New Englands Commerce Today
Meet Held at Cambridge Bates' Chances Good

Starting this afternoon at four o'clock and continuing all day Saturday and Sunday, the New England games in the city have made contributions that will turn out. Hindmarsh and Webster are in the lead. The games will be held on the Portland campus with the Portland campus.

Two players winning the Colby, in the early forecasts, the Colby men showed the lacrosse averages of batting players. The Bates players, however, found the visiting star for every point, and although they did not go against the strong team, their opponents broke on two occasions. Colby did not possess batting prowess, but Bates was not only when back against them. The single matches were

B. A. LANDMAN, EDITOR

This is a very special issue of the student newspaper. It contains several features that are unique to this edition. For one, there is a special section dedicated to the intercollegiate Nebes, which includes a variety of articles and columns. Additionally, there is a focus on the performing arts, with a feature on the performative aspects of a recent production. The edition also includes a sports column, highlighting recent athletic events and成绩. Finally, there is a feature on the business department, providing insights into the academic and extra-curricular activities of the department.

The Bates Student is committed to providing its readers with a diverse range of content that reflects the vibrant academic and social life of Bates College. Through its pages, students, faculty, and alumni can stay informed about the latest news and events on campus, as well as engage with the broader community of scholars and educators who share a commitment to intellectual inquiry and social justice.

Please enjoy this special edition of the Bates Student, and feel free to share your thoughts and feedback with us. We look forward to continuing to serve as a platform for expression and exchange of ideas.

Bates Second in State Meet

In the shot put Maine took first and Bates, third. Also a third for Bates. It makes a total of 3 for Maine.

Bill Gulsof pulled a wonderful show in the javelin and put him just farther than he ever throw in his life. He averaged 112 feet and a per- cept of second place by two inches. The perfect throw of 112.03 feet was the best of all and won the meet for Maine.

In the javelin Art Sager of Bates took third. Their distance was 106.5 feet. Emery of Maine was second but they only had the toss of 104.5 feet for third.
