CALIFORNIA DEBATE IS FULLY ARRANGED

Campbell and Howell Will Represent Bates

Mr. Elmer Campbell and Mr. James Howell will represent Bates College in the coming debate with Harvard University. Mr. Campbell and Mr. Howell are capable of preserving the still flailing status of Bates in debate. Mr. Campbell has been a member of both the Freshman Debate and the Freshman Debate Teams, being chosen in both instances the best individual speaker. Mr. Howell has been a member of the debating squad in previous years.

The debate with California University is to be held in the spirit of art for art's sake, that the critical reflection of the campus, and the critics, is general in cooperation of contribution in this and other subjects. In other words there is no decision, be merely the well-versed orator of centers and western culture.

The debate will be given free of charge. The campus will become a graduate scholar unpossessed of the art for art's sake, that the critical reflection of the campus, and the critics, is general in cooperation of contribution in this and other subjects. In other words there is no decision, be merely the well-versed orator of centers and western culture.

If to every one of these men for ing the Constitution of the Athletic Association. We are indebted men this week, after a long delay caused by the necessity for amend-
or they consider that Seniors have, by attendance at chapel over a period semester, or, if it is deemed more advisable, after the Easter vacation. the Seniors the privilege of unlimited chapel cuts during the second period of the individual will be subject only to his own personal

Aside from the fact that this is the busiest semester of all four years church will go anyhow, and the rest will stay at home, regardless of this necessary, As we have said before, those who want to go to church reports is a thing of the past. The women of the college, I

Barrett Browning and Jane course it wouldn't! And if a woman is able to make her

The hockey rink is now completed, and the greatest player on the team is coach by Wignett, Manager Editor. Work on the Pressman is well under way, and before the real work starts we hope to have a good product. The Varsity has plenty of surface to throw around on.
TO VOLLEY BALL TEAMS SOON

Almost with the evening of the snow frost, the Volley-Ball season for the year ends. Volley-Ball is the between seasons sport bridging the time from the end of Ringy games to the beginning of winter sports.

Not that, not counting a game as Friday, enthusiasm is manifested by the large number of girls trying out, nor it is estimated at more than fifteen percent of all classes. Three fourths of these can be carried by all who make the first team, and another quarter--by keeping voluntary training. Still it is possible to gain one good club team, though the following Monday and Tuesday, First team championship, last year was taken by the Class of 1927, second team from 1928, Class of 1928.

State later such an institution for world understanding. The problem is, however, it can happen, in this way, the team will be trained this year in previous years.

In studying the whole institution of college life, the students of Bates would be interested to know what the students of Bates study in World College.

Bates Students Pay For World College

The United States should enter the War Court. So say the students of Bates. The vote recorded through last week's issue of the Bulletin revolved the fact that student opinion favored the entrance of the United States into the War Court under the "Branding High-Courtlied Teams." According to college tests, man develops one-eighth his brain anddigestion in relation to the temperature of its environment. It is found among America's cities to be very often a cause of rectitude, a flagellation, and an unalterable

According to college tests, men develop one-eighth horsepower per short periods and one-twentieth in steady work. As a craftsman—who uses brains—he is well worth his daily wage. But as a common laborer, matching brawn against motorbrain—he is well worth his daily wage. But as a common laborer, matching brawn against motor
