William Henry Hartshorn
Memorial Address By MONIE HARTSHORN

Hartshorns settled in Maine in 1806. Monie's great-great-grandfather, Capt. Thomas Hartshorn, was a sea captain in the War of 1812 and a land speculator in Maine. Monie graduated from Bates in 1886, and his name appears in the records of Bates for many years.

In his first year at Bates, Monie played football and baseball, and was active in the Literary Club. He was a member of the Rowing Club and the Debate Club, and was a member of the Class of 1886. He was a pleasant, genial young man, with a ready smile and a kind word for everyone.

Monie was a member of the Bates Debate Club, and was one of the leaders in the development of the club. He was a good debater, and was always ready to lend a helping hand to his fellow members.
