Bates Debaters to Meet U. of Penn. Monday Night

Little Theatre is Scene Sixth Debate With Keystone Men

Garnet Debaters Have Been Defeated But Once in Five Former Contests With Pennsylvanians

The debate with the University of Pennsylvania was not only another in a long line of debate meetings, but also one of the most important meetings of the season. In the past six annual meets and the debate between the Bates and Penn seniors last night, the Garnets have been defeated but once. The Bates debaters have scored such notable triumphs as the victory over Yale during the junior year and the睥d of the dean in the senior year. In each of these meetings the Garnet team has been evenly matched with their opponents. This year, however, the team had a decided advantage, and the victory was accomplished with ease. For the past year or so, the Bates team has been the only one of its kind on the campus to make any real progress. The team has been well organized and well coached, and the members have shown the typical superiority of Bates men in public speaking.

Program Planned for Physical Ed.

Directly after the Thanksgiving holiday classes every day are excepted from the serious of physical education, under the direction of Mr. Quimby. Those interested are requested to report at the first hour Monday morning. All classes in physical education will be held from 9 to 10 A.M., and from 10 to 11 A.M., respectively, Monday, Tuesday, Wednesday, Thursday, and Friday. The classes in physical education will be taught by Mr. Quimby, and the classes in physical education will be taught by Mr. Quimby.

Dr. Britan Addresses Students

The President, Dr. Britan, in his address to the students, expressed his pleasure at the excellent work done by the students during the past year. He said that he was happy to see the students working hard and that he was pleased with the results. He said that he was confident that the students would continue to work hard and that they would continue to make progress.

Sophomore Class Has First Dance of Year

The first dinner of the class of 1939 was held at the Bates College, and was attended by about twenty-five members of the class. The dinner was held in the college dining hall, and was attended by about twenty-five members of the class. The dinner was a very successful one, and the students were all pleased with the results.

Seniors Approve New Language Program

At a recent meeting of the seniors, the new language program was discussed. The program is designed to give the seniors a better understanding of the foreign languages, and is expected to be of great benefit to them. The program was approved unanimously by the seniors.

Sophomores Win in Hockey Tournament

Junior-Sophomore Combine Win in Varsity Title

Monday afternoon the Seniors and Sophomores played the fourth game of the tournament. The score of the first half was 3 to 1, and the Seniors were able to win the game. The game was a very close one, and the Seniors were able to hold off the Sophomores with difficulty.

Dr. Britan Addresses Students

The President, Miss Isabelle Jones, in her address to the students, expressed her pleasure at the excellent work done by the students during the past year. She said that she was happy to see the students working hard and that she was pleased with the results. She said that she was confident that the students would continue to work hard and that they would continue to make progress.
Football and cross-country are upon us, a fact of the past for another year and another. So are indoor track and basketball. But as for the real joy and interest, the real joy and interest, the real joy and interest—"Oh, lucky me," we think, "to have the opportunity to run!"

So the students start running in shape in preparation for the new season. The running is a tremendous discipline, and Captain Wahly will have his hands full this season. The season will last until the middle of February, and the weather will be either hot or cold. The worse the weather, the better the cross-country meets will be.

The center of the question. Resolved: That all the existing government of China should be abrogated.

Reservations: $15 per year in advance.

The English language is a major factor in the development of the nation's culture and is closely related to its political, economic, and social systems. The English language is widely spoken and written around the world, and it plays a significant role in international communication and trade.

The English language is the official language of the United Kingdom, the United States, Canada, Australia, and New Zealand, among other countries. It is also widely used as a second language in many parts of the world, including parts of Africa, Asia, and Latin America.

The English language has a rich history and is constantly evolving. It has吸收了来自拉丁语、法语、希腊语、阿拉伯语、波斯语、日语等多种语言的影响。随着英语在全球的传播，它也在不断发生变化，以适应新的文化和技术发展。
Bobcat Loses to Colby in Hard-Fought Battle

Waterville Team Forced to Limit Throughout Entire Game. Both Touchdowns Made in Middle of Second Period. Spectacular Pass Brings Second Score to Colby.

Under the conditions of last night's game, the Colby collision men were able to pressure the hands of the Bobcat team in Waterville last Friday. The boys certainly went all out for the game, for it was one of the hardest fought games of the season. The Colby team was forced to the limit throughout the entire game and they had to be at the top of their game in the second period as a result of a little better playing on the part of the home team. Both break downs were handed to the Bates boys.

From the start of the game the Bates boys showed all kinds of pep, and to the surprise of some of the fans, they had to turn down the field to the eight yard line, passing through T. B. Palmer's defense for long gains. The Bobcats registered five first downs before their opponents made their first.

The scores came in the middle of the second stanza within three minutes of each other. Drummond, Rogers, and made their first.

The scores came in the middle of the second stanza within three minutes of each other. Drummond, Rogers, and made their first.
