Hockey Team Faces Worst Of Schedule
Bowdoin, Colby, Northeastern Games to Thrill Thrill Fans

By PARKER MANN

With the conclusion of the first half of the hockey schedule this week, both Colby and Bowdoin find themselves in the thick of the action, with the outcome of the rest of the season depending largely on the results of their next few games.

Colby, playing at home this week, will meet Bowdoin and Northeastern in a doubleheader on Friday. The Colby-Bowdoin game, which is scheduled for the afternoon, is expected to be a close one, with the outcome depending largely on the performance of the Bowdoin goalie. Bowdoin, on the other hand, has been hot lately, and is expected to give a good showing.

The Northeastern game, which is scheduled for the evening, is expected to be the most exciting of the two. Northeastern, which has been struggling lately, is expected to give Bowdoin a good run for its money.

Frosh Hockey Takes Kents Hill

On Friday, January 23, the Bates frosh hockey team, led by a strong squad of local talent, defeated the visiting Kents Hill team, 7-3.

The game was a fast-paced affair, with both teams displaying excellent skills. Bates, however, was the stronger of the two, and was able to take control of the game early on. The team was led by the superb play of their goalie, who made several spectacular saves, and by the scoring of leading scorer, who netted three goals.

The game was a perfect example of the high-level hockey that is being played at Bates, and is a testament to the dedication and hard work of the players.

Meagher Sets Gym Record

Gardiner Fans in Ranes

To wind up an all-star" victory season, Frosh track and field team captured the gold at last week's meet, finishing well ahead of any other team.

Meagher, the leading scorer, set a new gym record of 4:05.5, beating his own record of 4:06.5. The record, which was set during the cross-country season, was expected to be broken by Meagher, but he was not able to do so due to an injury.

The frosh team, which has been one of the strongest teams in the state, is expected to continue its success in the upcoming season. The team is expected to be led by Meagher, who is expected to set new records and compete at the state level.
