BATES TAKES 2-1 DEFEAT
HANDS OF POLAR BEAR
Bowdoin Outfit Takes Lead in First Period
Polar Bears now Far in Lead State League

The brilliant work of Capt. How-
land, Bowdoin goalie, forced Bates to a
second 2-1 defeat at the hands of the
Polar Bear. Time and again the bow-
down went down to the ground be-
tween the posts and Roundy. He was
beaten by the flick shot of Howland
for the first score of the game an-
other by the same shot for the sec-
ond, when Roundy, from his own
end, chucked the puck into the cage. A
few seconds later Toner clucked the

Frosh-Soph Track Meet Saturday
The Sophomore and Freshman track
should be held next Wednesday evening
at the new track in conjunction with the
Chase Roll. The Society will present
all its usual talent at this time and the
students are promised a treat.

The first open meeting of the newly
organized Symphonette Society will be
held next Thursday evening. Three
members have been selected to act as
chairs, and the Society will conduct
its meeting in a very informal way.

The arrangements for these prelim-
inary events are being completed. The
rest of the program will be decided on
by the Committee. The Symphonette
Society will present its talent on the
evening of Thursday next.

Second annual College Snowshoe Meet
Guests Here
A great deal of interest was man-
ed to the annual College Snowshoe
Meet. The Bates team will be rep-
resented in the State Intercollegiate
meet at Lake Placid. The brilliant work
of Capt. Howland has never been
as much appreciated as it has been
last year. In every race he has entered,
Howland has shown himself a leader.
In the last snowshoe meet at Bow-
doin, the Bates team won easily. The
news was not at all satisfied with the
tournament as a whole. The last snow-
shoe meet at Bates was won easily by
Howland.

SO WE WONDER

During the past few days the campus has been gloating over all sorts of scare rumors which, as Mark Twain cabled home concerning the report of his death,—have been greatly exaggerated. We have been regaled with all sorts of stories concerning overflying information received from sources all over the continent. One could easily have believed that this institution was on the verge of dire disaster.

There were knockers from every side concerning the apparent dullness, or utter inability, as it was variously interpreted of the authorities to provide adequate protection for the students or for service for them. It was apparently not known that the administration had already considered turning the space in Chase Hall into an emergency infirmary and had abandoned the project, not because they were unwilling or unable to go through with it, but because the epidemic was not so great; and there is always, while the college continues to be a small one, the serious question of what is to become of the student who contracts the measles and a special nurse in one operation, the case he has recovered.

The intraclass track meet was a big success. Some of the performances were very fine. A record was set in the mile run and there were two prizewinners in the high jump. 

In the intraclass events, those on the field were the most exciting. A record was set by Alonzo Adams in the long jump and finished with a burst of speed that was completely unconventional. The hogs, runners passed their class through the against the favored. The runners wanted the prize, and they were a chance to show their ability. The high sights were Other college teams had the ability to compete with 11 each. Howe and Knowlton ran a double race in four events between them.

One of the most exciting of the events was the 100 yard dash at Bates on Jan. 30. It was held in the field and the competitors were drawn from the ranks of the first and second years. The latter were given the victory and the prize was divided among the men. The hotly contested was won by Martin, and Ray Cooper, who defeated McCall in the last bend of the road.

BOBCATS AND WHITE MULES TIE IN SIZZLING GAME

Work of Johnny Cogan Outstanding for Bates Pucketers
Colby Goal Tender Called Upon to Make 35 Stops

The perplexing stickwork and dazzling defense put up by Colby in last Saturday's hockey game against the Saint John's team, was enlivened by the splendid work of the White Mule goal-tender. When the final buzzer sounded at 1:00 o'clock yesterday afternoon, the score stood 3-3, and the Colby lads had two of the most difficult games of their career. The game was played before a throng of friendly and enthusiastic spectators, many of whom have never seen a college hockey game before.

The Mule forward line, under the inspiration of Bobborough and Cogan, put up a complete performance, and was never out of the game by the pressure. Topolosky in the goal was taken out of the game by the.
What Other College Men Have Done With Krewes

"Graduating from Western Reserve University in 1921, I began business life with an idea that I was fitted for merchandising work. I left my comfortable desk work and started in the warehouse. Then I worked successively as floor manager, assistant manager, and manager. I then acquired a bigger promotion, and I am now assigned to an executive position, with increased responsibilities.

The financial return that has come to me amounts to all that I had expected."

Colo. B. S. T. —Wadsworth M. S. April 17—A Pita Boy Krew was formed, by an enterprising student, in 1921, then another hand chosen by an Eastern manufacturer until 1922. When he entered the Krueger companies to take the training course, he is now a manager of a Krueger store and claims: "Today I feel myself paying a greater income than the teachers and professional occupationalists, who thought of a radical change of occupation."

A Manual University graduate enthusiastically makes the following:

"In June of 1923, just after I had been presented with a merchant degree, I entered a Los Angeles department store. Under the guidance of experience said to me: 'Just what the house boy for you should be doing was the same you were doing the last few years. Take my advice and make a good co-op, begin at the bottom and work your way to the top.'"

I followed his advice by smiling in the embarrassment of a Krueger store on December 15, 1924. Today I am managing my own store, happy in the thought that I am on the road to success."

S. S. Kruege Co.

5-10—25c stores • 25c to $1.00 stores
KREUGE BUILDING DETROIT

After the years of college then there comes to many men the most trying period of their careers. What place does the world have for them? For what niche has their training best suited them? Where do they fit?

It is to these seniors who have not yet fully decided on their future that this advertisement is addressed.

The S. S. Krueg Company has an opportunity for college men who are ambitious enough and capable enough to reach the top — yet who are willing to start at the bottom. These men we train to be store managers and to occupy other executive positions — well paid positions involving a share in the Kruege profits. The men selected are given intensive preparation for their future executive positions, they are instructed in every detail of store management and they are advanced as rapidly as they become familiar with the Kruege policy and the Kruege methods of merchandising. The work is not easy but the reward is not small — an executive position in the Kruege organization which operates 515 stores with an annual volume of business close to $150,000,000.

If a career such as those described here appeals to you, write to our Personnel Department and a special personal interview will be arranged.
