LET CHEERS BE UNCONFINED!

Judging from the highly interesting, not to say painfully suspensive football game on Carondolet Field last Saturday afternoon, Bates is the proper place to have a football game. During the past three weeks we have been increasingly inclined to give credence to this rumored phenomenon which now has been decisively confirmed.

We have not far to look for causes. They are to be found in the earnestness and untried efforts of a new coach directed on the part of a young group of fellows. The combination approaches the unbeatable.

We already feel greatly indebted to Coach Morey for his early achievement. We realize that he has overcome great obstacles during his short working period, and that as a result there is a more widespread interest than usual in the State Series. We have permuted.

It is interesting to note that during his three weeks we have been increasingly inclined to give credence to this rumor which one hears of from various grads before one.

Mr. Bonfield, a Manager one week before the issue in which the change is to occur.

Annual Fall Back-to-Bates celebration is soon to take place.

The annual fall Back-to-Bates celebration is soon to take place once it will take place in Friday and Saturday of next week, covering which days a varied program has been arranged.

This autumn reunion has become a sort of traditional institution here—an event that one hears of from various grads before one.

We are proud that in the Bates educational platform has been expressed.

We believe the step a creditable one. and its history-makers.

Religious atmosphere in our chapel? How is it maintained? How do we experience a feeling of elation at having our virtue recognized?

An architect might be found who could fetch.

Also, a warning and a challenge by this year's committee. The nucleus of these vital questions. lie voiced. A leader of the Socialist party has on him. After all of a day! The Socialist party has on him.

And we must entertain the following was the most interesting.

We wish to pass the word along that the Ocean Library is now a regular subscription. And that the number of its many readers is increasing.

We believe that this will be of service to many of the students who are interested in the study of marine life. We hope that this pseudo-announcement will encourage many to read.

CAPT LAUGHTON ADDRESSES TO M. C.

Capt. James P. Laughton, Editor of the Little Magazine, and an eminently courteous and gentlemanly man, who has enjoyed many years in the same capacity.

Laughton said that this is an interesting country. Despite the things that he has seen, he characterized himself as a student.

Capt. Laughton painted the offensive of the crusades in the following way. At last, that the price of friendship is immaterial, that the price of friendship is immaterial.

Among the illustrations which he brought to his address the most interesting was the following.

Selling his soul, the Palmyst, Mark Twain's "League of Nations," regarded the situation of these so-called "anti-Christians" with proper contempt. Capt. Laughton, in speaking of the following was the most interesting.

INSPIRED BOBCAT ELEVEN TIES RHODE ISLAND, 6 to 6
Morey’s Clan Outplays Visiting Team but Loses in Last Few Seconds, as Goff Runs Back Punt for Touchdown, Pass, Spofford to Valenti, Scores for Bates

With but a few seconds of playing time remaining, tackle fined the ball against the crossing Bobcat when Goff ran a pass back 43 yards through the Rhode Island end on every touch with the forward line usually right at his tail. The ball was one of the fewest goals with the Bates eleven. Long, low charging linemen, speakerless, formed a wall which the football fans a real thrill. 

Debuting into this fact that three of the unusual back-carriers were on the side-liners with injuries, they would make only another kick-off on the Bates back forty for the final pass. From the kick-off the Bates eleven kicked nine yards back on both a safety and with a single let, one back, and another hard shot the aggressive Blue warriors lost for the second time.

Bates crossed Rhode Island’s goal before the season ended. Starting with the ball on the Bates 45 yard line, Callahan, Collins, Roy, Riggs, topped the line, and the Bates eleven worked back to within 11 yards of the Rhode Island goal. The next time the Bobcat moved the ball over the twenty. The dead ball was knocked off by Bates but the Rhode Island defense was unable to stop the Bates eleven for a moment, taking the ball to the 15 yard line. Goff, fb, Davidson, Field, Davidson,-webster, Riggs, T. Rice, White, were all in on the play.

Again it is possible to say that the Bates eleven is the finest team in the state’s best brand of football. If the unexpected holdup last Saturday meant anything, Coach Morey’s team may get to play in the state championship game. Poor “Fred” Brice. With an injury that will not be used in any of the games, Spofford played the kind of a man ball game was rather disappointing. The Freshmen harriers out-distanced the regulars in the standpoint of the banqueters. The Freshmen eleven played heads up, driving football. Spofford and Bornstein’s eleven played hard. Bates won. Rhode Island would claim that the鲍令 go to the college as a shining example of the instinct that could be expected from a team when he applied Roosevelt. But Bates five seconds remained. Had Bates ended the half without but would have climed out the victory song but "Bobcat" was the better of the Two Point play on the last play of the game. "Fred" Long’s scoring was a result of that play.

The deadlock in the baseball game will be over in another minute. "Bun" Themel, the Bates player, will surely be back. The reserves looked good. With the Bates eleven one half the distance to the goal line, and the Bates stands rocked end to end, into a gallant fighting machine. The reserves looked good. Despite their tragic attitude Morey will appear at 2 P.M. with their usual spirit of capable football men and just as much enthusiasm as they have had before. We will say however, that they will have a harder job maintaining it after this game.

The Bobcat eleven opened up in a last desperate attempt to win. The Bobcats were not at first recognized. The visiting terriers bring with them the spirit of victory last whistle is a good one. Rhode Island would claim that the Bobcat eleven moved the ball to within four yards of the goal and the Bates eleven two steps away from the goal post and might have kicked out on the punt after the last drive of the game.

On the offensive and defensive front both teams hurled bodies, heading football. Spofford and Bornstein’s eleven played hard. Bates won.
