PRES. RICH MAKES ANNUAL REPORT OF OUTING CLUB

Many New Features Added to Club's Activities: Advocates Change in Carnival Program

The Bates College Outing Club has experienced a marked increase in its activities since its founding, in 1920, having accumulated an unusual fund under the leadership of John M. Barlow and Henry Rich. An extensive plan for the year was outlined in the summer, and to start the season early, a feature novel was worked to mark the incoming class. This letter was featured in the New York Evening Post with the caption: "Would that every freshman received such a welcome as this!"

Before Christmas, the Outing Club organized a party of over a hundred students for a very successful trip to St. Sabattus. This work in with the general policy of the club, which may be definitely, to interest all the students in the club activities.

This interest was furthered when fifteen students were encouraged to take part in the Outing Club. The Maine Intercolllegiate Winter Carnival has been familiar among winter sports enthusiasts and the club maintained a fine showing in the exciting games. The cabins maintained in Sabattus, after a long week of outdoor exercise, were capped with green and black muffins.

The interest in the grand tournament at each carnival, including the Greenwich Cup, was increased this winter, but this fine winter's cup, for individual losers, was won by the Bates men.

The fuses of this sport is bound to depend, as a measure, on the steps taken by those who are interested in the coming years. The club has been an active one in the past, and the interest has been shown to be genuine.

The cabins maintained in Sabattus have been enjoyed by parties round the clock end week.

Two new features this winter have been a better attendance of the students at the game, and an increased interest in the activities of the club. The Adams cabin maintained a fine showing in the exciting games.

A good backing has been felt by the students, and these events have become deeply interested in the success of the club.

Garnet May Send Runners To Portland Legion Meet

It is probable that Bates will send a relay team to the Legion games at Portland this spring. The college team is entering into the event in earnest, and it may be possible that Runners will oppose the Western teams.

The Western teams may be the Bates team, and it may prove possible that Bates may oppose the Western teams. The Bates team will be entered in the last meet of the season.

The New England Games will be held at Bates in about the middle of April, and it is expected that the Bates team will do well in this meet.

MORNING MONDAY CHAPEL SPEAKER

A man of intellect who is at ease the majority of a season possibly, if not more, is a man of experience in life of eight years. He did his major work in George Hasset Post, for many years the hero of the G. H. Putnam and Sons publishing house.

Major Putnam is a man of high ideas who are prone to do something about them. He is an experience in life of eight years, and to start the season early, a cordial letter is addressed to him. It is not unusual to find a man of Putnam's experience in the college.

The idea of having a man of Major Putnam's experience in the college is an experience in life of eight years. He is a man of high ideas who are prone to do something about them. He is a man of high ideas who are prone to do something about them.

COREY TO PILOT BATES HOCKEYMAN

Popular Star Athlete Unanimous Choice For Captain

Ralph Lyons Corey—For two years a very fine athlete, Corey has been elected to lead the Garnet hockey team next year. "Corey's" popularity is due to his ability as a player, plus his cool head and cool head under his cool head. He is a native of Maine and has been a resident of Bates for two years. Corey was elected captain by a vote of 2 to 1 in the final election of the week. The next year's captain is to be elected in the spring. The next year's captain is to be elected in the spring.

Captain Ralph Corey, who is a native of Maine and has been a resident of Bates for two years, is a member of the Bates College hockey team. His popularity is due to his ability as a player, plus his cool head and cool head under his cool head.

Garnet Debaters Defeat Lafayette and Colgate

The two most strongly contested debates in the history of Bates was decided in the last debate at the Ezell—Lafayette and Colgate.

For the first time in fifteen years, Sage College Universities' debate team defeated the Bates College debate team by a vote of 2 to 1. The debate was held in the Colgate University debating union, and it is to be held in the Colgate University debating union.

The debate was held in the Colgate University debating union, and it is to be held in the Colgate University debating union.

In the Final Analysis

"The Dress Rehearsal!" brightened up the dramatic season according to the standard height of merit which one may expect, and the public response, it is to be hoped, justified the effort made to bring upon the stage that important mechanism.

In our humble opinion theExposition of the fact which demonstrated that they were for the most part spontaneous, and not mere suggestions, and we feel that this is an undoubted fact, and that the fact is certainly in evidence at this time, and it is the fact to which we have been referring.

We should like to know the exact date of the change in the character of the play, and what it means. It should be made into a pamphlet, and distributed to the students.

The last act of the play, where the students are shown as walking on alibis, and the whole affair with his predominant emotion, one of humor.

The student who made a contribution to the dance, and the Managing Editor for the matter which he has contributed, is the only one privileged to be the author. Personally, we went out to get greenough and whitepaper, and when we were in, there was a sudden indication that we should not be satisfied with the result. We did observe, however, that it was very well written and tailored, and we should be willing to have it published in the future.

This is a point that we are to consider in the future.

Speaking of the Intercollegiate literary contest, we have the impression that the students who have been awarded these outrages instance that the "awful income tax" had to be paid twice, and the accumulated points be divided pro partes among this group.

The arguments in favor of such an arrangement are certainly equally valid. In the first place, the student who assumes responsibility for the whole tax will be saved the trouble of going into the whole question of the income tax, and it will be a very real relief to him.

The incentive of such a contest would not be to compete for the Governor Baxter trophy, but to compete for a dollar a day, the fool who fought for a dollar a day, the women and by the women of the college. All the students who were awarded these outrage instance that the "awful income tax" had to be paid twice, and the accumulated points be divided pro partes among this group.

We should consider the view of the student who assumes responsibility for the whole tax will be saved the trouble of going into the whole question of the income tax, and it will be a very real relief to him.

Third, after all taxes have been paid, the proper books be examined, the number of teeth pulled. Moreover, the student who made a contribution to the dance, and the Managing Editor for the matter which he has contributed, is the only one privileged to be the author. Personally, we went out to get greenough and whitepaper, and when we were in, there was a sudden indication that we should not be satisfied with the result. BASKETBALL HONORS FALL TO JUNIORS

Last Tuesday evening a good number of students witnessed the final round of interesting basketball games held in the gymnasium. The first game was between the Juniors and Seniors. With a flying start, the Juniors found it difficult to keep the quickstep team work of the Seniors at bay. The quicker was in splendid condition and raced past the first they were met with to give the upper hand. The fast team work of Chielson, Woodman, Dow, Peterson and Martin greatly enabled that of the Senior captain. Although, Desserer, Kempten, and Galpin placed fast proving the Juniors kept the ball for most of the time. The shield before the Seniors could complete their rivalry and the Juniors won 28-18.

The Freshmen-Sophomore game was much closer and more interesting to watch. Hatchell, Swall, and Leder were the outstanding Freshman players which was the real backbone of the Sophomore team. The game ended Sophomore 19, Fresmen 22.

W. V. C.

Mrs. Chisolm was at the V. W. C. meeting held in Rand Recitation Hall on Tuesday evening. The discussion of missionary work was very interesting. Her unusual handling of a familiar subject exhibited to know more.

He was in charge of the two boys' games and was led by Grace Car-ter. Marie Gilford assisted with piano.

JOHANN SCIENTIFIC

At the regular meeting of the Science and Scientific Society Wednesday evening, matters pertaining to the annual elections which is to come March 15 and 14 were discussed, and papers were read by two members of the club. William Raymond, '24, spoke on the subject of "Physics, Battery Effects and Reaction." He was followed by Elmer Watson, '24, who had chosen as his subject, "Man, Curie, and his Work with Radium."

"DEUTSCHER VEREIN"

At the regular meeting Monday evening several matters of business were discussed. A report of the committee on German Night was given and an attempt was made to obtain information concerning Club pins.

The following program closed the meeting:
A Report on "Thomas Mann's Grundlagen der Literaturkritik," by Professor Elizabeth M challenge, was presented by Willard King.

"It's on even when it's off"

(Does this slogan about the Hinge-Cap deserve a price? If not, what better one can you suggest? Read our offer)

WILLIAMS is a wonderfully popular shaving cream. Here's why:

- It's a beauty, faster-working lather, the way it lubricates the path of the razor and produces the perfect shave.
- The soothing ingredient which keeps the skin so smooth and cool even in daily shaving is likely to be men like you. They also like its purity—no artificial coloring. With the new Hinge-Cap, Williams is winning more fans than ever before. See if you ever used a shaving cream as good.

Summer Positions for Students

Students to work in the interest of Religious Education in the Home and to Distribute Religious Literature. Definite guarantee of a scholarship of $2,000 and $600 stipend for expenses for three months. No capital or experience necessary; also opportunity to travel and acquire many important features. Write for full particulars and application form to one at the Universal Bible House, College Dept., 1050 Amsterdam, Philadelphia.

He Reached the Top

The Vice-President of a great life insurance company who began his career as an agent has this to say to seniors who are about to graduate from college:

"If you love work and desire to pursue an honorable, useful and creditable mission in life this is the business for you to take up. Life insurance relationship offers you the energies of the splendid young men in our college."

This that this is true is demonstrated by those college men who have taken up the life insurance for they have shown that the college man is fit for this kind of a job and that the job also is fit for the college man."

"This work of life insurance was distinguished by independence and opportunity for directing his own."

It gives all possible opportunity for individual initiative and a chance to make an ample income at an age when most fellows are struggling on a wage pittance.

That is the story of one who began at the bottom and reached the top without the help of a college education. The other."

Before deciding your career make inquiries of the "Agency Department."

LAW STUDENTS

THE BOSTON UNIVERSITY LAW SCHOOL

Training students in principle and practice of the law, teaching them fundamental principles of the law, the history, the philosophy and the technique of the profession and preparing them for the work of the attorney. The Department of English assists in all phases of the work."

Michael Faraday saw the real beginning of the age of electricity nearly a century ago when he thrust a bar magnet into a coil of wire connected with a galvanometer and made the needle swing.

Gladsdale, watching Faraday at work in his laboratory, asked, "What's the use of it?"

"The experimenter jestingly replied, "There is every probability that you will soon be able to tax it in the world-wide use of electricity that has followed the Faraday discovery abundantly justifies the return to Gladsdale.

Faraday's theory of lines of force is constantly applied in the Research Laboratories of the General Electric Company in devising new electrical apparatus of which Faraday never dreamed. Every generator and motor is an elaboration of the simple instruments with which he first discovered and explained induction.

Maho-Jong

IS TAKING THE COUNTRY BY STORM

It is the most exciting game ever invented. A competitive game for any social or home circle, and the only one which offers the necessity of keen concentration, combined with a creative and logical approach. Give it a try this summer. It may be what you have been waiting for.

CHINA-AMERICAN IMPORTING CO.

111 West 56th St., New York.

Table Covers $2

A popular cover, that will be a talking point in any home. Coincides with the popular Mah-Jong which is the most exciting game ever invented. It is being played by all ages in every home in the United States. Look for ""Till"" and get the combination! Don't delay your order will be shipped to you immediately.

GENERAL ELECTRIC
"DRESS REHEARSAL" IS WELL ATTENDED

The first operetta ever attempted by Bates girls was presented on Friday evening. Colleen Lombard, played the leading role of Cinderella.

Cinderella is more than a twice told tale for it always appears as an audience who sold woes. The large crowd which filled the Little Theatre in Hatch Hall actually warmed up the character of Cinderella. A school for young ladies is the scene of action. For the closing day program the students have permission from the principal of the school to give a Shakespearean character. "Complications arise at the dress rehearsal when Miss Jones fails to arrive at the bacchanals, obviously never written by the immortal Shakespeare.

The singing and acting of Colleen Lombard 27 was excellent, her talent adding perfectly to the whole performance. This was her first operetta in the leading role of an operetta given in the Twin Cities. Last year she contributed her talent to "The Little" in excess to present in presented by Edward Little High School.

The role of prince was well played by Ellen Alpert. Colleen's two spirited sister roles were Ruth Weiss 27 and Belle Holmes 25. Helen Fox 27 was the fairy godmother.

Catherine Watson 24, the principal of the school; Leach Shaprio 23, the French governess; and Wills Carr 26, the elocution teacher, interpreted their parts well.

Ruth Bold 25, the good girl, and Priscilla Fess 25, the common girl, finished out the fun for the show.

The art of character work done by Mrs. Emery House 24 added a dramatic touch to the operetta.

The Bates Orchestra, appearing together in public for the first time, was very entertaining. The accomplishments were played by Mildred Stayer 25.

A great deal of credit is due Justice Hall 24 and Mrs. James Spooner of Boston, for the successful production of this first Bates operetta.

The background of the play was furnished throughout by the children of this first Bates operetta. The members were Mildred Willey, Doris Hall, Laurence Reed, Dorothy Petrie, Elizabeth Stickney, Phyllis Swayer, Hazel Lind, Anna Willey, Lois Swayer, Grace Perley, Grace Emms, Elsie Brickett, Elizabeth Brown, Anne Hurley, Mildred Stan, Evelyn Niven, Delilah Veab, Helen Hamb, and Barbara Pickering.

FAIRMAH ORATORS WILL CONTEND FOR PRIZES

On Saturday, at 10:00 P. M. in Hatch Hall the stellar performers of Wellesley, known under the colloquial name of the Freshman Public Speaking Prize, Division, will clinch in this pageant annual event for the second annual brand. Competition is sharp, and the judges will have plenty of difficulty in making their decision. Previous records of the class of '27 have been set forth by the powers that be to take part in this battle of worlds, and it is predicted that not until the last word has been spoken will the huge expected audience be able to relax in their seats due to the fascination and magic form of the contestants in presenting their parts. The prize for excellence and the $75 A. M. and come early and get a choice seat.

The contestants who will harmonize the English language are: Natalie Beem, Frances Cotter, Lois Fairbanks, Alice Johnson, Marion Poulson, Jessie Robertson, Katherine Prince, Elmer Campbell, Edithon Ogran, Ethel Griffin, Elise Goodwin, Frank Grogan, Fletcher Shaw, Bernard Solar, and Leno Terrasson.

SPOFORD

A very pleasant meeting of Spofford Club was held in Libby Parson Thursday evening. A short program consisted of the reading of a very delightful little atmosphere play by Grace Dickinson. The remainder of the Club Hour was given over to a discussion of the effectiveness of the different types of the short story.
