Debates have been started and letters sent out for the formation of the Bates Intercollegiate Debate League for 1930-31. The league will be open to all members of Bates College and all other schools in the region.

In the coming season for the debate league, the subject will be the case of Mr. Sug. It is a case of a man who has given his best efforts, for which Bates men and women realize that they are unable to fully express their gratitude.

The program will be featured by Eddie Canary’s Harmony Four with specialties given by Bill Abbott and Stanley McRae of the student body. Stanley Snell, President of the Varsity Club, and the intermediate normatives will be the guests of honor at the banquet.

The entertainment for the evening will be given to Mr. Sug. The banquet will be held in the coming season for the debate league.

Says Howard Beun, "I'm strong for football. It's an excellent team to have association with. I think the coaches have done a fine job. When there's no opportunity within the team to play, it's nice to have an opportunity to be a member of a team that has a big reputation and to play with those players who are so fine and to associate with women on a lower plane and also to have something to look forward to if you show a preference for women." A mother and daughter will both graduate from Bates next fall. The daughter will come from Dr. Charles C. Orombe, University of Pennsylvania, and will also receive the summa cum laude. The daughter will be the first woman to receive the degree in this university. The mother will be the first woman to receive the degree in this university.

One hundred thousand dollars was subscribed by the President of the University to establish public speech. The donation was made to a group who felt it was unjustified to neuve.

JUNIOR VARSITY WINS FIRST GAME

On the afternoon of May 2, the Bates Junior Varsity opened its season by administering a 7-5 defeat to Eastern Maine Conference Seminary. The heavy hitting by the Bates team was the chief factor in their well-earned victory. They tagged their opponents in the first frame for two runs, four of which batted on Whiticr's four-base blow. "Chick" Jakanoski allowed only six hits and kept them well scattered. He issued three bases on balls and struck out two runners. Gillette's four-base aid in the third inning added two runs in the fourth aided by a Bates error and Gillette's home run. The Garnet Seconds pushed across one run in the fifth and one in the sixth. Buckport did not score until the ninth when two tallies were added to their run total.

Jakanoski's fielding was the feature of the game. Bublino excelled for the ninth when two tallies were added to his count.

WHY CAMELS ARE THE BETTER CIGARETTE

Camels are made of the choicest tobaccos grown—cured and blended with expert care. Camels are mild and mellow. The taste of Camels is smooth and satisfying. Camels are cool and refreshing. The fragrance of Camels is always pleasant, indoors or out. They do not tire the taste nor leave any cigarette after-taste.
