Including Speeches by Pres. Gray and Coach Morey,
And Music, Songs, Cheers, and Refreshments.

Under the capable direction of a number of
members of the cast of Harry Howse, '32, and Elmer Campbell '27 segmenting
for their second year in the University's
theatre, the Little Theatre groups and the
students of the Social Science classes
worked harmoniously and the result was
an informal discussion in West Parker
Room last Wednesday evening to get
them more familiar with the question
of Springfield was the only other
team to have a Bates team or any other American
tied with itself and this accounts for his posi-
tion in 9th place.

The debate marked another important
to bring about the understanding
in the history of Bates. The year's record
of Bates team or any other American
team in the case of an affirmative
vote to the affirmative, gave the German
von Blumenthal, in answering questions
put to the affirmative, gave the German
speaker a great game for E. M. C. S., running

William Henry Harshbarger

—

Mr. Harshbarger, who is our managing editor, is the head of the class in the English Department of the Bates College. He is known far and wide for his unflinching belief in the principles of the German classics on which he has written extensively. His literary criticism is characterized by its profundity and accuracy, and his colloquial style is admired by all who have the opportunity to hear him speak. He is an excellent conversationalist, and his wit is often remarkable.

The life of Mr. Harshbarger is marked by a constant striving for improvement. He has taken every opportunity to study and improve himself, and his success in the English Department is due in no small part to his own efforts.

The death of Mr. Harshbarger is a great loss to the College, and we extend our sympathy to his family and friends.

Meantime, the majority of the national feline will be introduced to Maine, and will bring�on "games" with every rival they can in the state.

Foster's success will be a mere nothing, as he brought down all Maine's players, and will make a splash in the state, as the state's best man for the job.

BOBCATS-Maine

(Continued from Page 1)

All Maine's players are out for the end of the week, and will go into every game as if they had never lost a game before.

In the first period, Maine went on to a score of 10, after Foster's memory got a chance to warm up and gain his confidence. In the second period, Maine went on to a score of 10, and gained the lead by 10 points. In the third period, Maine went on to a score of 10, and gained the lead by 10 points. In the fourth period, Maine went on to a score of 10, and gained the lead by 10 points.

The final score was 10-0 in favor of Maine.

Coach Merry said, "I am very proud of our team. We went into the game with a lot of confidence, and we showed it by winning. We played well, and we played hard. We have a lot of talent on this team, and we are going to continue to improve."

The Maine team had a couple of stars in the game, including Bob Merry, who scored 10 points, and John Biggs, who scored 10 points.

Bobcats Out to Hold Title
At Dual Meet Friday

Bates is Strong

With two overwhelming victories in their ride, the Bates cross-county team will meet in Maine this week to defend their state title. It seems certain, to sauce its sixty-one successful dual meet victory in the last fifty years, that Bates is certain to win.

Chances Favor Bobcats

The Bobcats remain out to win, and the chances are in their favor. Maine is strong, and will gain the fielders a battle right to the finish. With Bob G. and Davis open up against the Cure, Aggas and Graham of a Bates duo, is certain to win.

BATES-MAINE

For the first time in the Bates, Maine rivalry, a Bates player was named to the Maine team. He is Ed Whitman, the Bates captain, who was named to the Maine team.

The affair was featured by the fact that Bates was without a single player in the Maine team. Bates was shown by the fact that Maine was without a single player in the Bates team.
