INTERCLASS TRACK TEAMS TO CLASH ON FRI. AND SAT.

New group will take honor left vacant by Class of 1928

On this Friday and Saturday afternoons, track teams will have a chance to win honors for their respective classes. The Annual Inter Class Track Meet held in the athletic building, will most surely include the indoor track season in earnest and there is every indication that the games Friday and Saturday will be treated to a remarkable display of abilities and keen competition.

The captives which were chosen last Tuesday were Norman Cole 1932, coach; Ted Kilbourne 1930, captain, and Ottley 1931, normal. Both Cole and Kilbourne are experienced in the hill and dale sport. The team is composed of ten men, and an extra one is listed for safety.

Preparations to uplift the capture spirit are under way and going on. These Bates Relay teams will probably be entered in the B. A. A. Relay; a varsity mile relay, and a Providence mile relay. Only three men are left from last year's team. Chaos, which won the national 4 mile championship relay team in the year 1928, is the team to beat this year.

At this stage of the season Adams, Chaos, Chapin, Chappell, and Cushing are the most promising racers. It is not known whether Adams is faced with the problem of building an entirely new one mile team. Chapin, Chappell, Chaplin, and Cushing are expected not to be doing daily work and if they are not in the starting line for the 2,000 yard race then they will probably not be in the starting line for the 2,000 yard run.

The team has enough strength to go against any team in the country. Adams, theodos and chaos have a distinct advantage which they have not had in any previous years.
