COMMISSIONERS DOW FROM AUSTRALIA AND LOUV FROM SOUTH AFRICA EXTEND CORDIAL WELCOME TO BATES DEBATERS.

Prof. Romulo of Philippine U. Speaks.

Wednesday evening held in its lodge a general meeting of the Board, at which the Assembly who gathered to hold formalities of the tour and to address the debaters.

Early on the day the group of distinguished people who come from the University were taken to Bates College and into the President's house, and then drove to the college in a long line of motor cars.

At about 8 o'clock a special meeting of the Board was held in the President's house, and President Bates presided.

At this meeting the Board was addressed by Professor Romulo of the University of the Philippines.

Professor Romulo said:

"Mr. Chairman and gentlemen, I have been most favorably impressed with the efficiency and ability of your debaters, and I am sure that they will make a notable contribution to the success of the tour.

"I wish to express my appreciation of the hospitality and kindness shown me by the Bates College. It is my hope that we may work together for the benefit of education and the advancement of science and literature.

"I am sure that the debaters will be made to feel at home and will enjoy every moment of their stay here.

"I am very much indebted to you for the privilege of being here, and I hope that we may have many more opportunities for such visits in the future."
Subscriptions, $2.50 per year. In advance.

The last extermine of the eve of the State Meet prevails the air on the eastern horizon, and the golden glow of the sun in the sunrise envelops the world in a misty spiral of glowing rays, illumining the wakings to the nature of the reader. The State, in follow-
