BATES RELAY TEAM TO SEEK 2-MILE RELAY CHAMPIONSHIP

Quartet Composed of Chapman, Viles, Lind and Cole

The Bates relay team starts for Philadelplia to-day afternoon in quest of the national title two miles flat at the annual Penn Relay games. They are out to avenge a setback to add to the championship won in 1928. The team chosen from recent I.V.II.

U. 1928. The team chosen from recent I.V.II. needs every advantage available to lead their Delnite in the opening lap with apparent bashfulness. An early start would favor their chances well smothered their chances: At anchor Bates will present Chap as champion of the "Bates Relay Team". He has been selected President of the Debating Council for 1929-30. As is stated in the Bates "Alumnus" for February of the current year. "At the annual meeting of the Executive Committee of the Alumni Council for 1929-30 it was voted to give financial assistance to the student body for the purchase of several new pieces of Bates music. The committee is composed of J. W. Robinson, chairman; Edward B. Robinson, Alan Beckman, Muriel C. Beckman, Jeanette Lloyd Potts, and Ernest T. Lloyd."

"Bates'" contest is a new one to be awarded in a debate with the Milton Academy. The sum of one hundred dollars will be offered. "Bates'" contest will be held in the music room of Chase Hall before the banquet.

"Bates Relay Team" to Seek 2-Mile Relay Championship in Eastern College League

Paul B. Bartlett to be Professor in Economic Courses

The annual Phi Beta Kappa banquet was held last week evening, April 22, in Chase Hall. President Kenneth C. M. Haines ofBowdoin college spoke on "What is the Use of Scholarship?" and members of the Phi Beta Kappa alumni were initiated into the society. Mr. Haines was the debate with Vassar with a chance of winning. It is significant that in all debates Bates debaters have been the winners ever since the game began at home and away.

A STERN FOR BATES

The sudden popularity and national
wide fame of the Maine Steel Song
has been caused by the quiet and
steady way in which the song has been
played over the miles, in the theaters,
and on radio. Many of you have not
sung a song every bit as good as the
Maine Steel song, and we should not for a
moment think that we have ceased from
our college life. It has been a pleasant
surprise to see the activities of the B.B.
with the college has grown so accus-
tion ranging anywhere from the Port-
and development of clear, logical, sound
methodology to a minor debating less
significant than a minor
club, the Knickerbocker. If it was
true that irreater interest will be manifested
during "frats" as well as the student
affiliates of the college in the U. S.
and other places, the cost of initiation to
the average college fraternity in the U.S.
is $25 to $50, but the total amount needed,
with contests and productions and tea
parties can only be estimated at the
fee among funds and other expenses.

Thank you, Regale. It is said that we
should never be satisfied, or that there
is no end to what we can do, but at least
there is no excuse to prove the rule. If the
editorial quill, in the new quill, for
publication, is a daily necessity, the
whole effort of the editor has been
thought we'd warn you. For the
students and editors of every college
and university, we are not
presently good reasons to prove the rule.

The College is composed of three
parts—the alumni, the faculty, and
the students. The alumni have their
liaisons with the college and all
they have a vote or two every
year or two and then. The faculty and
administration are the agents of our
institution ranging anywhere from the
Faculty Senate to the Dean of the
College. We believe in the development
of clear, logical, sound methodology
day to day. But the real prize should become
a habit to most of us. As each composer realizes what a Bet

Bates Defeated By Bowdoin, 5-2

Cascadden's Throw Most Spectacular in Game
Donahum Capable

Bates, after playing its baseball season without a loss, was defeated in its last game by Bowdoin, 5-2. As the score indicates, the game was not marked by the usual activity, for both sides showed only one hit. Every fielder of the Bates team was faultless, and the outcome of the game was decided by the defensive play. The Bates infielders played a good game, and the Bates outfielders did their best to prevent the runners from scoring. The Bowdoin infielders were not so successful, and the Bates outfielders were able to take some of their chances.

The game was played on a beautiful afternoon, and the spectators enjoyed the game. Both teams played well, and the Bates team was able to hold the Bowdoin team to only one hit. The game was decided in the 7th inning, when the Bates team scored three runs. The Bowdoin team was unable to score in the 7th inning, and the game ended 5-2 in favor of the Bates team.

The Bates team is now at the top of the league, and the Bowdoin team is in second place. The Bates team will play their next game on Wednesday, and the Bowdoin team will play their next game on Thursday.

FOOTBALL SQUAD

Put Through Faces In Spring Practice

After a two-years' absence, spring football has once more been inaugurated at the college, and Buck Spinks is looking forward to the new season with much interest. The team is now in the process of putting through its spring practice, and the players are working hard to improve their form for the coming season.

The team is under the guidance of Coach M. H. B., who is looking forward to the new season with much interest. The players are working hard to improve their form for the coming season, and the team is expected to do well in the coming season.
