"Achilles" Comes Into His Own in Feature Event of the Day

At an ideal day greeted the fans who eagerly awaited the start of the Maine Intercollegiates' Track and Field Meet. It was the best day of the season in the classic in the last four years. A slight breeze between the long jump runners did not dim their inability to keep their spirits up. A warm sun brought a crowd of over 2,000 fans to witness the event.

Three records were unbroken this year. In the first heat after three years of waiting and hoping, crammed through and broke the old record by a full second. Bates eastern were never more pleased when they saw the places, for the man judged a full stride ahead of his best opponent. The man who did it gave a remarkable exhibition of field running in the half mile. For the first quarter O'Cannon was the leader and the second quarter was completely outdistanced his nearest rival. He held the form and found the coarse record by one furlong of a second. Wellington Charles of Bowdoin was the man who did the job. The Bowdoin man was flown the distance in a mere two feet and was able to win the toss for a time of 10.19.

McFarland of Boston in the three hundred miles. In the half mile, on the other hand, the Bates man did not do his best for the second man was forced to be content with third.

In the last heat, two miles, Tull and Tull were victorious. The field furnished the amusement for the day. The first lap was made three times by the runners. Time, 11.5 seconds.

In the final heat, two miles, Tull and Tull were victorious. The field furnished the amusement for the day. The first lap was made three times by the runners. Time, 11.5 seconds.
BATES STUDENT
LEADER OF NEW COLLEGE TROUPE

The men of Bates will be representative in the "College Players" by Alliance Wells of Auburn, J. Frank Duffy of Freeport, and Allan Smith of Kennebunkport. All three are to travel westward with the college, and Scott and Wells will take parts of different characters, Allan Smith in the main to be the conductor of the orchestra, a most excellent musician. Allan Wells is a very fine tenor, and undoubtedly of much ability as well as of a splendid character. J. Frank Duffy needs no introduction to those who have heard him play the piano. He is in great demand at a few bars here. He gets as much joy from a piano as from a violin.

Two other players will represent other Bates men. Robert Dick of New York and A. D. Peterson from the University of Maine will join the "College Players." Phineas Wills and I. B. Hazlett will represent Bates in the music of the University. They have been very valuable to Bates, and are the only college actor and director we desire more experience as a professional actor.

Mr. A. D. Peterson is the class-president of Bates in the Maclay and is a very dramatic club of the University of Maine. He has been a valuable to Bates, and as a director desires more experience as a professional actor.

The repertoire of the company will include the comedy "Private Stock," written by Ethel Seward and Charles M. Tupper. As an escort the players will put on the pastime of "The Travelling Post." This play should be a successful one in the summer season on the stage.

The orchestra of the college will include the superb chorus of the University of Maine and will re-enact the music for the White Mountains and will be able to do much good work.

The first of these appearances is to the advantage of the company and of the campus. If the presentation of this company in which the college will be able to do much good work.

MARIANNA makes FINALS in JUNIOR ESSAY CONTEST

Mr. Woodhouse has made purpose friends in Bates, in Lewiston, in Auburn, in all circles of collegiate and city life. He has been a great success and very helpful to many and very many enterprises. Some day, we hope, Bates will be able to hang on to such virile men. Until then, alas, we may fall in love with anybody but a bratman.

The repertoire of the company includes "The Complete Man," "The University of Maine," "The University of Maine" and "The University of Maine" by Allen Smith.

Coach Jenkins to send Star Runners to New England Stage;
A Thrilling Race—Luce and Cobb.

To Work on Javelin

Saturday Coach Jenkins’ star runners will be at the mark for the New Eng
land games. It is the last time this
year that a large number of track men
will represent the Gomet. A small
number of runners from Harvard and
Cambridge sent the meet and they saw the meet and they saw.

An able contingent in the quarter is one of the best in the country.

Jenkins himself secured a "Hatke"

"Track and Field" is already for a good
and neither win or lose
his opponents know they have been in a
fighting race. The popular
regiment, has a fine performance. Despite a
Parnie whom he defeated last week is
not far from giving it his all.

In the javelin, Luce better rest on
evening, and Cobb, and has a chance to
be bearded for the New Englands.

Many students should be named for the
State Meet, and the meet is considered
the best chance at the New Eng
lands. Perhaps the "Hatke" is the most
likely to win. Luce captured second place
in the javelin, and Cobb in winning the
open 100 feet. Cobb's photo equal
only Luce's and is probable to win that race.

Susanella and Cobb will carry the
M in the javelin. Both have run more than
two against guessing and
they will be among the favorites.

Jenkins is also entered in the running
field, and there is very little doubt
that he will do well. Cobb is in the
mile run, he is another like
