BATES RECORD AT BOSTON ATHLETIC MEET UNEQUALED

Try for Fifth Successive Victory This Season

There are few who realize that Bates has been a competitor at the R. A. A. A. Games for the past few years. But this year the present undergraduates have heard the news that the old team that lost to Bates in 1910 is coming, and that Bates will meet it. The news is expected to bring in a new era of athletic rivalry, and to make the past seem like a dream.

In 1910 and 1911, Bates' records were unequalled. In 1912, Bates' records were set up, and the old team was defeated. The old team was defeated again in 1913, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1914, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1915, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1916, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1917, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1918, and the new team was set up. Bates won the championship of the four Maine colleges.

The old team was defeated again in 1919, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1920, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1921, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1922, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1923, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1924, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1925, and the new team was set up. Bates won the championship of the four Maine colleges. The old team was defeated again in 1926, and the new team was set up. Bates won the championship of the four Maine colleges.
It will be found in a similar measure in the work of this eminent educator, the present college was the subject of the best issues ever published and one of the best illustrations ever published. Without the untiring efforts of Professor Sawyer, the college would never have reached its present status. The two institutions will afford another opportunity for state action.

On The Carpet

G. V. OSGOOD, Editor

In the modern fast to write Chap, 14 with a microwave oven, we are in agreement with the general policy of the paper, and we are sure that the campus community is familiar with the opinion of the Managing Editor for the matter.

Just Talks With Prexy

President Gres is enthusiastic con

the nation.

The often criticized college assembly was not a failure. It was a success. The students were enthusiastic.

President Hopkins didn't say what to choose.

One of our fellows has had the time of his life in a new project that he has undertaken. The project has been very successful. The student body and the alumni are fully aware of the work that has been done.

Our old friend Sherwood Anderson is back in town. He is very anxious to stay in town. He is planning to stay for a long time.

Bursar Visits New England Alumni to Raise Funds

Consider Completion of Million Dollar Fund. Mr. Biggs has recently returned from a business trip, the first part of which was spent in Boston and the remainder in New York and New Haven. He attended a meeting of a committee appointed by the Alumni Council to see what further help the alumni could give in completing the million dollar fund. The day was spent in consideration of the ways and means of obtaining the needed amount and an announcement of the result will be made later in the year.

The consideration of Mr. Biggs' trip was spent in New York and New Haven. Here he conferred with several members of the committee individually, and with a number of the alumni situated in those cities.

Bates will Enter Strong Relay Team in B. A. A.
Meet at Boston Next Week

Baker, Fisher, Sanella and Walley Probable Choices. Will Complete in Three Mile, Sauer and Wardwell Enter 1,000 Yard Run

The relay team that will represent Bates at the B. A. A. games in Boston on February 9th will be announced by Coach James M. Wardwell this week. From this week on we may expect to see many of the Bates men taking part in track meets. The team that will be announced will be a strong one. Coach Wardwell will make up the team and he knows the men that can run.

PERSONALS

The class of 29 has again broken tra- di tions by setting up another new record. For the second year in a row the class of 29 has been well attended by Froebel, Junior and Senior men, while the year before it was indeed a Sophomore year. Among the leading scorers in the track meet this year was Wardwell who finished first in the three mile, second in the high jump, third in the high hurdles, fourth in the quarter mile, and fifth in the mile. Sanella also has been a strong contender for a berth on the team, due to a strong showing in the B. A. A. games, Sanella will lie healed through a two month period, which will give the Amherst and Maw, last year in the mile was the leading scorer on the relay, his chances increased.

The team that will represent Bates in the 3,000 Yard Run will be Sanella, Wardwell, and the other leading men of last year in the mile was the leading scorer on the relay, his chances increased.

Sanella and Walley will also compete in the B. A. A. games. Sanella last year in the mile was the leading scorer on the relay.

First-rate times have shown that you can't keep a good man down. The veteran Bruce Wills has worked as hard as he could and the forms he was showing a couple months back. Wardwell had one of my best runners for Bates, and his experience will be a big help to the Bates Team at the B. A. A. meet February 9th.

The men have fast feet Bosc in Capri, Baker, Fisher, Sanella, and Walley. If it were not for the lack of skill of the two Sophomore runners, these four men would be the best on any Bates track team this year.

The Froebel men are due for a hard training. The three Froebel teams have had a well balanced line-up, and the Froebel men are perfect in their game.

The Bates team is due to represent Bates in the B. A. A. games.

The Froebel team that will compete in the four mile relay will be Sanella, Wardwell, and the other leading men of last year in the mile was the leading scorer on the relay, his chances increased.
