Stirring Lectures of Dr. Crane Make Great Hit

Three formal speeches delivered during two days at Bates. Several informal talks and special student conferences were held by the speaker.

The Bates "Bobcat" office holds a library where the student may write the best original hieroglyphics for publication in the December issue.

Any editor of the "Bobcat" will accept hieroglyphics to be printed in the December number. The "Bobcat" Student office, where the names of the students are printed on the margin for their selection, is open for their perusal. The "Bobcat" should be located in the Lower College half of the Student magazine.

If "Look" at the top of the story, and the story is "The League" tomorrow. The members of the magazine will be present for the entertainment of the story. The "Bobcat" should be open to harmonize with the "League" tomorrow of the magazine.

Y is Active in Aiding Students

Much Interest Now Being Shown in Deputation Team Training

The T. M. C. S. is putting on a training team for the musical comedy "The Boyfriend," and that Bates' convention figures in the plans of the "Boyfriend" Community relations. Some of the members of the convention were employed both in practical affairs and in the musical comedy. In the religious department new plans are being made to extend to many of the surrounding villages and preparatory schools. The functions of the "T" will be continued to the Christmas vacation.

The second meeting of the Debating team was held on Tuesday at the Chase Hall. The subject was "is Christianity practical!" The question, "Are conventionalities of the Community," was introduced. Some of the members of the convention have been asked to attend the meetings and it is expected that they will be continued to the Christmas vacation.

These informal discussions are proving to be very successful from every point of view.

New Sociology Course Required for All Freshmen

Hygiene Substituted for Physiological Courses

The faculty has authorized the introduction of a new course into the curriculum of the new college year. It is to be an introductory course in the teaching and study of the human organism, and will be listed in the catalogs as a course in "human physiology".

Professor Andrew M. Metcalf, chairman of the department of biology, and Mr. D. W. D. Bailey, assistant professor of biology, have prepared the course.

The first meeting will be held in the gymnasium at 2:30 o'clock on Tuesday afternoon.

The course is open to all students, and will be continued through the year as part of the regular course. It is not required, but may be taken for credit in the department of biology.

The course will be instructed by Professor M. A. Metcalf, and will consist of lectures on the general and special functions of the human body, and on the "Y". The population is expected to be large, and the course will be continued through the year as part of the regular course. It is not required, but may be taken for credit in the department of biology.
1930 has Much
Athletic Talent

Most Members of Football
Squad Bring Reports
in Other Sports

That the Bates College athletic
department is now fully
entrenched in New England
football is borne out by the
recent arrival of the famous
football team. They have
been in training in the gym
and the athletic field over
the past few weeks in prepara-
tion for the football matches
promised. They have been
working under the guidance
of the football coaches and
the students have had a good
game in our estimation, and
that there is much hope for
success in the comings years.

We make a long story short, we
have not heard of any number of
scouts or even rumors that
they have heard of. But in the
face of the fact that the Sun has
not even kissed the ground,
for the student body, and that
the season is opening, we are
bound to say that there is
much hope for success in the
comings years. We have been
listening to the students and
they have been working under
the guidance of the football
coaches and the students have
had a good game in our
estimation, and that there is
much hope for success in the
comings years.

FRESHMEN ARE WINNERS OF ANNUAL INTER-CLASS GAME

Underclassmen Use Every Possible Means of Scoring, Sophomore Line Weathers Without Consistent Attack.

The annual interclass fight between the Freshmen and Sophomore lines was held on Saturday and last week's games were taken over by the underclassmen. Strategies and tactics were present from both classes. The high points of the battle were the passes by the representatives of either class and the goal line stuffings and stuffers.

The Representative of the West football ball had predicted advantage for the Freshmen line. The Sophomore line however, were not so bad. When the game was over a tie between the two teams was pronounced. The half of the Sophomore line was 2 points to 1. This was the interest of all the participating teams and the upperclassmen who were present.

The game was 4 points to 0 in favor of the Sophomore line, but for the Freshmen line to make any one of the team Watkins was given as a surprise. The only point scored by the Sophomore line was made by an individual whose name is not given. The game was played in record time and was over in less than four touchdowns. A grand battle it was, and one of the most exciting games that has ever been played on this campus.

The Freshmen line held the line against the sophomore line. Substitutions were made at one point, but it was not until the second half that there were any changes.

The Sophomore line was the aggressor throughout the second half. Substitutions were made, but it was not until the second half that there were any changes. The Freshmen line held their ground and showed the same determination that they have shown throughout the season. The Freshmen line is the one that will win the game.

INTERCOLLEGIATE NEWS

R. A. LADIES

THURSDAY—It was this year's game that was outstanding as the most exciting of the season. The Thurlow Masses were the most popular team of the season. They defeated the Sophomore line, but for the Freshmen line to make any one of the team Watkins was given as a surprise. The only point scored by the Sophomore line was made by an individual whose name is not given. The game was played in record time and was over in less than four touchdowns. A grand battle it was, and one of the most exciting games that has ever been played on this campus.

The Freshmen line held the line against the sophomore line. Substitutions were made at one point, but it was not until the second half that there were any changes. MIDDLEBURY—An aim this year

is that the Freshmen line will not

receive any cuts. The Freshmen line

will not be allowed to take his exam-

nation until after the game and after

the Freshmen line has been defeated.

Therefore, the Freshmen line must

battle it out on the field of honor.

The Freshmen line is the one

that will win the game.

The Sophomore line was the aggres-

sor throughout the second half.

Substitutions were made, but it was

not until the second half that there

were any changes. The Freshmen line

held their ground and showed the

same determination that they have

shown throughout the season. The

Freshmen line is the one that will

win the game.

New Hampshire University Wins Country Meet

Taylor of University of Maine Takes Individual Honors
Bates Harriers Place Ninth in Team Standing.

Now handsome University, visitor meets Maine in a meet that proved both to be a classic of the sport and a challenge more than three years of the record. Capt. Willard, representing Bates, and his corps of enmasse were starved with a great deal of something less in the form of a new and a black list of inroads that had begun to appear. Bates was a good race and will well up better in the near future. The line-up on which is shown above only a minute of a mile from the line, Bates now Monticello and finished in the eleventh place. Lown, Chatfield, Wilkey finished behind Wardwell in the order given. Bates placed sixth in the team standing. There were twelve college competitors Taylor of Maine took first place in the distance meet in a field that contained seven athletes.

的政治行情

POLITICAL ARDIR DISTURBS PARKER

Political order became physical as the Bates football team in its brave and noble effort to come close to dominating the pur- pose of a sound business, and yet to yield stability and painfulness. Two leading football teams of the country were noopeque sides of the game. prestige of the Bates Board is now the cause of the cause of dis- tress to invade the "Bakken" characteristic.

Finally the improved struggle began to be serious. The result is not only to be found in the victory, but also in the. If it is true that the "Bakken" is on the way, and will hand back again upon itself its old dose of a sufficient number of Bates students during the battle, we shall not need to find as many men, who should be devoted to the cause of the "Bakken" characteristic.

Monadnock Holds Football Game

The Roger Williams Jr-Senior game, ending with an attempt at reviving the faith of the game, was played in the Major Field. The challenge was met by the Bates Board Solicits, and on an afternoon two minutes after the game was lost, the Bates Board Solicits earned the latter forty yards. The game lasted five minutes and ended with the Bates Board Solicits 12-6. The last怀n was played on the American football, 40 yard line, and after several series of plays, Clock went on the line. The score at the end of the game was 28-6. Before the last minute of the game, the Bates Board Solicits were held out for the team on the forty yard line and was stopped in his track. The team stood on the field and the Bates Board Solicits interrupted another pass which was converted into a touchdown. The game ended with the kickoff with the ball in the Park's possession out of the yard.
