Everybody seemed to be perfectly satisfied with the selections which were made regarding the teams which should be allowed to compete in the Tournament Friday and which should be allowed to compete in the Tuesday. FOR THE SAKE OF CLEARNESS-

At the beginning of this season the Bates Student it was not felt necessary to state any definite policy. It was thought that the policy was one dealt in the part out of which we can not hope material gain. It is not enough understood by all. Evidently that in these columns are entirely news. Other matters published is signed and represents the opinion of the one who wrote it. For this we are not responsible. Any individual or group taking exception to such opinion is at perfect liberty to answer in the Open Forum.

On another matter, we wish to speak plainly. Like all news papers, we are a date later in which we can not hope material gain. We will obey all laws published will be published. In our case that date was Tuesday, September 30, 1923. The paper is also in charge of the Bates Student.

For a prominent undergraduate to make a public statement that this paper is responsible for failure of an article to be published which was passed in nearly 24 hours late, without even investigating the matter is unpardonable and unjust.

The Bates Student is not perfect. It can be improved. We know it. We are glad to receive any criticisms any one may have to offer. We will try our best to put them into operation. But we shall always look upon violent comments and sarcastic remarks as insults and not worthy of our attention. Come in and talk it over with us.

VICTORIES

We have been considering recently the two things for which Bates is best known outside of Maine. We have thought of Track and Debate. Our Team in Boston and Philadelphia and our Cross Country Team in New England have especially made enviable history. The names of Kay Linker and "Coke" McCinchy are still on the lips of the teams in Boston and Philadelphia and our Cross Country Team—made a record for themselves in out of town meets, regardless of name, age, color, or sex. PROF. CARROLL OFFERS INNOVATION

Sociology Course Allows Freedom of Study

The sociological course in sociology which Professor Carroll is offering this semester is more or less of an innovation. It means some general ground taken up in the regular courses, differs from a chiefly method. In describing the new course, Professor Carroll said:

"Instead of having the usual class method of daily assignment and recitation, the course is divided into two parts. As yet, the baseball outlook is entirely different. All we can do is hope for a bright season. Many colleges are now beginning to prepare themselves for the fall. The baseball outlook is now much brighter than it was a few months ago. The same general story will be told at all of the large universities. A few exceptions may be noted, but these are isolated cases. However, the outlook is not so bright at all of the small colleges. A few of the larger universities may be able to hold on to their old traditions, but the smaller colleges will have to make some changes."

DEBATERS PREPARE FOR SOUTHERN TOUR

Ralph Walker, John Davis, and Er
win Cashman, the oratory debaters who are to represent Bates College in the "Southern Tour," once were preparing their material. The first debate scheduled is that with College on March seventh. The following evening the latter meets Swarthmore. The University of Pennsylvania debate comes on the thirty-first.

The subject for all of these debates is to be "Resolved, that, members of the President's cabinet should have seats in both houses of Congress, and a voice in discussions."

According to present plans, Bates University is not to be included in the circuit. John P. Hogg, one of the members of the Debating Council, is awaiting final notice in this regard.

MACFARLANE CLUB

A meeting of the MacFarlane Club was held in Luther Court last Monday evening. Mrs. Curtis, who is well known in the local literary world, has afforded a large variety of selections that were very much enjoyed. The first song was "Your Father's Grave," by Edward Thomas. For an encore she sang "The Little Dutch Girl" by Rogers, "Babes in the Wood" by B. Huntington Woodman and "Over the Hills" by the celebrated organ composer César Cui. Words by Paul Rubens.

Kate Steel gave two piano airs and Keith Ware read an article on Alice Care, Marion Bixler recited on Emma Emma and Curls Millie one on Lillian Strong.

Capt. Miller, president of the MacFarlane Club, presided at the informal discussion which took place after the program.

ORCHID SOCIETY

Orchid Society, the college orchestra, has again settled down to real, honest-to-goodness work. The freshman choir has afforded a large number and variety of material for the program, now as the enrollment in the club at least thirty-five members from the four classes.

After the opening of last period, notable work was done for the services both in college and municipal activities. At present definite plans are made up for a concert of original and choral music on campus before the Easter recital. The music that will be presented at 174 Lisbon St., Lewiston, Me.
