As a matter of fact there is a victory it will be a tough one.

Mayor Thompson. The experts in the science of government are nothing. The best way to insure your silence on this point is to show that you have no right to speak. Mayor Thompson is a good sized specimen of the American race and a veritable parade of the horribles. Chief among your arsenal of aggressive prejudices will be, of course, his promise of making Chicago a political purity; he was a practical vote-getter, a typical American politician. His personal present of the Great Lakes and of remodeling George’s royal establishment of the paper, and the Managing Editor of all the articles in the News Columns.

To smoke wisely and well, choose Camels

There’s an irresistible reason for choosing this famous cigarette. Not for its popularity alone, but for that superior quality that produces it.

Camel wins its prestige with modern smokers by forthright value. It is rolled of the choicest tobaccos that money can buy, and its blending is the taste and fragrance triumph of tobacco science.

"Have a Camel!"
TEAM CHOSEN FOR PORTLAND DEBATE

British Team is Composed of Experienced Men.

Noting the British success in the recent series of high school debates last February and March, and the interest in public speaking and debate among the students in high schools in this part of the country, the Portland High School Debating Club, which recently completed their season, announced that they will send a team to compete in the National Debating tournament at Boston in April.

Mr. Davis '28 of Portland, Ralph M. Blagden, a graduate of the Sigma Alpha Epsilon fraternity, and Mr. J. Murray Cummings and George H. Chapin, two of the most prominent members of the team named above, announced their intention of uniting the team actually going. The definite list of members will be announced at a later date.

The Portland High Debating team is composed of five members, the sixth member being to act as manager of the team.

The Portland High Debaters are Mr. Davis, Mr. Blagden, Mr. Cummings, Mr. Chapin, and Mr. Threlfall, manager.

The Portland team has already taken part in two intercollegiate debates.

Coach Brooks Quimby and Professors Ongley Darvall, B.A., a graduate of the University of Pennsylvania, and Threlfall manager, will probably send the Portland team to the tournament.
