active in the political world for many years. She is known as a liberal and has been a strong advocate of women's rights.

One of the most striking features of Mrs. Carrell's visit was her speech at Williamstown College, where she was introduced by President Charles E. Denison, and where she addressed a large audience. The speech was received with great enthusiasm, and many of the students expressed their admiration for her work in the political world. Mrs. Carrell spoke of the need for women's representation in Congress, and she emphasized the importance of women's roles in society. She also spoke of the need for equality and justice for all, and she called for a greater understanding of the problems facing our country.

The speech was followed by a question-and-answer session, during which Mrs. Carrell answered questions on a variety of topics, including women's rights, the role of religion in politics, and the importance of education. The session was well attended, and many of the students expressed their gratitude for the opportunity to listen to such a distinguished speaker.

In conclusion, Mrs. Marion Carrell's visit to Williamstown was a significant event in the political world, and it is clear that her work will continue to have a great impact on the lives of the people of the Second District of Massachusetts. She is a woman who is dedicated to the cause of justice and equality, and she will continue to fight for the rights of all.
PROF. ROBINSON TO TOUR EUROPE

British Isles and France Will Be His Main Object

Professor G. M. Robinson, head of the Public Speaking department at Bates College, has decided to travel in Europe during the coming vacation. The following is an itinerary:

1. Visit London, and study with Professor Robinson, will not be an itinerary; send for particulars.
GARNET LOSES ROUGH CONTEST TO A.S.D. HOCKEY MEN

The backer from baseball defeated the second time this season, a week ago yesterday, when St. Dominicans gained a 3-1 victory on the Bastion Street rink. The Dominicans, reinvigorated by the recently acquired Thompson, put up an even better game than they did on our rink. The work of our team was excellent, considering the power and ability of the opposing team, but was somewhat handicapped by the loss of Big Red Shirt. It requires very well-built men to do as he. Corner passes to successfully cope with the players of the Cornhillites.

St. Dominicans held soundly throughout the first period, but a break came in the second, with a goal by the Teammen. Corner and Cogin threatened the A. S. D. net throughout the remainder of that period, but the decisive second was a snug and Vachon nullified their effort.

The final period saw the pushing from the game of Joe Cogin, so the result of ten uneventful minutes on the part of the A. S. D. net player. His absence from the game was keenly felt. Vachon scored his second goal about five minutes before the close of the third period. He was followed by counters by Vachon and Captains Thompson. Vachon, Corner and Captain Stanley were everywhere on the ice, forcing the A. S. D. net to its limit. Teammen, Mirror and Theriault showed good backery for the A. S. D.'s, but Vachon's magnificent work prevented any scoring opportunities except one that was past keen in the previous games.

The summary:

A. S. D. (3)      (H) Bates

Thompson, Jr.     re. Corner

Moses, r           c. Cogin

Theriault, r       re. D'Orman

Vachon, id        M. Stanley

Corner, r          G. Wyall

Score by periods:

A. S. D. 0-0-3

Bates 2-0-0

Score: A. S. D. Bates 0. Goals made by A. S. D. Bates: 0. Goals made by Bates: 0.

SENIORS DROP GAME TO FRESHMAN QUINTET

Last Tuesday evening, the series of inter-class basketball games was reviewed in the Gymnasium. In this series, the Sophomores placed the Junior, and the Freshmen crossed with the Sophomore. The first game was close for the first half, but, from then on, the Sophomores built their lead and had to yield to the superior team work of the Senators. The final game was played for the first time, but, from then on, the Sophomores built their lead and had to yield to the superior team work of the Senators. The final game was played as follows:

The Freshman-Senior game was hotly contested. The Fresh team was in perfect working order and for most of the game the game was in their favor. At the end of the third quarter the score was 14-0. The game was very close from that point, but the Freshmen showed a little superiority in playing and came away with a 28-20 win. All of the Freshmen played a fine game, but Smith, Legard, and Ed were the backbones of the team. Keeney and Bowerman featured for the Seniors.

PHIL-HELENIC

An unusually Interesting meeting of the Phil-Hellenic took place Tuesday evening in Libbey Forum. Professor Chase addressed the club, and gave a very delightful description of his visit to Delphi and the Temple of Apollo had made. He described vividly the scenes at Fieros and the canal of Corinth. Altogether it was a very worthwhile talk.
