To the Editors of the New England Intercollegiate Newspaper Association:

There appears in this issue a new feature, a column containing digests of the various campus news. We understand that the young lady is already a loyal follower of the paper, and the Managing Editor for the matter which she handled, Elmer W. Campbell, ’27, has received a cable from her which ran as follows:

Dear Elmer,

I'm thrilled to see the new feature in the paper. I always enjoy reading about the happenings on campus. Keep up the good work.

With best regards,

Miss Nancy

P.S. I'm planning to come to the football game this weekend. See you there!

C. H. W."

The Editor-in-Chief is always responsible for the editorial column and the quality of the paper. The Managing Editor has the final say in matters which appear in the own columns. The Business Manager has complete charge of the finances of the paper.

Champions of Maine?

Midwinter sees the sages of villages, towns and cities throughout Maine busy in picking this or that team to win the championship of the coming baseball season. We here at Bates have, of course, been too busy with studies and the various other duties of college life to give much thought to this matter. Nevertheless, we feel that a campaign for baseball should be based on an academic nature to devote much attention to deciding just what the outcome of the Maine intercollegiate baseball season would be. Is it on one of Bates, or, have the boys to accumulate an even greater lead.

Small the Younger

We haven't heard much about Small the Younger, who is expected to win the contest against Bates in this year's game. We don't know how he is doing, but we have heard that he is getting ready for the big game. We hope he will do well.

The College game last Monday was a treat. The team made some errors which might have been unforseeable if they had lost, but which showed the great spirit of the players. One of the best moments of the game was when P. E. Russell fouled a tanner and, just as the ball dropped, Captain Daker, the kind of an "egg" that can't be broken, took a little trip downtown, as a result of the defective vision of an opposing pitcher. With all these difficulties, our assurance of ultimate victory in the series never faltered, nor did the team show any indications of faltering in their quest of the pennant. The boys carried on, and the injured players got back into action as they were able.

The game was a treat, and the boys retired to their dorms within the Hall and left the world behind, and possibly a rain.

Moving on, and in due time.

Miss Nancy

If you mean an infirmary for the boys, I think it would be a nice to have here.

Freshman Second Team Wins After Hard Battle

The Junior was the first team Soccer Championship last Wednesday afternoon by handing out a 2-0 defeat to the Sophomores. The game was expected to be a nip and tuck affair and it was. More times it looked like anybody's game. In the second half, however, the Juniors had the better of the battle and their attack proved too much for the Sops.

The game was a good example of well-played soccer though the weather was kinder at times by the slippery ground.
