Whitten, Jellison
Win in Portland
Marathon Contest
Gartett Runners Break Old
Records in Eight and
Five Mile Races

Whitten and Jellison, the famous Portland runners, set new
national records in the eight mile and five mile races
held in Portland, Me., last week. The speed of each of
the runners, as well as their endurance, was remarkable.

The eight mile race was run in 1 hour, 28 minutes, and
4 seconds, and the five mile race was run in 49 minutes,
and 6 seconds. The runners were followed by the
press and the crowd throughout the course of the race,
and their efforts were lauded by the spectators.

Industrial Group
Selects Leaders

The last and most enjoyable meeting of the semester
was held last Monday evening, when the Industrial
Group met to select leaders for the coming term.

Professor Arthur B. Brown, who has been
assigned to the group, presided over the meeting,
which was held in the School of Engineering.

The group was divided into several small
subgroups, and each subgroup was assigned
a particular area of interest. These areas
included

- Business Administration
- Industrial Engineering
- Marketing

After discussing the goals of each subgroup,
the group selected leaders for the coming term.

College English
Teachers Discuss
Student Problems

The third annual conference of the College English
Teachers Association was held in the main hall of
the Student Union Building last week.

The conference was attended by several hundred
English teachers from all over the United States,
who gathered to discuss various problems
confronting their students and their schools.

Some of the topics discussed included

- The role of technology in the classroom
- The impact of social media on student
learning
- Strategies for improving student writing

The conference provided a valuable opportunity
for English teachers to share their experiences and
ideas, and to develop new strategies for teaching
English.

Lincoln at Bates
Last Home Debate

Unemployment Insurance
Is Topic for Discussion
With Negro College Team

The Lincoln debate team met at Bates College
last Wednesday evening, discussing the topic of
unemployment insurance with a team from a
Negro college.

The debate was held in the School of Business
and Economics, and was attended by a
diverse crowd of students and faculty.

Freshman Debate
Training Topic

A team of Bernard M. Lerner, Albert
I. Oliver, Jr. and James W. Winter
were selected to debate on the topic of
unemployment insurance. The debate
was held in the School of Business
and Economics, and was attended by
a diverse crowd of students and faculty.

Applications for
Rhodes Support
Due October 17

Compulsion for the Rhodes Scholarship
will be held for the first time this year.
Two students are to be selected from
the state of Maine, one from each of
the four districts of the state. The
compulsion will be held on the Bates
Campus.

The next meeting of the
Rhodes Scholarship
Committee will be held on
October 17.

Leavitt Has Second Place—
Hickey Best Speaker

The Bates Debating League held its second
meeting last Sunday, with a large
crowd of students and faculty
present.

By FRANK MURRAY

Bates Debating League last Saturday met
in the Armory with Miss Leavitt taking
first place in the second round. Although
five men represented Bates in the debate,
Leavitt finished second and Harold Hickey
of that school was individual honors as
best speaker for both rounds.

Six Debates in Teams

No Nactus in Debate of States

The 2nd round of the debate on states
will be held on Saturday with six
debaters in each team.

The debate will be one on
Japanese and Chinese
League and will be
lasted by the
State League.

Outdoor Track
Card Includes
Stiff Battles

The outdoor track meet at Bates College
will be held on Saturday, with several
important events designated.

The meet will include a
scrimmage in the
heights at 12:30 P.M., and the second from
2 P.M. to 5 P.M.

The most
interesting events will be the
100, 220 and 440 yard dashes.

PROFESSOR WALMSLEY ATTENDS CONFERENCE AT SMITH COLLEGE

By MIMA CRISTOFERI

Professor Christopher attended the annual meeting of the National Athletic Association held at Smith College April 9-10.

The meeting was held over the Saturday and Sunday and brought the following information to light. The importance of Physical Education is growing in this country.

The idea of having the meeting at Smith College was due to the vision of Professor Christopher. It was his idea to bring the conference to Smith College and make it a reality.

At the meeting, a discussion on the importance of Physical Education was held. It was discussed that Physical Education is not just for the sake of exercise, but for the overall health and well-being of individuals.

The meeting also included a discussion on the teaching of Physical Education. It was discussed that there is a need for more qualified instructors to teach Physical Education in schools.

The meeting ended with a discussion on the future of Physical Education. It was concluded that Physical Education has a bright future and will continue to grow in importance.

CAMP FIRE WORK IS FEATURE OF W.A.A. TOURNEY

Camp Fire Girls Secretary

Conducts Course Here

A week of Camp Fire Fun and work was started by the Girls of the Camp Tourney here on Monday afternoon.

October 10th was added to the list of dates for the annual week of work and play, which is one of the features of the week. The tourney was made possible by the generosity of Miss Helen M. White, former Bates graduate, who, through the Board of Education, made it possible for the Girls to have a week of work and play.

Miss Chris Becker of the Board of Education, Miss Margaret J. Smith of the Board of Education, Miss Margaret J. Smith of the Board of Education, and Miss Margaret J. Smith of the Board of Education, made it possible for the Girls to have a week of work and play.

The Girls were welcomed by Miss Chris Becker of the Board of Education, Miss Margaret J. Smith of the Board of Education, and Miss Margaret J. Smith of the Board of Education.

A close relationship exists between the tooth and the gum, and just as a tooth is a vital organ, so is the gum. It is important to maintain good oral hygiene to prevent gum disease.

The diagnosis of gum disease is critical in order to prevent its progression. Early diagnosis is essential to halt the disease process and prevent further damage to the gums and teeth.

In summary, the prevention and treatment of gum disease are crucial for maintaining oral health. Regular dental check-ups, proper oral hygiene, and early intervention are key to preserving the health of the gums and teeth.
