EVENING SOMEWHERE

Gladys Milliken, Mrs. Robert) and Professor Ilaird, faculty members. The海湾 Maine conference here at Hotes.

Every Bates student has been offered a ticket to the Social Club's annual debate, which is being held this Friday night at 8:00. The debate will feature two teams of students from Bowdoin, as well as other colleges in the Portland area.

The debate will focus on the question of whether or not the State should pay for tuition. The affirmative team, led by Al Shapiro '25, both of the English faculty, will argue that the State should pay for tuition. The negative team, led by Herbert B. Morrell '25 and Al Lawrence 25, both of the English faculty, will argue that the State should not pay for tuition.

The debate will be held in the gymnasium, and is open to the public. The debate will be followed by a reception in the cafeteria, where guests will have the opportunity to meet the participants and ask questions.
Perhaps then they may understand its significance. By the way, we would like to see The American Mercury on the shelves of our library. Promptness above all.
DEAN NILES RETURNS FROM CONVENTION

Especially Impressed with Speech of Dr. Griffith on Mental Hygiene

Last week, Dean Niles acted as the Bates representative at a Convention of Deans for Women at Cincinnati, Ohio. Dean Niles returned Monday and reports a worthwhile trip. There were about 250 delegates at the convention representing high schools, preparatory schools, private schools, normal schools, and colleges from all over the United States. There were two Deans from this State, Dean Niles of Bates, and Dean Calvin of Maine, who is also head of the baseball department.

An Exciting Evening

Here are four of the WGY Players (the world's first radio dramatic company) at a thrilling climax that almost turns sound into sight.

Tune in, some evening, on one of their productions. You will be surprised to find how readily your imagination will supply stage and setting.

Stage directions for this scene from William Vaughn Moody's play, "The Great Divide," call for a motor, a flashed screen, a pineapple, and the crash of breaking furniture. The microphone on the right sends them all to your home.

BATES HAS MAINE BOWLING CHAMPION

Ramey Still Defies Men of Other Colleges

Bowling successes at the college are beginning to recognize that in the persons of Allen "Bud" Ramey the college has a remarkable bowler. Every bowling has been regarded as more or less of a dead issue at Bates; but "Bud" decided that it was time to write this new popular hero.

He decided to serve a challenge to the bowlers of the other Maine colleges, agreeing to bowl any man they now had against him for the title of Maine. The first man to accept this challenge was Deke Charles of Bowdoin.

Max Tunling who is acknowledged to be one of the best bowlers in the city, bowled a perfect game and thus advanced strongly. Tunling bowled three strikes in each of the first three innings, and in the fourth, bowled a strike and a spare, and thus ended the game with a total score of 270. This is the highest score ever recorded in the history of the league, and it is a tribute to Tunling's skill and precision.

In the other game, the President, Gray, played against C. A. Tracey, and the match was decided in favor of President Gray by a score of 152 to 135. The President's team was composed of the regular members of the league, and it is a well-known fact that the President is a keen bowler. The match was played on the existing bowling alley, which is located in the college grounds.

The results of the matches were as follows:
- President Gray vs. C. A. Tracey: 152 to 135
- President Gray vs. Thurlow: 190 to 175

In conclusion, the bowling tournament has been a great success, and the college looks forward to continuing this popular sport. The participants are encouraged to continue practicing and improving their skills, as the college will soon organize a new team for the upcoming season.
